"Hospitality Day Dinner"

The Statesboro Woman's Club and the Chamber of Commerce were hosts at a "Hospitality Dinner", Tuesday evening November 20, 1928. 7:30 P.M. Georgia Normal School.

The center of the tables were very artistically decorated with pumpkin baskets filled with Bulloch County fruits which corresponded with the lovely turkey dinner that was served, being prepared by Mrs. Fullerlove, the dietitian at Ga. Normal School.

Radio Broadcasting station operated by Pete Donaldson created much enjoyment throughout the meal especially when he announced that Col. Lindberg was on his way to attend the dinner.

A very interesting program was rendered as follows:

Invocation.

Round Table Self-Introduction with sentence response "What I like most about Statesboro".

Address of Welcome--Mrs. F. W.

Darby Jones,

Woman's Club

Response to address of Welcome

Mrs. J.C. Porritt, Shanghai, China.

Announcements--Adjournment.

Trustees of G.N.S. Have Meeting.

On last Wednesday morning we were greatly delighted to have with us most of the members of the board of Trustees.

Those that were here were:

Dr. John G. Kennedy--Savannah

Dr. W. D. Kennedy Metter.

Senator H.L. Howard Sylvania

Mr. Grover Brantley Lyons

Mr. I. S. Smith Pledge

Mr. J. D. Clark Darien
Mr. Charles W. Frazier-Hinesville
Mr. J. E. McCroan Statesboro
Senator Howell Cone Statesboro
Mr. S. W. Lewis Statesboro.

After chapel, a small reception was given for the Board and the teachers in the back of the auditorium.

We were glad to have them and hope that they will come back again soon.

Mr. Wells greeted many guests on last Wednesday but the greatest of these was his new daughter. The suggestion that she be named "George-Anne" certainly meets with our approval.

Mr. Falkner of the Association waging war on tuberculosis was an after dinner speaker on Tuesday. He gave to us interesting statistics on the ravages of tuberculosis and told us how that to a certain extent the Drs. had conquered it, but that for people our age between 15-30 they had not held it in check. So to aid in checking the spread of it he gave us several directory words, all beginning with the letter "D": Doctor, digestion, directions, diagnosis, Disposition, and discharge. The not only gave us statistics on tuberculosis but developed his talk by centering it about this quotation which he had heard years ago. "If your back is crooked, forget it, fill your chest and the crooked back will take care of itself".

Y.W.C.A. Tea Room.

Every week the Y.W.C.A. has charge of a tea room in the Y.W. room. On cold days one can get a nice hot drink of cocoa or coffee--Some kind of sandwiches are served.--Prices are reasonable. Boys are invited to come to the tea room also: They may use the entrance near the tennis court.

In words, as fashions, the same rule will hold,
Alike fantastic if too new
or old:

Be not the first by whom the new are tried,
Nor yet the last to lay the old aside.

Patriotism.

Are we a patriotic people? Are you a patriotic student? When we think to the wonderful opportunities we have day after day, chances to make us better men and women of to-morrow, better citizens, better patriots, boys and girls that will sooner or later take the places of older patriots, those who have been striving to keep the world a place loving tribe of people, better educated, less hardships, we feel that we should be true patriots.

Patriotism is a thing of beauty. Are we going to think of it in the narrower sense? If we do, it comes to mean my country against my state. The patriot is true to his course when though devoted love for his country, he learns to understand and honor the love of other races for theirs. The same can be applied to our school spirit in our team work and many other things! Be loyal, be a booster, but be a true and understanding one. #

Can we be as loyal as we should to our patriotic dead and never visit the great remindful monuments? In Georgia, our native state, the rivers and hills now inhabited by an intelligent race, once a natural unsettled boundary save what the Indians had seen fit to mark for their bare habitation, Oglethorpe came sailing up the Savannah river and with his group of eager men seeking freedom. This they found when the great old Indian Chief said, "Welcome". As they came ashore, that freedom still existed even though these first patriots of Georgia struggled, fought and won and died here that it may exist. For this reason, if for no other, visit the spots and monuments where some of our great heroes have fought, won, or lost, victories and now lie dead.

When we think of the hardships our forefathers had to live through that our nation might be a nation of united friends
(continued column 2)

Beauty

Ah, beauty, beauty, what are you
To cause my heart this pain,
What am I seeking for
And thirsting for again?
What unseen power dries within
The spell of twinkling stars?
What force is clutching, smothering
My heart in prison bard?

What presence calls my soul to-night
To wonder far from me
Out where the world in silence sleeps
And flickering shadows flee?
Ah, beauty, take what form you may,
A flower, moon, or clod,
Clothe yourself in mystery
You're still akin to God.

Patriotism (Continued)

it should stir the feelings of any American boy or girl to be able to look out every morning and see the great flag of three significant colors and know that it shall ever wave "over the land of the free and home of the brave." It should stir us to continue to be a true patriot.

Mrs. Miller Visits G.N.S.

A most interesting talk was given us Monday morning by Mrs. Joe Dan Miller, the President of the Parent Teacher Association of Georgia.

She spoke to us in the ways that the P.T.A. helps the new teacher, such as getting them a comfortable, boarding house, and cooperating with the teacher in every way.

Everyone appreciated this talk very much.

Party for Football Boys.

On Monday night at six thirty in the old auditorium a reception was given in honor of the Norman Park team and Georgia Normal Team.

Many interesting games were played such as crossed questions and cross answer. The partners for proms were found by matching names of snags. After an hour of fun the usual "Good night" was heard. Delightful
