HIGH SCHOOL PRESENTS PLAY.

One of the cleverest and most unique chapel programs that the student body and faculty have enjoyed this school term was that presented by the High School Friday morning.

Peggy Ruth Gibson gave the devotional after which the play entitled "Dr. Dobb's Assistant", was presented. Those taking part in the program were, Harold Thompson, Ewell Alexander, Orville Stanley, B. B. Newton, Fritz Jones, and Peyton Martin.

MISS NEWTON TO SPEAK AT G. E. A.

One of our Faculty members, Miss Newton, has been called upon to speak at the Georgia Education-
a; Association which will be held in Macon Thursday and Friday of this week. Miss Newton will take as her subject "Vitalizing the Social Studies."

It is a pleasure for us to learn of the honor bestowed upon the school by having this instructor participate in a state meeting for teachers.

THE VARSITY CLUB HAS PICNIC

The Varsity Club held its long-planned picnic on Saturday Afternoon, April 12. Each member invited a girl and Coach Smith and Miss Marion Cooper were the chaperones, also Miss Malvina Trussell. The picnic was on the nature of a fish fry and it is said that Fritz Jones will be a good "catch" for a lazy cook. Games were played spiced with much fun and laughter. At about ten o'clock the picnickers returned to the college.

What one has wished for in youth, in old age one has in abundance.----Goethe.

THE BACHELORS CLUB

The Bachelors Club since its ~~organization~~ organization has been making wonderful progress.

Miss Wood, the sponsor gives to the Club her wonderful suggestions and high ideals.

There are nineteen boys in the Club and each of them enter whole heartedly into all the activities. The club is noted for its variety of programs and refreshments.

FRESHMEN CHAMPION VOLLEY BALL PLAYERS.

The Freshmen won the final volley ball game Tuesday afternoon. They won two 21 point games over the sophmores. Thus far the Freshmen have been the winners of every contesting game.

Man-like is it to fall into sin,
Fiend-like it is to dwell therein,
Christ-like is it for sin to grieve.
God-like is it all sin to leave.

Miss Newton: "What did Louis XIV do for amusement?"
Grace T.: "He went to the picture show."

SUNDAY SCHOOL PICNIC

The members of the Methodist Sunday School had a delightful time at the Boy Scout Camp Friday afternoon on their picnic. Others who joined their fun were Mr. & Mrs. Henderson, Mrs. Perry, Miss Simpson, Miss Stubbs, and Miss Wood.

Many outdoor games were enjoyed, after which fish, corn dodgers, pickles, and coffee were served.

T. C. PARTY

Mrs. Homer Simmons with the assistance of Mrs. Frank Simmons and Mrs. Jim Brannen served a delicious three course dinner on Thursday night, April the tenth to the members of the Taurus Club.

The house was beautifully decorated throughout with pink rosebuds and ferns.

Those present were Misses Emily Simpson, Evalyn Simmons, Evelyn Oliff, Jane Watson, Vivian Donaldson, Hazel Deal, Frances Coleman, Harriet Roberts, Sara Katherine Cone, Dora Smith, Huldah Cail, Lucile Suddath and Mary Groover.

VOLLEY BALL TOURNAMENT

The Sophomore-High School volley ball game was played as second game of the tournament Monday afternoon. The Sophomores won two 21 point games on a margin of 21-3 and 21-8. The Freshman team is to play the Sophomores for championship at an early date.

DEAN SPEAKS ON THE VALUE OF EDUCATION.

On Monday Mr. Henderson gave us a chapel talk on the value of an education. Not only did he discuss the theory side of the topic but gave us some statistical and practical values. That is, he gave the dollar and cent value of grammar school, high school, and college education.

For our immediate interest, we should especially keep in mind the statistics of college graduates. Out of every hundred students of United States who finish high school, two finish college, of every hundred high school students of Georgia only one finishes college. The average salary of a United States high school graduate is \$1800 per year, or \$78,000 in an average life time. The average salary of a college graduate is \$3924 per year or \$150,000 in an average life time. Thus a four year course in college is valued at \$72,000. However, it is up to us to make it worth face value. Are we?

USE OF THE LIBRARY

The library is a most important factor in any college. It offers a wealth of material for the student's pleasure and profit. There are newspapers to bring in the daily happenings from all over the world; there are reference books, magazines containing the best thought of the foremost men and women of the country, works of fiction and the classical literature that has come down through the years as a precious heritage of the race. All this information and wisdom may be had for the reading. Through books students may be instructed by the master teachers and leaders of all the world and profit by their sayings.

"Reading", says Addison, "is to the mind what exercise is to the body. As by one health is preserved strengthened and invigorated, by the other virtue is kept alive, cherished and confirmed." Henry Ward Beecher likened books to windows of the soul through which the mind looks out. Without books not only would schools, colleges and universities disappear but everything which we call culture would lapse into barbarism." What is true of society is true of the individual and he who does not read soon finds himself to be out of touch with the world and lacking sympathy with the social, political, and scientific movements of his time. The student who spends an hour or two each day in the library in systematic reading will find himself rewarded for his labor many times over.

I would that you were less beautiful, or less corrupt. Such perfection does not suit such imperfect morals.-----
Ovid.

DEDICATION

In view of the fact that our President is away and doing creditable work at Peabody College, the George-Anne Staff thinks it fitting and proper to dedicate this issue to him to show its appreciation. He is widely known throughout several states and has perhaps done more toward furthering this school than any other person connected with it. His spirit of friendliness and good cheer is so evident that it permeates the lives of all with whom he comes in contact.

It is because of this interest that we hold in regard to Pres. Guy H. Wells that we wish to give him due recognition in the college paper.

NEW BUILDING GOING UP ON CAMPUS OF S. G. T. C.

The new building on the campus is going up very fast and it shows that there is an increase of enrollment.

The building when finished will be very attractive and will add to the looks of that section of the campus. It is hoped it will be completed by the short ~~to~~ spring term as Mr. Wells expects to accommodate about fifty girls. Owing to the fact that it will have all conveniences and is just a few yards from the dining hall and administration building it should be a very desirable dormitory. The future looks bright for the growth of S. G. T. C. from the plans that have been forecast.

WHAT IS YOUR PERCENTAGE?

ARITHMETIC LESSON.

He's teaching her arithmetic
Because that is his mission,
He kissed her once, he kissed
her twice and said,
Now, that's addition.

And as he added smack by smack
In silence satisfaction,
She sweetly gave his kisses
back,
And said, now that is subtraction.

Then he kissed her, and she kissed
him,
Without any explanation
They both together smiled and
said,
Now that's multiplication.

But Dad appeared upon the scene,
And made a quick decision,
He kicked the lad three blocks
away, and said,
Now that's DIVISION.

Miss Newton-"What kind of a man was Louis XIV?"

Foots-"Lazy, cause he had his stockings sewed on to his breeches."

Kathleen Daughtry, Marie Hendrix, Mildred Jones, Earl Spell and Jessie Worack spent the week end with Bertha Lee Brunson, at her home near Register.
