I'm Free

*Don't grieve for me now, I'm free
I'm following the path God laid for me
I took His hand when I heard Him call
I turned my back and left it all.
I could not stay another day
To laugh, to love, to work or play
Things left undone must stay that way
I've found peace at the close of the day.
If my parting has left a void
Then fill it with a remembered joy
A friendship share, a laugh, a kiss
Ah, yes these things, I too will miss.
Be not burdened with times of sorrow
I wish you the sunshine of tomorrow
My life has been full, I've savored much
Good friends, good times, a loved one's touch.
Perhaps my time seemed all too brief
Don't lengthen it now with undue grief
Lift up your heart and share with me
God wanted me now, He set me free.
