Dixie Blackbird Minstrel

Friday night will be one long to be remembered by the members of the student body of S. G. T. C., for on that night the celebrated Dixie Blackbird Minstrels will be presented. This minstrel has been presented by Bob Riner, the director, in fourteen states and has proved to be one of the most popular home talent productions ever put on the road.

The student body will be admitted for the children's price of thirty-five cents provided they get their tickets in advance. Mr. Riner announces that all students should but their tickets now, since it will be necessary to charge the full adult price should they wait until the night of the show.

A cast of 65 persons will be presented in the minstrel, bringing together the best of talent at S. G. T. C., Statesboro High, and the residents of Statesboro. New songs, jokes, and dances will be presented and all in all the students and members of the faculty will be given something that they will never forget.

Get your tickets now from Mr. Donaldson, Mr. Riner, or those who are selling them at the different dormitories.

An interesting program was arranged to be given in chapel, Wednesday, Nov. 19. Tuesday, Nov. 18, the Glee Club will appear on the P. T. "Blue Tide" and Norman Park Clash

The test of a hard fighting "Blue Tide" team against a powerful, tricky machine of Norman Park commands major attention at Statesboro Friday, as the two teams meet for their annual tussle.

Due to a conflict in dates this game was to be played here last Friday; but as Coach Smith says a delayed meal can always be devoured more readily.

This game should be the most interesting and the hardest fought of the season. Realizing that they are the underdogs, in view of the season's performances, but determined to wipe out the sting of their earlier defeats, the "Blue Tide" team feels confident of downing the undefeated Norman Park "Bears" in this game.

On the other hand Norman Park intends to add another scabb to their very impressive collection.

The Staff requests and urges every student to be present at this game. Let us all be there early to spur the boys on, and we feel sure they will bring home the proverbial bacon.

Miss Newton makes the East Dormitory her home now. All of the girls welcome her and enjoy having her as one in their home life.

Mrs. Howell Cone and Mrs. Fete Donaldson were visitors on the campus last week.

Lincoln Boykin was a visitor on the campus Sunday.

The student body and faculty are glad to learn that Mrs. Peebles is improving.

The Glory of Autumn

Autumn--what a wonderful season! A profusion of red, yellow, and brown greets us on every side. On our campus we see bright red and yellow crepe myrtles, blending with the browns of the oaks and grass, and the green cedars.

Great beds of marigolds in red, orange, and golden yellows, furnish the brightest spots and form pleasing contrasts with the deep green and red ivy.

Combined with these bright hues we have cool, crisp days which make us feel "Isn't it great to be living".

Stop-Look-and-Listen

A new way to make love has been discovered by Brown Blitch.

1. Purchase one 15¢ Love Story Magazine at Franklin Drug Co.

2. Read carefully and underscore passages so flowery expressed.

3. Take said data and weave into the form of a letter.

4. With the data fresh in mind write up a supply of letters and mail out same to sweetheart on stated intervals.

For more specific information, turn to the "Prisoner of Love" found in the May issue of the Love Story Magazine. Note the following quotation: "I never get a chance to see you these days, but, honey, I am crazy about you. My heart is one big ache of love, longing for you". It is believed that this quotation can be found in many of Brown's most affectionate letters, due to the fact that we find it heavily underscored in his favorite magazine--Love Story.

Chapel Programs

On Friday, Nov 7, we all enjoyed the sketch put on in Chapel by the Senior Class. It proves how foolish every-day expressions would be if taken literally. Clover acting was displayed by all.

Miss Trussell brought to us the wonderful spirit manifested by Col. Charles A. Lindbergh, in an address in Chapel Thursday, Nov. 6. She told of the interesting collection of medals, awards, and gifts found in the Jefferson Memorial Building in Forest Park, St. Louis.

Dr. Moody gave an interesting talk in Chapel Tuesday, Nov. 11, on organizations to take care of the soldiers.
