To Those I Love . .

To those I love and those that love me,
When I am gone, release me, let me go.
I have so many things to see and do
You mustn't tie yourself to me with tears.

Be happy that we had so many years
I gave you my love, you can only guess
How much you gave me in happiness
I thank you for the love you each have shown.

But now it's time I travel alone
So grieve for a while for me if you must
Then let your grief be comforted by trust
It's only for a while that we must part.

So bless the memories with in your heart
I won't be far away, for life goes on.

So if you need me, call and I will come
Though you can't see me or touch me,
I'll be near, and if you listen with
Your heart you'll hear.

All my love around you so soft and clear
And then, when you must come this way
alone I'll greet you with a smile and say
"Welcome Home."
