After Glow

*I'd like the memory of me
to be a happy one.*

*I'd like to leave an
afterglow of smiles when
day is done.*

*I'd like to leave an echo
whispering softly down
the ways. Of happy
times and laughing times
and bright and sunny days.*

*I'd like the tears of
those who grieve,
to dry before the sun
of happy memories
that I leave behind
when day is done.*
