A TRIBUTE TO MOTHER

*How can we say thank you,
To a very special girl —
The one we've owed our very life to;
From the day we entered this world.
She has never been to busy to hear
Our every cry —
Always knowing just what to say
But never asking the reason why.
The lady never asked much of life
And life gave her even less —
But life has been more than fair to us
Because mother was the very best.*
