SPRINGTIME IS HERE
BY
GUY H. WELLS.

No one loves Springtime any more than I do. It is the time about which poets sing most. It is the time when the birds return to sing and mate anew. It is a time when

"Earth's crammed with heaven
And every common bush afire
with God;
And only he who sees takes off
his shoes;
The rest sit around it and
pluck blackberries."

Elizabeth Barret

Browning.

But what should springtime mean to us as students? It means a new opportunity to make good. It means a new season in which to enjoy Nature and to grow anew.

The College has a course in Nature Study to help students enjoy and interpret life more fully. The campus has been made beautiful to please the eye and heart of those who love beauty and wish to become in thought and deed like the environment.

We have something even better than this. We have secured Dr. John E. White of the First Baptist Church of Savannah to interpret God to us in terms of spiritual values. He is spending a few days with us this week, and is taking the Chapel exercise to talk to us. It is the earnest hope that every student will respond to the finest things that are in the college environment. Make the most of Springtime.

COBBLE STONE PATHWAY

Mr. Wells is continually working on new ideas concerning the welfare of the school. The campus is being made beautiful. One of the added features of the campus within the last week are the cobble stone walks. Those walks are laid from the boys dormitory to the walk and from the dining hall and girls dormitory to the administration building.

DR. WHITE ADDRESSES STUDENT
BODY THIS WEEK.

The Students of the South Georgia Teachers College are delighted to have as their distinguished guest this week, Dr. John E. White, pastor of First Baptist Church in Savannah. Each morning at the chapel hour he brings to us an inspirational address. He began the series of addresses, by taking as his text, "A merry heart doeth good, like a medicine." This was a fine introductory speech to those that have followed. Tuesday his text was, "Simon, I have something to say to you." Up to the day of this publication his last subject has been, "Whatsoever Jesus saith to you, do it." We await with great anticipation the remaining addresses to be made by Dr. White.

MARCH! RESOLUTIONS!

Monday afternoon at four o'clock
The George Anne Staff did meet
With just reproof we were told
To go forth and retreat.

One afternoon and night of grace
We were given for deep thought;
After chapel we were to meet
And note the changes wrought.

We met and gave our answer
With resolve the foremost trait
To redeem ourselves and prove
our worth
By not letting this paper wait.

Dora Smith.

OUR CRY BEFORE EXAMS

Lord God of Host be with us yet,
Lest we forget, Lest we forget.

OUR CRY AFTER EXAMS

Lord God of Host was with us not,
For we forgot, For we forgot.

Telmico-"Oh, you big, handsome
brute."

Ewell-"Now, you know I'm no brute"

Self-Mastery.

1. I will therefore control my tongue and will not allow it to use mean, indecent or profane language.
2. I will control my temper and will not lose it when people or circumstances displease me.
3. I will control my impulses and appetites and will not permit them to defeat my purposes and highest interests.

Self-Reliance.

1. While eager to get the advice of those older and wiser than myself, I will do my own thinking, make my own choices, bear my own burdens.
2. I will not be afraid of ridicule, nor will I be afraid to do right, though I have to stand alone.

Self-Improvement.

1. I will therefore avoid those habits which would injure me, and I will form and never break those habits by which I can make the most of myself.
2. I will keep my body and my mind clean and my person sacred.
3. By proper food, sleep and exercise, I will try to gain and keep perfect health.
4. I will get the best possible education, learning all I can from those who have made the most of themselves and have done the most for their Country and her cause.

Law of Reliability.

1. Therefore neither by word nor deed will I lie, nor will I withhold the truth from those who have a right to it.
2. I will not do wrong in the hope of concealment. I cannot hide the wrong from myself and can seldom hide it permanently from others.
3. I will not take without permission what does not belong to me.
4. Neither pleasure nor comfort nor convenience shall prevent me from fulfilling my obligations. If by mistake I have made a wrong promise, I will seek immediately to confess my mistake and I will try to make good any harm which my mistake may have caused.
5. I will so speak and act that all whom I influence will find it easier to trust each other,

LIVES OF GREAT MEN

Lives of great men all remind us
We can make our lives sublime,
And, departing, leave behind us
Footprints on the sand of time."
Longfellow.

A great deal can be gained from reading biographies. We cannot tell just how men succeed, but we can learn a great deal about the will power and the determination that made them succeed if we read well written and intelligent stories of their lives. We will find in every case that people who have become great by their own efforts have had an overshadowing determination, and a great ability to keep working in the face of discouragement. There is no one who can accomplish anything without toiling with the brain and sometimes with the hands. The story of all great painters through long years. The way Keats, gifted as he was, did his work, ought to be read by every one who wants to write. Neither writing or painting, though both require a special talent, can be done without a tremendous amount of effort and determination.

The stories of all great men of the world are interesting, and they are a part of history. Today biographies are plentiful, and in most cases extremely well done. Read novels, if you will, even, those which merely while away the time, but intersperse them with biographies and both will assuredly help you.
