Time to get to know some Georgia Southern student-athletes a little better with 12 Questions, presented by Case IH/Tidewater. Next on the docket is [Ryan Langan](#), a rising senior long snapper from the great state of Nebraska who loves sausage breakfast sandwiches and wants to go to California.

1. Which of your coaches would win in a rap battle?

I think Coach Cabral would win in a rap battle because he has the energy and always has words of wisdom.

2. What is the craziest thing your a member of your family has ever done after a win?

I wouldn't say it's the craziest thing but my parents with the rest of Eagle Nation rushed the field after the win over Eastern Michigan would probably be the craziest thing they ever did after a win.

3. What is your pre-game ritual and do you have any superstitions?

I don't have anything crazy for a pregame ritual, I mainly just focus on getting stretched out and lose before warmups but one of my superstitions is always wearing the same pair of socks every game as well as having the same hand towel.

4. What is your definition of a good teammate?

Someone who challenges another teammate to make them better and someone who looks left and right and not in the mirror.

5. Do you think there's life on other planets and if so do they have football?

Yes, I believe there are other planets that have football but none in our universe. I believe other universes have football.

6. What has been your favorite show to binge during quarantine?

Limitless has been a really good show, if you haven't watched it I suggest taking a look into it.

7. If you could only eat one food for the rest of your life, what would it be?

A lot of people would expect me to say corn but that would be my second option behind Daylight Donuts sausage breakfast sandwich.

8. How many of the 50 states have you been to and what's one you haven't been to that's at the top of your must-visit list?

I have been to roughly 35 states but one I would like to go to, would have to be California. I would like to see Napa Valley as well as the west coast to say I have seen both coasts.

9. Who are three people you'd love to have Zoom call with and why?

If I could zoom call anyone it would definitely have to be with Bubbles off of Trailer Park Boys, Zach Galifianakis and probably Seth Rogen.

10. Which Georgia Southern football tradition is your favorite and why?

The best tradition in my opinion is riding the buses on gameday and singing the Valley Song as well as driving by frat row.

11. If money was no object, what would you do all day?

If money wasn't an option I would be getting high-end vehicles and taking them for a cruise as well as going on safari hunts.

12. What is your favorite place on campus?

Lakeside ... I never leave complaining.
