When I Must Leave You

*When I must leave you for a little while,
Please do not grieve and shed wild tears
And hug your sorrow to you through the years,
But start out bravely with a gallant smile;
And for my sake and in my name
Live on and do all things the same,
Feed not your loneliness on empty days,
But fill each waking hour in useful ways,
Reach out your hand in comfort and in cheer
And I in turn will comfort you and hold you near;
And never, never be afraid to die,
For I am waiting for you in the sky!*

*Perhaps you sent food or a spray
Or sat quietly in a chair
Perhaps you sent a card or gram
If so, it is here
Perhaps you spoke the kindest words
As any friend could say
Perhaps you were not there at all
Just thought of us today
Whatever you did to console our hearts
We thank you so much whatever your part.*
