### *Should You Go First*

*Should you go first, and I remain  
To walk the road alone  
I'll live in memory's garden, dear  
With happy days we've known.  
In spring I'll wait for roses red  
When fades the lilac blue  
In early fall when brown leaves call  
I'll catch a glimpse of you.*

*Should you go first and I remain  
One thing I'd have you to do  
Walk slowly down the path of death  
For soon I'll follow you.  
I'll want to know each step you take  
That I may walk the same  
For some day down that lonely road  
You'll hear me call your name.*
