MOUSE, THE BOYS AND BRASS

Band to appear at dance October 21, sponsored by Sigma Pi

Sigma Pi Dance to Feature "Mouse, the Boys and Brass"

Mouse, the Boys and Brass will present a concert and dance Saturday night in the Hanner Gym from 8 til 12, sponsored by Sigma Pi, social fraternity.

Recording under the Shelby S. Singleton (SSS) label, the band's latest record is "Danc-

ing to the Beat" and "Tears in Your Eyes."

The collegiate group consists of students from Jacksonville University and Lake City Junior College, ranging from 19 to 22 years of age. They are predominately music majors.

They perform mainly on the Florida circuit and in Alabama. Their music includes anything from the Beatles to James Brown, also the Tijuana Brass and the Righteous Brothers.

The band has two trumpets, a Hammond organ, drums, an electric piano, saxophone, trombone and guitars.

Dykes Reveals H'coming Plans

Homecoming plans have been announced by Kent Dykes, chairman of the Homecoming Committee.

Monday, Jan. 22, opens the week with an Interfraternity Council coordinated concert or dance.

Tues., Jan. 23, the Homecoming Gymnastics Meet against Sam Houston State College will take place in the Hanner Gym, followed by a Mat Dance.

Wed., Jan. 24, there will be a Student-Faculty Basketball Game with Gamma Sigma Upsilon sponsoring the half-time show.

Thurs., Jan. 25, a Pep Rally and Bonfire will be sponsored by the Varsity Cheerleaders. There will be a special appearance by the Varsity Basketball Team and Coaches.

Fri., Jan. 26, Alpha Rho Tau will sponsor a beauty review, followed by a concert sponsored by the Student Congress.

Sat., Jan. 27, will be homecoming parade sponsored by Sigma Pi colony. "We want to have a great parade this year with concentration on floats," said Kent Dykes, first vice president of Student Congress. Gamma Sigma Upsilon will have an information booth for visitors in the lobby of the Williams Center from 9 a.m. - 2 p.m.

The basketball game against Gifford College will highlight Sat. evening. The Southern Singers will sing before the game.

Sun., Jan. 28, worship services will be sponsored by the Religious Activities Committee.

The homecoming committee is composed of: Sonny Bartlett, Greg Colson, Barbara Cronk, Connie Dodgen, Durwood Fincher, Sara Fountain, Curry Gayle, Harold Hadden, Emily Harrel, Jay Hodges, Fred Howe, Mike Long, Robin Olmstead, Kathy Strickland and Butch Thornton.

Flu Shots

Flu Shots are still being given at the Health Cottage from 9:00 a.m. until 5:00 p.m. Monday thru Friday.

Last date for receiving the shot is Nov. 10.

Eight Women Seek WSGA Positions

The steering committee disclosed the approved slate of nominees for Women's Student Government officers this week. The nominees are: President-Elaine Carswell, Joan Jordan; First Vice President-Sally Harvard, Dinah Tucker; Second Vice President-Paula Goggins, David Smith; Secretary-Janelle Hudson, Sue Marie Pitts.

The candidates will be presented to women students at a mandatory meeting in each dormitory. This schedule will be observed:

Monday, Oct. 16: Anderson Hall - 11 p.m.; Buford Hall - 11:30 p.m.

Tuesday, October 17: Deal Hall - 11:00 p.m.; Lynn Hall - 11:30 p.m.

October 18: Lewis Hall - 11:00 p.m.; Wudie Hall - 11:30 p.m.

October 19: Hendricks Hall - 11:00 p.m.; Cooper Hall - 11:30 p.m.

October 20: Olliff Hall - 11:00 p.m.; Winburn Hall - 11:30 p.m.

October 24: Veazey Hall - 11:00 p.m.

A hostess at the individual dormitories will introduce and

Twirp Week Activities To Begin October 23

Activities for Twirp Week begins Oct. 23 and extends through Oct. 28. The social calendar for the week includes:

Mon. - A hootnanny will be held in front of Morgan Hall featuring top GSC folk groups. This activity is sponsored by Campus Colony and is free to all students. Girls may wear slacks.

Tues. - Pizza Night.

Wed. - Sadie Hawkins Day. Students may wear grub clothes after the last scheduled class on this day only.

Thurs. - "Womanless Wedding" will be sponsored by Delta Pi Alpha fraternity and Gamma Sigma Upsilon Sorority pledges in McCroan Auditorium.

Fri. - "The Hustler" will be shown in McCroan Auditorium at 8 p.m. A Dance sponsored by Phi Mu Alpha will star "The Bushmen."

Sat. - An Activity Day will be held in Sweetheart Circle sponsored by Sigma Pi social fraternity.

A dance sponsored by Gamma Sigma Upsilon will begin at 8:30 p.m. in the Armory. The dance stars "The Sons of Bach."

Guides for Twirp Week activities were issued from the Office of Student Personnel. Women may call for their dates

only between the hours of 6 and 9 p.m. Men must sign out on date cards. Women should en-

ter and leave the men's dorms through the front door only.

Activity Day features planned events. Sadie Hawkins clothes may be worn. The activities include a car bash from 12-5 p.m. The price for this is 10-25 cents per hit with a 5 cent discount to all boys. A slave auction will be held from 1-2 p.m. Fraternity pledges will be sold to the highest bidders. From 2-3 p.m. a greased pole contest will be free to all contenders. A greased pig contest is scheduled from 3-4 p.m. A trophy will be awarded in this free contest. From 4-5 p.m. a mummy wrapping contest will be held. At 5 p.m. trophies will be presented to the winners of the contests and to the most authentically dressed man and woman.

Each Sunday Library Facilities Partially Open

On Sundays the library is used more for a place to study than for the use of library materials, according to Miss Has-

sie McElveen, head librarian. With the shortage of personnel, all library facilities are not available on Sunday. All stacked collections are usable; the periodical desk and xerox machine are accessible. The reference, circulation, and reserve desks are not open. Books may be returned but not checked out.

Sunday, Sept. 24, 162 people visited the library including students and visitors. The following three Sundays more than 200 students used the library.

HEALTH COTTAGE
Health cottage grounds may not be used as a parking lot, except by patients.

Building Construction To Begin; Henderson Announces Plans

President Zach S. Henderson announced that bids will open on the new science building Nov. 21. The new building will be located between the Home Management House and the president's home. Henderson expressed hope that construction on the building will begin sometime in January, 1968.

School officials have also received approval to build a ware-

house and shop building on Chandler Road; the edifice will be constructed on the back part of the college property. Construction should require six to nine months to complete. Other plans include the removal of the warehouse located behind Marvin Pittman School, following the construction of the new warehouse.

"NOW WE KNOW WHERE WE LIVE . . ."

Welcome additions to dormitories and other campus buildings are the names of the buildings, which have recently been put on the structures.

Foy Inaugural Program Set For Nov. 3

Formal inaugural program and concert for the Foy Fine Arts Building is scheduled to begin Nov. 3.

Highlighting the program will be art exhibits by four leading artists in the field of painting, sculpture, illustration and jewelry. The artists will be here Oct. 25 thru Nov. 4.

Helen Gerardia, painter and printmaker, will be one of the featured artists to display her works during the inaugural program. Miss Gerardia's style consists of use of pure, intense colors with triangles delineated

with black lines which project, if mentally prolonged, beyond the borders of the picture. She has a highly developed, impressive polished style.

Her impressive record includes 45 awards and prizes, 125 one-man shows and group shows in the major museums in the United States and sixteen foreign countries. Miss Gerardia's work is displayed in the collections of 40 museums and colleges, including the Metropolitan Museum of Art in New York City and Fogg Museum at Harvard.

The artist studied with Hans Hoffman and at the Art Students League and the Brooklyn Museum School. She is past president of the American Society of Contemporary Artists and is a delegate to the U. S. Committee of the International Association of Art. This year she was selected to serve on the Prize Jury of the American Society of Casein Painters.

Ralph N. Hurst, sculptor, is the second artist to appear here. He works in traditional media of wood and stone and in synthetics such as fiberglass and silicone. His interest is exploration of new methods of casting sculpture in metals has been supported by a Faculty Research Grant from Florida State University where he is an Associate Professor. Hurst has been awarded a grant for this year to make films on sculpture.

In addition to holding academic degrees from Indiana University, Hurst has studied with the noted sculptor Robert Laurent and at the Ogunquit School of Painting and Sculpture.

He has exhibited extensively throughout the United States and holds many awards from competitive exhibitions. His sculpture is represented in numerous public and private collections.

Hurst is the recipient of numerous awards including First Prize at the Hoosier Salon Exhibit, Evansville, Indiana and First Prize at the Florida Craftsmen Annual Exhibition, Florida State University, Tallahassee, Florida.

The third artist to appear at the inauguration program is George I. Parrish Jr., an illustrator and painter of portraits. His colorful career has been highlighted by work representing his love for realistic historical re-creation. This interest is currently expressed in his oil painting illustrations for noted artist Robert Thom's History of Illinois.

Other achievements include historical textbook illustrations, cover designs and portraits for Atlanta Magazine, and ten years of free-lance work as a cartoonist. His work has won national awards and is found in many public and private collections.

Parrish, a native of Millen, Ga., grew up in Jesup. In 1952, he was graduated from Georgia Southern College. He is presently residing in Rome, Ga.

Miss Jimmie Y. Buis, the fourth in the group of scheduled artists is a creator of unique jewelry, designed in three-dimensional sculptural patterns. In speaking of her work, Miss Buis said, "Whenever possible, my pieces are designed to be viewed from at least three sides and sometimes completely in the round, as in the case of reversible pendants and earrings."

By combining contrasting materials with the basic metals, Dr. Buis obtains a textured, enriched effect in her jewelry. Her most recent creations involve a lapidary effort in the use of semi-precious gemstones.

Dr. Buis, a native of Louisiana, is currently on the faculty at the University of Southwestern Louisiana in Lafayette. She holds the advanced degree from Columbia University. Her work is found in many collections and has won numerous awards in exhibitions.

The four artists are scheduled to arrive here Oct. 25 for the inaugural program of the Foy Fine Arts Building.

RALPH N. HURST
Sculptor utilizing wood, stone and synthetic materials.

JIMMIE Y. BUIS
Creator of unique, three-dimensional jewelry

HELEN GERARDIA
Noted Painter and Printmaker

GEORGE I. PARRISH, JR.

Campus News Briefs

Eagle Eye

The 67-68 "Eagle Eye," available in three weeks, will include new rules for social, academic and religious life.

The new college handbook has many changes, more pictures and an improved makeup. This issue features greater emphasis on academic regulations and student organizations than past editions.

Eagle Eye editor Tom King was assisted by Jane Dukes, associate editor, and Hoyt Canady, advisor, in editing the handbook.

Cartoned Milk

C. R. Pound announced that starting this week the dining hall will have the added ser-

vice of milk being served in individual cartons with straws for added sanitation and to lessen the load of glasses to be washed.

Flu Shots

Flu Shots are still being given at the Health Cottage from 9:00 a.m. until 5:00 p.m. Monday thru Friday.

Last date for receiving the shot is Nov. 10. Flu shots are available to both students and faculty at no cost.

Dr. Harold Johnson, director of principalship studies, and Charles Thompson, graduate assistant in the division of education participated in a meeting of "Operation Bootstrap" Oct.

11 and 12 at Lake Jackson, Georgia.

The meeting was a research and development program with school superintendents from throughout Georgia attending.

The program featured many topics including "The Future of Accreditation in Georgia." Mr. Peter Libassi and Mr. Owen Fiss from the Department of Health, Education and Welfare and the Justice Department took part in the discussion.

The Association for Supervision and Curriculum Development will hold its first district fall conference Oct. 25 in Marvin Pittman Laboratory School. The theme of the meeting is "The Person in the Process."

Dr. Harris Mobley, associate professor of sociology, and Dr. Georgia Watson, professor of Psychology, are the guest speakers.

Attending the meeting are secondary teachers, and other educators of the first district.

Letter to Editor

Oct. 11, 1967

Dear Editor-

How wonderful it is to know that you are capable of such melodious sonnets as your recent editorial, "Those Friendly Little Faces."

I myself am a dog lover. However, I do not reach for my friendly campus newspaper to learn that "dogs are very nice," some dogs become "landmarks," and "we are very fortunate to have so many dogs with good personalities."

Really. How inane. I would consider myself much more fortunate if my college newspaper editor were appreciative of the intelligence of the average reader.

True, a certain amount of humor must be injected into any publication. But, humor mixed with sentiment can reach the point of absurdity. Others have been successful in blending humor with such things as information and criticism, striking out at those subjects and events of greatest importance.

We Georgia Southerners do appreciate some of the finer things in life. One of the finest could be a hard-hitting, controversial campus newspaper. The George-Anne deserves it.

We've had the dog biscuits, now where is the punch?

A reader,
Andy Hall

Ed. Comment: We thank you.

Home Ec. Club Plans Meeting

The Home Economics Club will hold a program meeting Oct. 24 with a description of the National Convention of the American Home Economics Association in Dallas, Texas held this summer.

Conducting the program are Rose Dutton, Judy McDonald and Marilyn Davis, who attended the convention.

This meeting will be the deadline for paying dues and joining the club. There will be a table in the Herty Building Oct. 18-24 from 9:30 a.m. til 3:30 p.m. til 3:30 p.m. for the purpose of collecting dues.

Girls to be notified in each dorm for paying dues are: Marilyn Crosby, Lewis; Eleen Lariscey, Deal; Virginia Farley, Veazey; Neysa Holt, and Margaret Pipkin, Winburn; Martha Ann Youmans, Olliff; and Mary Holt, Hendricks.

Debating Team Discusses Future

An organizational meeting of the Debate Team was held Thursday, Oct. 12 with twelve interested students present for the meeting.

Miss Marge Thomas, debate club advisor, reported an enthusiastic response to the club's future. "I think the students will have a great deal of fun as well as learn a great deal from the experience they receive. We are hoping more interested students will show up at our next meeting."

Miss Thomas concluded that this quarter will be devoted to the basics of debate, and that next quarter the actual trips to other schools will begin.

'Carpet Baggers' To Be Shown

An extravagant production with authentic settings and costumes recreates the atmosphere of the Thirties in "The Carpetbaggers," Oct. 20 free movie. The film stars George Peppard as Jonas Cord Jr. The plot focuses on Cord's deterioration in character and his corruption of others. Carroll Baker and Alan Ladd star with Peppard.

Chemical Society Holds Meeting; Harris Lectures

The Coastal Empire Section of the American Chemical Society held its monthly meeting on campus as a guest of the Chemistry division, Oct. 19.

The lecture on "Polar Effects in Free Radical Displacement Reactions" was open to the public.

Alpha to Omega

Gamma Sigma Upsilon

Gamma Sigma Upsilon awarded Runa Soderberg, Swedish exchange student, an honorary membership in the sorority at their meeting Monday, Oct. 16, in the Hollis Building.

Miss Soderberg, junior English major, received a membership certificate and a laveliere.

The sorority will also sponsor Junior-Senior Day Nov. 11.

Alpha Phi Omega

Alpha Phi Omega has chosen 12 pledges to be initiated during the following weeks, according to President Thomas Morris.

The pledges are: Kenneth Carson, Sonny Pierce, Cecil Christopher, Stan Puckett, Tom Milwee, David Fowler, Kent Stevens, John Bowen, Bill Bryant, Jimmy Spalding, Larry Wood and Haddon Johnson.

The fraternity is also making plans to attend the Southeastern Sectional Conference to be held Oct. 27-29 in Savannah. Hosting the convention will be Rho Beta Chapter of Armstrong State College.

Matters to be discussed are: intrasectional communication, organizational problems, and relationships of the chapter with the interfraternity council.

Sigma Chi

Sigma Chi colony, national social fraternity, has elected its officers for the coming year.

They are: President, Al Braswell; vice-president, Randy Reese; Secretary, Bob Gifford; Alumni Secretary, Rick Runyon; Historian, Frank Gaudry; Chaplin, Dallas Tindall; Social Chairman, Mike Bolin; Rush Chairman, Raney Connard; Pledgemaster, Tom Thorpe, and Publicity Chairman, William Fowlkes.

Sigma Pi

Kappa Delta Chi fraternity has become a Sigma Pi colony, according to Butch Thornton, president.

Colonel Walter Lemmond, past vice-president of Sigma Pi national, from Clayton, Ga., and Dean Croor, National Expansion Committee chairman, from the home office in Vincennes, Indiana, met with the members of Kappa Delta Chi Oct. 10 at the fraternity's regular meeting at the Holiday Inn.

At the meeting, Butch Thornton, president, announced that the 28 members present voted unanimously to become a colony of Sigma Pi.

NEW — FIND SCHOLARSHIPS BY COMPUTER

Last year \$30 million in college scholarships went unclaimed — because no qualified persons applied . . . because no qualified persons knew of them. * Now ECS engineers and educators have programmed a high-speed computer with 700,000 items of scholastic aid, worth over \$500 million, to permit students to easily and quickly locate scholarships for which they qualify. * The student fills out a detailed, confidential questionnaire and returns it to ECS, with a one-time computer-processing fee of \$15. In seconds the computer compares his qualifications against requirements of grants set up by foundations, business, civic, fraternal, religious, and government organizations, and prints a personalized report to the student telling him where and when to apply for grants for which he qualifies. Thousands of these do not depend on scholastic standing or financial need.

HOME SWEET HOME

For years students and campus visitors have complained that the buildings on campus have not been labeled. Campus maps were very little help, since visitors had to go inside buildings and inquire as to their whereabouts. But now that problem has been alleviated. Students were glad to see maintenance crews putting names on various buildings last week.

Now visitors will be able to distinguish one building from another. Parents will be able to find the place where their son or daughter lives. And the appearance of the campus has been improved.

We appreciate the efforts of those who made these additions possible.

TWIRP WEEK

Student Congress will sponsor Twirp Week Oct. 23-28. Twirp Week is an annual event at the college; it is in keeping with the tradition of friendliness. Twirp Week is an opportunity to get to know more people, to ease the boredom of fall quarter slump, and a time for really letting one's hair down.

Humor prevails during Twirp Week, as men find out just what it is like to be taken out. Women enjoy such activities as calling at mens' dorms and making sure that their dates are in before curfew. Also, many suitors bombard their heartthrobs with flowers, candy and even serenades. Twirp Week can really be fun if everyone will "loosen up" enough to enjoy the week's activities.

Those students who chronically complain about having nothing to do can really have fun during Twirp Week. And those who are constantly kidded about living in the country or the swamp have a chance to prove that they really can chase a greased pig or dress in hillbilly style just as well as anyone else can.

Twirp Week is a good time to go ahead and blow one's cool. It is a time to participate and not to just watch. It is a good time to chase a man, be caught by a "purty" gal, and to just have fun. Try it.

HEAR YE . . . HEAR YE?

That Georgia Southern needs a new P. A. system is no secret. Last year the gym was packed for the B. J. Thomas concert. In the middle of the program, the P. A. system went dead. Persons rushed to fix the system, but the effect was gone.

Organizations surely must be embarrassed when the P.A. system ruins a concert which they have worked long and hard to sponsor. And artists surely are impatient with faulty P. A. systems. Students don't like to pay to hear someone and then hear only fragments of what they paid for.

The budget for this year has already been adopted. Maybe campus organizations could help figure some way to get a new P. A. system. That's the way we got the floor covering. Maybe students and administrators could work together to find a solution.

It's surely worth a try.

LITTLE MAN ON CAMPUS

"THE STUDENT SPECIAL ISN'T ANYTHING FANCY BUT IT'S FILLING."

Cry Of "Who Wants A Date?" Is Familiar Weekend Echo

By ELAINE THOMAS
Editor

From deep in the halls of a dormitory echoes the Friday night cry, "Hey, who wants a date?" And with this shout one of the most effective means of getting a date begins. On almost any Friday or Saturday night dormitories resemble bee hives; students scamper from room to room in search of a person who is interested in going out with someone's cousin, old roommate, a high school steady or next door neighbor. While this method of date selection may not appeal to some persons, it frequently proves interesting and worthwhile.

After one decides whether or not he will go out, the fun really begins. Procedure for trans-

forming a coed who was planning to wash her hair and study into a date who could pass for Hugh Hefner's favorite employee resembles the rapid action of a silent movie.

Frantically, the newly-acquired date races from room to room collecting clothes. This was the night he had planned to do the laundry which has been saved for the past three weeks.

Finally, the time comes . . . date meets date. Introductions are made after what seems like 15 years of trying to pick out one's date from a crowd in the lobby. Then the dorm is quiet once again.

Persons utter sighs of relief with "Boy, I'm sure glad I got them together." Sometimes results are so good that permanent relationships are established.

It's all a part of the fun and excitement which begins with the cry of "Hey, does anybody want a date?"

Better Support Is Major Need Of Twirp Week

By SANDRA DYCHES
Feature Editor

'Go, Go — Get'um, Get'um' is a popular football cheer, but it is being adopted next week by many GSC coeds. Oct. 23 marks the beginning of Twirp Week, the topsy-turvy time when those of either gender discover the problems the other half has to contend with in the social whirl.

A young man may find himself sitting in the dorm on a Friday night waiting for a special phone call. Likewise, a woman may find it difficult to summon enough courage to ask a man for a date, or she may have to face the ego-deflating refusal. Twirp Week should prove an interesting experiment in the art of dating.

In the past Twirp Week was merely a title tacked on a week of fall quarter. A general lack of enthusiasm from the student body offered no significance to the week. This year the activity filled week has been carefully planned by Student Congress. It was felt that organized activities would make it easier for students to accept the reversal of social roles.

WOMANLESS WEDDING

The agenda for the week includes a hootenanny, "A Womanless Wedding," Sadie Hawkins Day, a free movie, and two dances. Of special interest is the activity day sponsored by Sigma Pi social fraternity. This will be the climax of the week when women may purchase fraternity pledges at a slave auction, wrap men in tissue paper to resemble mummies, or swing a sledge hammer into a car. Men will delight in chasing a greased pig and climbing a slick pole in quest of a dainty prize.

AWARDS

Dress for this occasion will be formal "grub" attire. Rumor has it that women will wear cleated track shoes rather than the more conventional casual shoes. Combat boots are also permissible. Men will wear clothes to display the muscles earned from sloppin' hogs and milkin' cows. Sweetheart Circle will be alive with Daisy Maes and Little Abners. The Hortense Hogpen and Hiram Hayseed awards will be given to the best-dressed Twirpers of the season.

ENTHUSIASM

With the cooperation of several campus organizations, Student Congress has done an excellent job in formulating and executing the plans for Twirp Week. They should be commended not only by thanks, but by obtaining the full support of the students. Fall quarter has lacked a major monotony breaking activity for some time. Homecoming week is the big "blow-out" of winter quarter, and Spring Swing is anxiously anticipated when the weather turns warm. We look forward to the time when Twirp Week will expand and become a student desired tradition.

THE George-Anne

The opinions expressed herein are those of the student writers and not necessarily those of the college administration or faculty. Published weekly during four academic quarters by and for the students of Georgia Southern College. Entered as second class matter at

Free Mexican Trip Offered To Students

Students interested in receiving a free, round trip from their home to Mexico and a complete scholarship to the University of Mexico or the University of Americas should see Mrs. Adyle Hudgins, director of student activities before Oct. 30.

The Cultural Association of the University of Mexico has selected this college for the contest-type examination for students. Five eventual winners will be given, among other prizes, free round-trip air-flight to Mexico.

Students under 21 must have written permission from one of their parents or guardians. Personal expenses are the responsibility of the student.

A list of ten questions concerning the history of Mexico must be answered.

Judging will be based on the answers.

Love Links

Jan Durden, of Savannah, is engaged to Van Reynolds, a senior psychology major from Savannah. The wedding is planned for March 17.

Miriam Lennox, Junior English major from Warner Robins, is engaged to John McCormack, a graduate student in chemistry at the University of Georgia; he is from Statesboro.

Kay Carter, freshman from Statesboro, is engaged to Rusty Wimberly, a senior from Brunswick. The wedding date is set for December 17.

Gail Fordham, a junior elementary education major from Rentz, is engaged to L. E. Farr, a junior education major from Cadwell.

Julie Johnson, a junior art major from Albany, is engaged to Leahman Stanley of Durham, North Carolina. The wedding will take place Dec. 29.

Terry Tillman, a junior Home Economics major from Coolidge, is engaged to Bob Bohman, a junior history major from Covington, Kentucky. The wedding is planned for June.

Charlene Warren, junior chemistry major from Metter, is engaged to Craig Marksen, a junior economics major from Macon.

Karen Jackson, a senior elementary education major from Savannah, is engaged to Jim Connelly, a senior math major from Rochester, New York. The wedding is planned for June.

Caroline Franklin, a soph. biology major from Statesboro, is engaged to Glenn Bray, a soph biology major from Statesboro. A summer wedding is planned.

DPA SWEETHEART

Dianne Cleveland, sophomore home economics major from Elberton has been chosen sweetheart of Delta Pi Alpha. This green-eyed beauty has brown hair and enjoys dancing and all specator sports. "When I graduate I would like to go to Europe. Just anywhere in Europe."

Inquiring Reporter

Why do girls on this campus have trouble getting dates?

Tim Peabody, Soph. Decatur, Ga. They are plastic.

Steve Hess, Jr., Cuyahoga Falls, Ohio. If the girls were more feminine and acted more like women, men would have more to look forward to.

Turk Johnson, Fr., Forsyth, Ga. Girls want the boys to pay for the dates all the time.

Mike Clark, Jr., N. C. The girls walk around with their noses stuck up in the air. Well, boys do it, too.

William Thompson, Fr., Sylvania. The girls are too skeptical.

Jimmy Maine, Jr., Warner Robins, Ga. Since girls travel in groups, boys are usually too embarrassed to ask them out in front of the others.

Tommy Adams, Sr., Augusta, Ga. Girls aren't forward enough.

Ralph Spence, Sr., Dublin, Ga. Because they don't ask me.

Thomas Morris, Sr., Adrian, Ga. Only 40% of the boys desire to have dates. Therefore the 40% ask the most attractive 40% of the girls, leaving the other 60% in the dorm studying.

Ronnie Tiller, Sr., Clinton, S. C. After you date a girl one time, she expects you to continually ask her out. Boys would rather have a variety.

David "Hunt" Fowler, Fr., -

Cedartown, Ga. Too many of them try to play with your mind.

Glenn Bray, soph. Statesboro, Ga. Three-fourths of the girls aren't attractive enough.

Billy Peel, Jr., Edison, Ga. They are too choosy.

Barry Brown, Jr., Portal, Ga. It's the boys' fault as much as the girls'.

David Lundin, Jr., Callahan, Fla. Lack of personality.

Larry Waters, Soph., Sylvania, Ga. Nine out of ten don't do anything for me and the ones that could won't.

College Abolishes Women's Curfews

Grinnel, Ia. (IP) . . . Grinnell College has abolished women's hours effective immediately.

President Glenn Leggett said the Board of Trustees approved the new policy in the belief "that any regulation of college women's hours, either by the college or by the individual, is a matter of security rather than morality and that reasonable security can be assured within the women's residences without the necessity of the college's 'Hours' system."

Dean of Women Alice O. Low said the decision was made after careful and lengthy discussion among individual students, the representatives of student government groups, the Faculty Committee on Student Affairs, and the student deans.

"The college is aware that significant changes have occurred over the years in attitudes and practices which affect the social regulations of women," Dean Low said. "These changes have been reflected in a gradual relaxation of the time limits which have been imposed on college women in their freedom to remain outside the college dormitories, and the hours imposed on most campuses today are far more liberal than they were only a decade ago." Dean Low added that it has been increasingly difficult to justify the regulation of women's hours since neither contemporary parental practices nor educational philosophy tends to support such regulation.

"The way a student uses his or her time clearly has an effect on the individual's academic success and social life, but

the relative effect varies greatly on individuals and at different times," Dean Low said.

"From an academic point of view, it seems likely that self-regulation, with its inherent necessity for the sometimes painful development of self-discipline and an increasingly intelligent sensitivity to priorities and proportion, has a firmer educational justification than a gradually relaxing system of arbitrary hours set by the college."

Dean Low said the self-regulation of women's hours will apply without regard to parental permission, adding the college is unwilling to continue to undertake regulation over and above that which parents are able to encourage.

"The responsibility must rest with the individual student and with her parents in their normal family relationship," she added.

Faculty Member To Attend Clinic

Mrs. Martha Haun, elementary guidance counselor for the School is attending the Gesell Institute of Child Development School Placement Workshop in New Haven, Connecticut this week, Oct. 16 through Oct. 27.

Two workshops are held each year at the Institute, enrolling 20 members. The purpose of the workshop is the training of the Developmental Guidance Examiners, which determines school readiness and grade placement.

PARADE NOTICE
 All organizations planning to enter a float in the 1967 Homecoming Parade are urged to begin preparations, according to Harold Hadden, parade chairman. The parade is again being sponsored by Sigma Pi fraternity, formerly Kappa Delta Chi.

Campus Colony Plans Hootenanny for Monday

Twirp Week will open with a Hootenanny sponsored by Campus Colony Monday, Oct. 23, at 8 p.m.
 Mike Brundage, Martha Carswel, and Charlotte Reams are among the persons who will entertain at the folk-singing bonfire.
 The site of the bonfire has not been determined; announcements will be posted at a later date.

United Christian Ministries Holds Faculty - Student Forum Series

The faculty-student forum marked the beginning of a scheduled series of such forums sponsored by the United Christian Ministries. The program was an exchange of ideas guided by the topics and questions chosen by the students present.
 Rev. Willis Moore, chairman of the United Ministries Council, opened the floor to questions with the statement of purpose, involving service to the campus as a whole.
 Topics included student apathy, student potential, honors programs, apathy on the part of the faculty and administration, and the obligations of the students to each other and the professors, as well as the obligations of the professors to the students.
 The main complaints of the faculty concerning students were in the areas of motivation, departmentation of knowledge and the inability to relate subjects within the different divisions, according to Dr. Barrow, new professor in the history department.
 The main complaints from students involved the procrastation of professors, apathy on the part of the administration and faculty, and the objection of some professors to receive honest criticism.
 In conclusion the group decided that students and faculty have an obligation to each other to learn to live with apathy and use understanding as a two-way street to bridge this gap of apathy.
 All students interested in airing other problems are encouraged to attend the next forum to be announced at a later date.

APO
 Alpha Phi Omega fraternity has contracts for the Shirelles in concert for Thursday night, Nov. 2 - from 8 to 10, Hanner Gym.

Dance Features "Sons of Bach" For Twirp Week

Gamma Sigma Upsilon will sponsor a dance Saturday, Oct. 28, from 8-12 at the Armory featuring "The Sons of Bach." Admission is \$1.25 in advance and \$1.50 at the door. A package deal is offered for the Phi Mu Alpha dance Friday, Oct. 27, and the Gamma Sigma Upsilon dance Saturday. Both tickets can be purchased for \$2.50.
 This dance is one of the activities for Twirp Week Oct. 23-28.
 I.D.'s must be shown at these dances.

The Looking Glass

By JANET HENRIKSEN
 "The fool hath said in his heart, there is no God. Corrupt are they and have done abominable iniquity; there is none that doeth good. God looked down from heaven upon the children of men, to see if there were any that did understand, that did seek God. Everyone of them is gone back: they are altogether become filthy; there is none that doeth good, no, not one."
 Psalms 53:1-3
 When we see ourselves in this state, then only can we realize the purpose of the life and death of Christ. Why did Christ come to earth?
 "This is a faithful saying, and worthy of all acceptance, that Christ Jesus came into the world to save sinners."
 I Tim. 1:15
 One of the White House guards had lost his life in attempting successfully to save the life of the president. Public sentiment rallied and a collection was made for the orphaned children. Commenting on the sponsors of the project someone wrote: "This is a very worthy project, but the part that really attracted my attention was the paragraph in which the president is quoted as saying, 'You can't imagine just how it feels when someone else dies for you.'"
 —Selected

For me, Lord Jesus, Thou hast died,
 And I have died in Thee;
 Thou'rt risen, my bands are all untied,
 And now Thou livest in me.
 The Father's face of radiant grace,
 Shines new in light on me.

The Air Force doesn't want to waste your Bachelor of Science Degree any more than you do.

B. Sc. Those letters have an impressive sound.
 But they won't be so impressive if you get shunted off into some obscure corner of industry after you leave college. A forgotten man.
 You want activity. You want to get in there and show your stuff.
 All right. How do you propose to do it?
 If you join the United States Air Force you'll become an expert fast.
 The Air Force is like that. They hand you a lot of responsibility fast. Through Officer Training School you get a chance to specialize where you want... in the forefront of modern science and technology.
 Suppose, for example, you wanted to become a pilot and serve as aircraft commander on airplane crews. You'd plan missions and insure that the aircraft is pre-flight-ed, inspected, loaded and equipped for the assigned mission. You'll be trained to fly exciting aircraft.
 Just examples. There are so many more.
 Wouldn't it be pretty nice to enjoy officers' pay and privileges? And serve your country, as well? Also, you get retirement benefits, 30 days' paid vacation, medical and dental care.
 B. Sc. Very impressive letters. Now, do something with them.

Religious Group Sets Convention For Oct. 27-29

The annual State Baptist Student Convention is scheduled for Oct. 27-29 at the Rock Eagle 4-H Camp, Eatonton. The theme for the weekend is "Unto The Least Of These".

Featured speakers will include Dr. William Pinson, teacher of Christian Ethics at Southwestern Seminary, Dr. Joe Dick Estes, of the Home Missions Board, John V. Norwood, US-2 volunteer to Montana, Annice Whately, missionary journeyman to Ajloun, Jordan, and Dr. Paul C. McCommon, Secretary of the Department of Church Music, will be in charge of the music. David G. Parker, a senior English major from Millen, will be presiding as state president.

Also featured at the convention will be summer missions opportunities for 1968 and applications for summer missions 1968 will be available.

Two to Attend WSGA Meeting

Judy Jones and Linda Hiers will represent the college at the Women's Student Government Association Conference to be held Oct. 25-26 at the University of Georgia in Athens.

Judy Jones is president of Lynn Hall house council and Linda Hiers serves as the vice-president of Olliff Hall house council. Both women presently serve on the college WSGA Steering Committee.

The Women's Student Government Association Conference is being held in conjunction with the annual meeting of the Georgia Association of Women Deans and Counselors. This organization will have several joint sessions with the GAWDC plus special student government discussions.

Southern Belle

This week's Southern Belle, Cheryl Studstill, hails from Jesup, Ga. She is a freshman Art major who "digs" psychedelic posters, loves the Hippies, and is mad about yellow. What more need be said? She was the choice of the editorial board.

Four Teams Still Unbeaten In Intramural Football Play

By MIKE CLARK
G-A Sports Writer

The intramural football season has only a few days left and both the American and National League races for first place should go right down to the final game.

Defense has been the key factor in the National League while offense is the key in the American League. The biggest point spread in the National League has been three touchdowns, while one American League team has won by ten touchdowns, and another by nine.

CLEAN HITTING

The games have seen some hard, but clean, hitting action. One of the hardest played games was on Oct. 3, with Delta Pi Alpha and Sigma Epsilon Chi meeting head-on. They deadlocked at 6-6. In the American League, the underdog Hawks threw a scare into the top place Rebels before losing, 13-7.

Runaway games have been rare this season with only the Unknowns burying the Falcons 54-0 and the Rhodents winning by forfeit at the end of the third quarter by a score of 65-0.

NATIONAL LEAGUE

Moving to the National League, Phi Epsilon Kappa edged Sanford Hall last Thursday and Sigma Epsilon Chi remained undefeated by blanking Dorman Hall, 18-0.

The torrid intramural action continued last Tuesday. DPA won its second straight, rolling over Sanford Hall 20-0. The other gridiron battle saw the Unknowns shut-out the Hawks 38-0.

Only three teams remain undefeated and untied. The Rebels, the Rhodents, and APO each have 2-0 records. Two other teams are also undefeated, but have one tie to spoil their bid for a perfect record. DPA and Sigma Epsilon Chi have 2-0-1 records.

All football contests that are mailed should be mailed to Box 2047-GSC. Contest winners will appear on the back page of the George-Anne. All contest winners are asked to stop by the George-Anne office in Room 107 of the Frank I. Williams Center to receive their money.

OFF THE KING'S CUFF

By TOM KING, George-Anne Sports Editor

Baseball — '67

The GSC baseball team of 1967 possessed an attribute that is commendable to any athletic team. It could be considered a necessity, but the GSC players considered it a pleasure.

Many athletes and coaches alike talk of this quality that marks a truly winning ball club. A team laden with talent may be a good team, but not necessarily a winner. The 1967 ball club had one characteristic that distinguished it from the teams of the past—a strong desire to win. Why the 1967 club? Only one answer is acceptable or should we say correct—Coach Bill Spieth.

Spieth

In 1966 the Eagles comprised a 19-11 won-loss record. Compare the '66 season with the '67 season and draw your own conclusions. That year, 1966, the Eagles were loaded with talent, to say the least. Such boys as Jackie Hammond, Rick Ward, Leahman Stanley, and a very surprising freshman, Ken

Somebody-or-other were the nuclei of the team. The pitching staff was also strong with such hurlers as Larry Groce, Jerry Stevens, Jimmy Dobson, Allen Simmons, who always got by somehow or other, and a Super-Jew from Cincy named Nevin. The talent was there, as one player remarked, but no desire to win.

There was no Spieth of '67 that season, although Nevin won all six games he pitched and that Cocky Polock broke the GSC home run record. "There was no drive to win because there was no concern," said one individual. Some say the coaching was no-existent --was it?

Not in 1967 anyway. Bill Spieth was coach, and as one ballplayer so vividly expressed: "Coach Bill Spieth knew his ballplayers and treated them as men." One ballplayer said it was a pleasure to get up in the morning and know that you were going to play for such a man as Bill Spieth.

"100 Percent"

This man did not demand respect. He just got it --along with effort on the part of "his" ballplayers. Practices prior to the 1967 season were scenes of hard work with life and vitality in the air. An observer would quickly notice the "Let's give 100 percent" attitude exhibited by every ballplayer on the field.

The record of the 1967 team speaks for itself and for the boys who made it. Placing fifth in the nation is no easy task. The playoffs against West Georgia were rough. Three games in one day is rough on any team.

Coach Spieth and "his men" took it in stride. Playing ball was their job and play ball they did. A strong desire to win was noticeably present during the playoffs. It was there--Coach Bill Spieth put it there--this desire to win.

Spirit Of '67

The Spirit of '67, Coach Spieth, will be back this year as assistant coach. Can the Eagles repeat and surpass last year's record or will they become mediocre? As one player noted: "If we see a pacing coach within the third base dugout, everything is all right."

We thank you Coach Bill Spieth for the success of the 1967 club. The desire to win was there because "The Spirit of '67" was coaching--Bill Spieth.

Behind Locked Doors

Bobbe and Brown Set to Tackle Tough, Blistering Practices

By DAN STILES
Assistant Sports Editor

Somewhere there are the sounds of scuffling feet on hardwood the resounding hollow echoes of bouncing balls, and som breathless athletes with faces dripping with sweat, but only the old, silent gym is aware of this.

Official basketball practice has opened and with it has brought the locking of the gym doors to the world outside. For us on the outside, it matters little if the players run on fatigued legs or find it hard to slow their heartbeats down for a minute, or slide their knees raw after a loose ball. What does matter to us is the first tip-off of the first game. Then we become concerned.

MAKE IT FAST

For those sacrificing athletes behind locked doors, basketball is satisfying. They want to satisfy themselves and also the spectators. For example, take lightning-fast Eugene Brown, a 5-11, 168 lb. guard from Savannah, Ga. He believes in making the game interesting for the spectator.

"I love a fast-breaking game. I think that it brings the most effort out of a ball player. I think the game is more exciting for the spectator and players when it is fast," Brown reasoned.

And speaking of fast - Brown who runs the 100 yd. dash in 10.2, depends on his speed and maneuverability to overshadow his opponents. He graduated from a Beach High school team that lost only one season game and went on to an easy Triple A State Championship victory. He attended summer school here at Southern but found time to play in the traditionally - popular North - South All - Star Game in August, and led his team with 20 points to slip by the North 96-91.

Despite his speed, a few things worry him about his game.

"I don't play real good defense, and my lack of experience may slow me down," he said shaking his head.

When Brown is not busy working with basketball, his attention turns to other things.

"My favorite pasttime? Hummm. Girls and listening to music," he smiled.

For those satisfying athletes behind locked doors - as it was already said - basketball is satisfying. Take Charlie Bobbe, a 6-3, 190 lb. forward from Vincennes, Ind.

NO. 1 SPORT

"I'm really looking forward to the coming season. I guess because basketball has always been the No. 1 sport in my life, I'm really anxious to get back in training," Bobbe commented.

He takes pleasure from just being associated with "such a great group of boys," and starting his second year as an Eagle basketball player.

"What type of game do I like best? Well, I like a slow, deliberate game, but I think that a team must be ready to change from this to a fast-

breaking game - depending on the opponent and the situation that comes up, Bobbe replied.

Bobbe, who looks more like a football player than a basketball player, was an all-round athlete in high school - earning 11 letters and being voted MVP of his basketball team. He averaged 16 points and 18 rebounds over a 4-year period before coming to Southern last year to lend his talents to the Baby Eagles.

Bobbe is also interested in pleasing the spectators, and he thinks that the dunk shot shouldn't have been outlawed in college ball.

"There just aren't that many dunk shots in an average game," he remarked.

One of his most interesting experiences in basketball came during the past summer when he met and played basketball with Rick Barry - leading scorer in the National Basketball Association, last season.

TRAVELING MAN

When Bobbe's mind isn't on basketball or he isn't engaged in a daily practice, his thoughts turn to other things. He's a traveling man."

"What's my favorite pasttime? I think maybe just meeting people and traveling," he concluded.

Basketball is satisfying for these players, but not for us spectators. Not yet anyway. We'll be waiting to see those gym doors unlocked and the first game against Northwestern Louisiana start.

Coach Radovich

S P O R T S

Girls Are Out For Speedball

The Women's Intramurals Association's speedball tournament is underway with two games every afternoon, Monday through Thursday from 5:30 - 6:30, according to Miss Janet Henriksen, WIA co-chairman.

Miss Henriksen commented that "the teams were looking very good." Some of the new teams, those with mainly inexperienced girls, have had to work harder on setting up various plays, but they continue to give the more experienced ones plenty of competition.

"I've been surprised that we've had from forty to sixty girls out here every night; the interest has been excellent this year," Miss Henriksen said. Miss Evelyn Strickland, WIA co-chairman, commented that "there have been no serious injuries thus far, just the usual scrapes and bruises."

Yeller's Tryout Begins Monday

Cheerleading practices start Monday, Oct. 23, at 4:30 p.m. in the old Music Building with practice sessions meeting for two hours the first two days, according to Miss Janie Dodson, squad adviser.

Approximately one-half of last year's cheerleaders are returning but Miss Dodson stressed that the tryouts are going to be completely open to anyone. "Nobody will have an advantage over anyone else," she explained.

Boy cheerleaders were inaugurated last year and added a "Big-Ten" look to the GSC squad. This year Miss Dodson wants to have boys on the freshman cheerleading team as well as the varsity squad.

"Anybody who wants a position badly enough to work for it has a very good chance of making the squad," Miss Dodson added.

Gymnastics Team Is Strong

Three Seniors, Three Sophs Return to Bolster 1968 Team

By TOM KING
G-A Sports Editor

"We have a young team this year in comparison with last year's squad and the team will be as good as the boys want to make it," said gymnastics Coach Ron Oertley, who is in his third year at the helm.

Three seniors, three sophomores, and three freshmen form the 1967-68 edition of the GSC squad. The three seniors will be in their third year of gymnastics at Southern while the sophomores will return for their second season. The Eagles posted a 5-4 record last season.

According to Oertley, the team is progressing faster at this time of year than in the three years he has been here. "We are performing routines of greater degrees of difficulty earlier than ever before. This is to our advantage," Oertley added.

Jimmy Kirkland, a physical education major from Glenville, is one of three seniors on the team. He is a two year letterman who placed 11th in the nationals last year in the long horse vault. "Jimmy has made good progress on the sidehorse, which is the hardest event in gymnastics. He has progressed quite well considering

his limited exposure to gymnastics," Oertley commented.

BURR-HEAD
Kirkland, or "Burr-Head" to his teammates, began his gym-

CHANDLER
On High Bar

CHARLES EUNICE
Is Free Exercise Man

DVORAK

nastics career at Southern during his sophomore year. He is a specialist on the long horse vault and assistant coach Hutch Dvorak referred to him as "one of the better vaulters around."

Danny Davis, senior industrial arts major from Orlando, Fla., is a three year man who is a trampoline artist. "Denny is working on other apparatus, but his primary concern is the trampoline," Oertley said. Davis, like Kirkland, had no high school experience in gymnastics.

Charles Eunice, the last of the seniors, is a business administration major from Waycross and is a free exercise specialist. Eunice finished eleventh in the NAIA nationals his junior year. According to Oertley, Eunice will work free exercise but will also work on the parrallel bars.

BARNETT

Gary Barnett, last year's leading scorer, is back for his second year as an Eagle gymnast. A physical education major from Atlanta, Barnett was the Eagle's all-around man last season. He will continue to work as the all-around man this year. "He is expected to strengthen his performances on the high bar, free exercise, still rings, and on the trampoline," Oertley said.

"He should improve his performances and strengthen his routines on the high bar this year." These were Oertley's words regarding sophomore high bar specialist Rodney Chandler. The second year man from Atlanta will also work the p-bars this season.

THE "STUD"

Danny Harrison will return as the still rings artist from last year. The "Stud" was second highest scorer last season and will work the p-bars, high bar, and the free exercise in addition to the rings. "Danny will be expected to strengthen his routines on the rings and on the p-bars," stated Oertley. Tony Blasko, freshman who hails from West Mifflin, Penn., will be the Eagles all-around

man this year. According to Oertley, Blasko shows tremendous potential as an all-around man because of his strength.

"I feel that he (Blasko) will be the best sidehorse man Southern has ever had." These words came from the best sidehorse man Southern has had to date, Charles Exley.

Billy Godwin, freshman from Atlanta, will work the trampoline and the free exercise. Some say he will take the place of Jon Peacock (GSC gymnast in 1964) or even go beyond Peacock. "He shows a great deal of potential in the trampoline and in the free exercise," Oertley added. He should. Godwin was the Georgia High School champion last year in the p-bars, free exercise, and the trampoline.

The last of the three freshmen is Tommy Nicolette. He calls Belle Vernon, Penn. his home and is a p-bar specialist. He will also work the high bar, still rings, and vaulting. "He shows us good promise and a good degree of difficulty on the apparatus," Oertley said.

"I'm not going to predict any record or say that we will go undefeated. I'm going to let them show us how good they are," he concluded.

GODWIN

Gymnastics Squad Has New Assistant Coach

By TOM KING
G-A Sports Editor

Hutch Dvorak, former gymnast from Southern Illinois University and graduate assistant in the physical education department, has been named assistant gymnastics coach, according to Coach Ron Oertley.

Dvorak, a native of Winchester, Ill., graduated from Southern Illinois University with a degree in physical education. He is working on his masters here and is presently teaching physical education at Marvin Pittman.

TRAMPOLINE ARTIST

Southern Illinois won the NCAA championships in 1965 and

'66. Dvorak was the trampoline artist on both teams and placed fifth in the nation in 1965 and tenth in 1966. "My junior year (1965) was my best. We had a strong team and I was real lucky. That '65 team was just unbelievable."

The 1963 Southern Illinois team won the national title, but Dvorak was ineligible due to

the NCAA ruling that no freshman can compete in varsity athletics. The 1964 squad placed third in the nation. Dvorak was a sophomore and the good years were in the future.

"Experience is the basic ingredient in gymnastics. You have to begin in high school in order to distinguish a good routine from a bad one," Dvorak commented. He should know.

He began his career in gymnastics as a freshman at Provisor High in Chicago and has since established himself as a gymnast of high caliber.

"I didn't really develop as a gymnast until my senior year and I'm glad I started as soon as I did," he added.

"GOOD YEAR"

According to Dvorak, the Southern squad should have a good year. "We will have good depth and be especially strong in free exercise, long horse vault, high bar, and p-bars. Our three new freshmen will help us a lot, along with the boys who are back from last year's team," he said.

TREMENDOUS ASSET

Coach Ron Oertley commented on Dvorak and said: "His presence here is a tremendous asset. The knowledge, experience, and acquaintances he has with the best gymnasts in the nation will have a great deal of carry over value to the GSC team."

Dvorak likes to win. He expects Georgia Southern to win. "We (Southern Illinois) never lost a duel meet the entire four years I was there. I don't expect these guys to lose—I never lost," he concluded.
