### One More Time: Mekhia Freeman

[Finish Strong Fundraising Campaign](#)

*By Mekhia Freeman, Softball Student-Athlete*

Georgia Southern softball senior [Mekhia Freeman](#) led her team with a .403 batting average with a career-high five home runs when the NCAA and Sun Belt canceled all 2020 spring competition due to concerns over the COVID-19 pandemic. The Newnan, Georgia, native has been a staple in the Eagles' lineup since coming over to Statesboro in 2016, starting 170 games with a .336 batting average.

Hello, my name is Mekhia Freeman. I am a senior who graduated on May 9th with my bachelor's degree in finance. I am so blessed with the opportunity to return next year to play softball here at the best university with some of the best teammates. **Georgia Southern is my second home.**

The resources that us athletes are lucky enough to encounter have made me not only the athlete, but the woman I am today. Being able to receive another year of eligibility means that my dad has a chance to come watch me play again. He has been in and out of the hospital due to a sickness so he has not seen me play my senior year. It means the world to me that he has another chance.

I am also excited to be able to end the game I love so dearly on my own terms. **Thank you so much for helping out the best university in the world.** Hail Southern!

Love,  
Mekhia Freeman #6
