1. Which of your teammates would win in a rap battle?

Lilly 100%.

My family is pretty calm at matches, they're always super supportive and give me a hug once I come off the line.

3. What is your pre-match ritual and do you have any superstitions?

I will do some warmup exercises, stretch, foam roll, journal, and meditate as soon as I get to the range. As for superstitions, I always tie my right boot before the left.. they're are probably some other that I subconsciously have.

4. What is your definition of a good teammate?

Someone who drives me to be the best teammate I can be by setting an example of being trustworthy, confident, and humble.

5. Do you think there's life on other planets and if so do they have rifle?

For sure! They probably have some form of rifle like we do.

6. What has been your favorite show to binge during quarantine?

9-1-1 has been my recent TV show.

7. If you could only eat one food for the rest of your life, what would it be?

I already eat chicken nuggets 99% of the time so I'm good sticking with that.

I've been to 17 states. I really want to go to Hawaii!

9. Who are three people you'd love to have Zoom call with and why?

Hunter Woodhall, he's inspired me to always keep going and work hard for your dreams no matter what obstacles get thrown your way. Tua Tagovailoa, I admire how humble he is and it's inspired me to practice that daily so that I can be the best teammate I can possibly be. Jerry Harris, we watched the documentary he was in and he radiates positivity and was always cheering on others. It was truly inspiring and gave a good example of what a great teammate is.

10. What is your favorite family holiday tradition?

My family always leaves up the Christmas tree till New Years. I love the way our house looks around the holidays.
