Even with spring practice being cut short, the Georgia Southern football coaching staff was able to evaluate its program through offseason lifting and conditioning, as well as six on-field practices. [GSEagles.com](http://GSEagles.com) was able to catch up with each coach via email to get their thoughts on their group, as well as a preliminary two-deep heading into the fall.

Today, we hear from [Doug Ruse](#), who coaches the tight ends.

### Who stood out for your group in the short amount of time you were practicing?:

I'd say [Beau Johnson](#). He is a very athletic and versatile guy who can be utilized a lot of different ways. I only saw what was on film from last year, so I didn't have a lot to go on, but he's a better athlete than I had anticipated going into spring ball.

### Who's someone who didn't see a lot of game action that has impressed you this offseason?:

We have to pick up where we left off after the shortened spring ball.

### What will be a top priority for your group when you return to the field?:

I think we're going to have at least three guys who'll contribute this season and it appears we have quality depth at the tight end position.

### What excites you about your group?:

I think we're going to have at least three guys who'll contribute this season and it appears we have quality depth at the tight end position.

### Who is or are the vocal leader(s) in your meeting room?:

[Cam Brown](#). He's a senior former walk-on who's earned his place and become a big contributor. He's the leader of tight end position and it's all about TEAM with Cam.

### Who leads more by example?:

[Chase Hancock](#). He doesn't say much, but he's a blue-collar "grinder" and brings a consistent, workman-type approach every day.

### Post-Spring Two-Deep:

TE: 48, [Cam Brown](#) (6-2, 235, r-Jr.)

41, [Beau Johnson](#) (6-1, 225, r-Fr.) -~~or-~~  
83, [Chase Hancock](#) (6-0, 245, So.)
