~ When I must Leave You ~

When I must leave you for a little while,

Please do not grieve and shed wild tears.

And hug your sorrows to you through the years.

But start out bravely with a gallant smile,

And for my sake and in my name,

Live on and do all things the same.

Feed not your loneliness on empty days;

But fill each waking hour in useful ways.

Reach out your hand in comfort and in cheer,

And I in turn, will comfort you

And hold you near.

And never, never, be afraid to die,

For I am waiting for you in the sky.
