GEORGIA GLEE CLUB STAGES ENTERTAINMENT.

The members of the Georgia Glee Club delighted the public Wednesday night, April 23, by their performance in the college auditorium. The program consisted of the "1930 Varieties" with amusing and serious numbers. Mr. Hugh Hodgson, director of the club, rendered many beautiful piano classical selections. The instrumental orchestra led by Frank Spavo, played a great part in developing the other side of the program. Of great interest to the people of Statesboro was the return of Prince and Montgomery Preston, Prince being the President of the club. Last but not least, the two comedians should be given a place in recording the success of the entertainment.

DR. GILLAM TALKS IN CHAPEL

Thursday Morning, April 24th, the students and Faculty of S. G. T. C. were delighted to have as the morning's speaker Dr. Ralph Gillam, world known evangelist, who is conducting services at the Presbyterian Church in town. His subject for the morning was "Youth" and all the fiery ardor of his years seemed to be centered in this talk.

DEBATE BETWEEN THE SOCIETIES

Monday night, April 28, marked an epochal event in the existence of the Literary Societies of S. G. T. C. The debate, "Resolve that the United States should cease to protect capital invested in foreign countries by armed force unless war is declared", created much interest and rivalry between the two societies. The debaters, Vera McElveen and Leonard Powell, from the Stephens, and, Lillian Rocker and Walton Usher, from the Oglethorpes, put their whole souls into making it a success. Every debater did well his or her part, but the decision fell to the Oglethorpes.

GEORGIA HISTORY CLASS VISITS MIDWAY.

The Georgia History class through the courtesy of the citizens of Statesboro went on a field trip. Saturday April 26. to the Tercentenary Celebration of the three hundredth anniversary of the landing of the Puritans, celebrated at Midway.

Midway congregational church was erected in 1792. It was organized in 1754 by the descendants of an English colony which came first to Massachusetts in 1630, becoming dissatisfied they came down to Connecticut in 1635. They were not satisfied here and came to South Carolina in 1695, and in 1752 they came to Georgia and settled at Midway. The present church was built on the same spot as the church was ~~built~~ burned by the British in 1778.

This settlement was composed of our most cultured and refined people. Midway church has given to her country eighty six ministers of the gospel and seven foreign missionaries.

Among the important people the Georgia History Class found buried in the Historical old graveyard were: The LeCaonte family, James McKay McIntosh,

WELCOME NEW STUDENTS

We are glad to note that we have a large number of new students for the short spring term. We hope that the old students are getting acquainted with them and are making them welcome. and It is our duty to make them feel welcome and not take a dislike for the school.

There are many things that we can do to make them feel welcome. Just a smile and a cheerful hello will help to let them know that they are really wanted and welcome in the college. Talk to the new students; get acquainted with them; it will help them very much. In making others happy we are happy ourselves; and in making new students feel welcome, we are winning new friends both for ourselves and the school. Then when students leave here and go to other places, they will feel like singing praises to South Georgia Teachers College and its spirit of friendliness.

ASA WALL

We are glad to note that Asa Wall, a graduate of the 1927 high school class of this school, has signed a contract to play baseball with Buffalo in the International League. He went from here to Oglethorpe and has played three years there. Wall is not only a heavy hitter; but also a star fielder and a very serviceable pitcher. He was the heaviest hitter of the Oglethorpe nine and has recently set a local record and tied a world's record by hitting two home runs in a single inning against Lindale. We hope that he will continue to rise in his baseball career.
