GEORGE ANNIE.

SOUTH GEORGIA TEACHERS COLLEGE

Vol. IV. No. 25

COLLEGEBORO, GA.

June 20, 1930

1930 SUMMER SESSION

Largest in History

The largest summer session in the history of the college is completing its second week tomorrow. Everything has been completely organized around the 589 students and 45 faculty members and the end of this week finds everything in its place and running fine.

The first registration on last Monday week proved to be a pleasant surprise to those in charge of registration and as many registered the first day as did on Tuesday. There are 105 men registered and 423 women registered making a total of 528 doing college and high school work with 61 in the Training School. The faculty numbers 45 the largest in the history of the college. Though the classes and dormitories are a bit crowded everyone has been comfortably cared for and this season should be South Georgia Teachers College's most successful and largest, not only in numbers but many other ways. The curriculum is the largest yet offered by the college, there being over one hundred college courses besides the high school subjects. Stress has been placed upon physical education and there are six instructors in this department.

The crowded condition on the campus evidences the fact that the college needs more dormitory and classroom space. The dormitories are only able to take care of something over 300 folks and they are crowded three and four to a room. The dining room can crowd in as many as three hundred. This means that over two hundred students do not stay on the campus. A large number of these are Statesboro folks, and others who come from their homes each day. There is also a large number of students rooming and boarding in Andersonville and Statesboro.

The College polishes-----perhaps; but what does it polish. It can only polish what the individual brings with him.

I wish I could recollect my childhood. I should so like to know if children are as stupid as they can look. (Jerome Jerome)

WHAT THE COLLEGE IS TRYING TO DO FOR YOU

(President Wells)

The college has made very definite plans to help you make this the best summer school in the history of the institution.

We have tried to put the entire plant in the very best condition possible. We have put electric fans in the Library, the Dining Room and some of the classrooms. The Auditorium has been made more serviceable by arranging a lounging room or lobby for conferences in the back. Several Radio-Victrolas have been placed in the different buildings to give pleasure to the students. Two picture shows a week have been scheduled for those who wish to attend.

We have the largest faculty we have ever had. This is composed of a number of our regular teachers and in addition to these we have a number of outstanding teachers from other states. We have a number of specialists in the department of physical education and health, music, and art. Everyone should be able to secure just the courses needed.

The college is putting forth every effort to render a superior type of service. We want you to use the teachers, the Training School, the Library, the campus, and every part of the college to help you to grow and become a better person and a better teacher.

We will have a number of distinguished speakers during the summer session. We have secured a humorist of national reputation and musical arts trio for the last week of June and the first week of July which I am sure you will enjoy.

If you have any suggestions that will enable us to help you more we will be happy to have you give them to us.

TEA ROOM

The Tea Room is open every Wednesday at 3:30 o'clock. This tea room is sponsored by the members of the S. G. T. C. of this institution who are attending the summer session.

The tea room makes a specialty of sandwiches, punch and tea.

The George Anne will be published four times during the first six weeks of the summer session. The journalism class under Mr. Donaldson will have charge of two issues and the Community Activity class under Mr. Little will put out two issues. The date of publication is Friday and the papers will be distributed after chapel.

THE SUMMER TERM

(Dean Henderson)

I wish I could welcome personally each student to the summer session, but that seems impossible, so I welcome you by this little article in the George-Anne. I want you to enjoy your stay here this summer. The best way to enjoy yourself is to keep busy with worthwhile things. The college is trying to make this the best summer school in its history. I believe each student is trying to help us make the summer school good. I wish each one would study, play, sing, laugh, joke and do all of the other worthwhile things needed to live the best life.

Thoughts of a College Student

It is always poor judgment when you lose.

Enough is always a little more than a man has.

Memory is a wonderful treasurer, for those who know how to pack it.

A fool is one who is intelligent at the wrong time.

If you have some theory about life and you are thoroughly devoted to it, you may come to a sad end---- but you will enjoy yourself heartily.

Education is ignorance guided by experience.

Education is ignorance guided by experience,

or

Experience guided by ignorance

or

Education is guided experience.

Which is the worse ---- Reformation or Revolution?

Dr. L. R. Christie of Atlanta, pastor of the Pence de Lech Baptist Church was the first of a large number of special speakers who will be here during the six weeks of the summer session. Dr. Christie's talks were enjoyed by the entire student body and faculty and W. A. Smith who accompanied him pleased the young men and ladies very much. Other important southerners who will visit the summer school are Kyle T. Alfriend, secretary of the Georgia Education Association; Harry Clark, Dean of Furman University; W. G. Sutlive of the Savannah Press; John E. White, pastor of the First Baptist Church, Savannah; D. G. Bickers of the Savannah Morning News; E. H. Scott, Dean of G. S. C. W., Milledgeville; S. V. Sanford, Dean of the University of Georgia; W. A. Sutton, superintendent Atlanta Public Schools; and J. O. Martin of the State School Department.

Last week State School Superintendent M. L. Duggan spoke to the students in chapel. Mr. Duggan was accompanied by W. L. Downs a former instructor here who is now in the State Department of Education.

THE LATE CHANCELLOR BARROW'S QUESTIONS FOR SUCCESS

1. Can you make yourself useful?
2. Can you make people like you?
3. Can you control your temper?
4. Can you control your tongue?
5. Can you keep your money?
6. Can you keep accounts?
7. Can you keep things where they belong?
8. Can you do one thing at a time?
9. Can you do without?
10. Can you plan the use of your money, and stick to your plan?
11. Can you plan the use of your time, and stick to your plan?

Our joke is generally another's pain. The man who sits down on the tack, rarely joins in the laugh.

(Jerome K. Jerome)

PATRONIZE THE CAMPUS STORE

Anything good to eat-----
Candy, crackers, drinks, chewing gum.

Come down and refresh yourself after class.

Schedule

3:30 - 4:00

3:30 - 5:00

Mrs. Henderson: If you spend so much time at tennis you won't have anything laid aside for a rainy day.

My desk is loaded now.

HOW THE FACULTY WILL SPEND THE SUMMER

Members of the regular faculty will be found during the summer months all over the United States. Of the twenty-five members seven will spend the summer away.

Professor and Mrs. Alvin A. Singley will spend the summer in Nashville, Tenn., where Mr. Singley will do graduate work at George Peabody College. Coach B. L. (Crook) Smith after three weeks on the campus will go to the University of Michigan for a six weeks course in "Hurry Up" Yost coaching school. Professor and Mrs. D. N. Barron will spend the summer in Chapel Hill, N. C. where Mr. Barron will study at the University of North Carolina. Miss Frances Stubbs, librarian after a few weeks here will spend the summer at her home in Savannah. Miss Emily Simpson after a few weeks here will go to Columbia University, New York City, for summer work. Miss Malvina Trussell will leave within a few days for a two weeks tour through Colorado, and then to Emory University for summer work. Miss Carrie Law Clay left last week for her home in Savannah where she will be for the summer. Miss Lena Belle Brannen will be at her home in Statesboro for the summer, as will Mrs. J. O. Johnston. The following members of the faculty are doing work in the summer school here: Guy H. Wells, Z. S. Henderson, Effie Bagwell, J. E. Carruth, Robert Donaldson, Hester Newton, Viola Perry, Edith Tobertson, Marie Wood, Emily Simpson, Mamie Veazy, Mrs. Lula E. Bell, Mabel Brunson, Mac Michael, and Mrs. R. E. Fullilove.

BASKET BALL

The basketball tournament between the groups climaxed last night when the Busy Bees won the championship by defeating the Bear Cats on a slick court by a score of 13 to 7.

The game was nip and tuck throughout, the Busy Bees taking the lead in the closing minutes to gain the victory. Fields of the Busy Bees and Love of the Bear Cats were the outstanding men of the game, they also being high point men for their respective sides.

In the opening games Monday night the Busy Bees defeated the Eagles in a hard fought affair that ended with the score of 11 to 7, this giving them the right to battle for the championship title.

The next game of the evening was played between the Live Wires and Bear Cats. This proved to be

an interesting, rather rough and exciting game. Strange of the Bear Cats was outstanding man of the game, he putting on exhibition shots that happened to luck in and giving his team the victory by score of 11 to 5.

The girl's tournament opens tomorrow night on the local court at 7 o'clock. The schedule is:

7 P. M. Busy Bees vs Eagles.
7:30 P. M. Live Wires vs Bear Cats.

THE SUMMER SCHOOL FACULTY

This summer we are indeed fortunate in having such a large and well trained faculty. They are as follows: G. H. Wells, President; Z. S. Henderson, Dean; Viola Perry, registrar and Mathematics; Mary Abbott, Language; Ethel Adams, English and Education; Maxie Alderman, high school mathematics; Edna Allgood, Training School; J. E. Carruth, Education; W. L. Crouse, History; Pete Donaldson, Music and Education; Robert Donaldson, English; Elizabeth Edenfield, French; R. P. Ford, Mathematics; Mrs. J. C. Hardeman, Art; Generia Honeycutt, Physical Education; Melrose Kennedy, Music; W. T. Know, Education; Zulime Lane, assistant Librarian; M. R. Little, Education; Mattie Lively, Education; R. M. Monts, Mathematics; Hester Newton, History; Ralph Newton, Education; Martha Ordway, English; Lucile Peak, Education; Edith Robertson, Home Economics; R. E. Rountree, Mathematics; Emily Simpson, Physical Education; B. L. Smith, coaching; Frances Stubbs, Librarian; Mrs. J. M. Stumps; Dorothy Thomas, English; Malvina Trussell, Science; Mrs. Knox Walker, English; Knox Walker, Education; and Marie Wood, Latin and Penmanship.

We are proud of our faculty. They want to help us. We want to help them.

I believe in God, who made of one blood all nations that on earth do dwell. I believe that all men black, and brown, and white, are brothers, varying through time and opportunity, in form and gift and feature, but differing in no essential particular, and alike in soul and the possibility of infinite development.

From E. B. DuBois's
Book "The Souls of Black Folk."
Dec. 1, 1925.

Culture will do two things---
It will give broad satisfaction
from within and will accord you
pleasure and satisfaction from
without.

The one thing of which S. G. T. C. likes best to boast is that it is a growing college. It is continually seeking to reach a higher level in the field of modern conveniences and equipment. This spirit of progress is greatly animated by its president, Mr. Guy H. Wells to whom it owes the privilege of enjoying these added improvements.

For the pleasure of the students two beautiful and costly radiolas have been bought. One was placed in the lobby of East Dormitory and the other in the new lobby of the auditorium. Thus the students may have music at will and learn to appreciate one of the world's finest arts.

In consideration for the comfort of the students, electric fans have been installed in the dining hall and several of the class rooms.

A private dining room is being built on the east side of the regular dining hall. Here students will be allowed to gather their friends for a homelike meal together.

Neither have athletics been forgotten. A swimming pool is under construction and although at present there are insufficient funds to affect its completion it will probably be finished at some early date. In addition to this, two new tennis courts have been made in order to insure ample means for recreation.

Of course the campus is beautiful but every day improvements are made and only this year dollars have been spent in flowers and shrubbery.

May the college ever continue to strive for those that make for its progress and improvements.

From the Physical Education Department

Everyone can't buzz "Busy Bee" but if it isn't its "Live Wire" "Bear Cat" or "Eagle" and if you aren't linked with one of these fine peppy, spirited groups its time for you to jump into the whirl of fun and get your share.

Chapel Program

Eagles ----- June 21st.
Busy Bees ----- " 28th.
Bear Cats ----- July 5th.
Live Wires ----- " 12th.

Parties

Busy Bees ----- June 21st.
Bear Cats ----- " 28th.
Live Wires ----- July 5th.
Eagles ----- " 12th.

Don't leave T. C. without a knowledge of the organization of groups and the importance of group activity.

Drop by the training school at 10:00 or 11:30 and slide back to your childhood days with the primary and elementary groups as they

romp through play period. Learn to play then you learn to love life.

BEILHARZ COMING NEXT WEEK

On either Wednesday or Thursday of next week Noah Beilharz world famous characterist and humorist will give a special program in the chapel for the summer school students. This is one of the many fine programs planned for the entertainment of those attending the summer sessions.

Noah Beilharz is perhaps the most popular of all make-up artist touring the country today and is famous for his wonderful facial expressions. In his quick changes before the audiences he does not use a dab of paint or a bit of powder to transform his face.

His programs are mixed with fun, fiction and philosophy character impersonations, stories, a poem or two, monologues and conversation. Several of his most prominent presentations are: "The Hoosier Schoolmaster", a rural comedy with a good moral and a bull dog; "The End of the World", a love story full of humor and action; "Mister Antinio", a modern story full of humor and pathos; and "The Music Master" by Charles Klein. More than sixty characters are at the command of Beilharz including Irish, Jewish, farmers, women artists, and others. This program will be presented in the auditorium at eight thirty, all students will be admitted free, and outsiders will be charged fifty cents.

About the middle of July a second number will be presented for the students, at that time a musical company will be the entertainers.

MISS LANE RETURNS

It looks good to see the face of Miss Zulione Lane again in the library. During the past nine months Miss Lane's absence from S. G. T. C. campus has been greatly felt. Miss Lane attended the college for many years, and has helped in the library in classrooms and has filled a place on the campus that getting along without her was sometimes a difficult matter.

Upon leaving here last fall Miss Lane went to the Middle Georgia College at Cochran where she was made head librarian. And though she will be here only for the summer months, the faculty and students are glad that she can be here for the summer school.

It will bring broad satisfaction from within and will accord you pleasurable recognition from without.
