Let's help them.

If you live in South Main Street or any of the surrounding areas, you will have been by now struck by the impact of the new building being planted along the streets.

This is the new South Main Street Club, in conjunction with the City Commissioners, the Board of Education, and other civic organizations of our city more beautiful.

The building is not only a new feature on the streets of this City, but it is also a symbol of our progress and pride. It is being built to last, and it will become a center of activity and enjoyment for all who use it.

The building is planned to be a community center, with a variety of facilities for the use of the people of our city. It will be a place where people can gather to socialize, to enjoy various activities, and to participate in community events.

**Horses for funerals**

It will be interesting to see how the horses will be used for funerals. Will they be used to pull the hearse? Will they be used for transportation? Will they be used for decorations? The possibilities are endless.

The horses will be very important in helping to make the funerals more meaningful and memorable. They will add a touch of tradition and elegance to the proceedings.

**Kings need Princes**

"King Cotton" is still "king" in the land today. This is clear from the fact that Mr. W. H. Hughes has been elected Governor of Georgia, and that Mr. J. W. Floyd, a Democrat, has been elected Governor of Oklahoma.

However, there is one ray of hope for the cotton farmers of our state. Mrs. Foy, the wife of Governor Hughes, has been elected to the Georgia Board of Education. This is a very important position, and it is hoped that she will be able to use her influence to help the cotton farmers of our state.

For Mrs. Hughes

We congratulate the people of Bullock County upon electing Mrs. F. W. Hughes to the Board of Education. Mrs. Hughes has been a very active member of the community, and we are sure that she will be an asset to the Board.

For Mr. Hughes

We are pleased to see that Mr. W. H. Hughes has been elected Governor of Georgia. He is a very able and experienced politician, and we are confident that he will be able to serve the people of our state well.

**Community**

In the name of the community and the people of Bullock County, we wish to express our gratitude to Mr. W. H. Hughes for his election to the governorship of Georgia. We are confident that he will be a great leader for our state, and we are sure that he will work hard to improve the lives of all Georgians.

Mr. Hughes has been a very active member of the community, and we are sure that he will be an asset to the state of Georgia. We are proud to have him as our governor, and we wish him all the best in his new role.

**The Editor's Uneasy Chair**

The Editor's Uneasy Chair

We are writing this editorial in an uneasy chair. We are not sure what to think about the situation we are facing.

There are many things that have happened recently, and they have all been very unexpected. We are not sure what to do, and we are not sure what to say.

We are trying to make the best of the situation, but we are not sure if we are doing the right thing. We are not sure if we are making the right decisions.

We are trying to stay calm and composed, but it is not easy. We are very worried about the future, and we are not sure what to expect.

We are not sure if we can make it through this difficult time, but we are not giving up. We are trying to stay positive, and we are trying to make the best of the situation.

We are not sure if we will be able to recover from this, but we are not giving up. We are trying to stay strong, and we are trying to stay positive.

PONTIAC WINS

THE FLYING MILE

AT DAYTONA!

A standard Pontiac stock car sweeps its class in the two

most important events to you from the standpoint of on-

the-highway performance—winning first, second and

third place in the NASCAR Flying Mile and winning first

and second place in the NASCAR Acceleration Tests run from

a standing start over a measured mile!

The Impact has been playing, natural Pontiac at Daytona—Count H. Haas, chief of Pontiac Sales, announced

the news that Pontiacs swept the main events of the 20-mile

race on the beach, in the 110-mph two-lap main event.

The car was driven by Harvey Johnson, a 19-year-old in-

stallation car driver for Pontiac. This car was not equipped

with the "V-8" engine, but with a 244-cu. in. engine with 247 H.P., "It is a competition car," and Johnson started in

the enameled with the Pontiac badge, the car was

economy and the Pontiac badge, the car was

miles of Pontiacs.

We did it...—and Daytona proved it. Completely new now from power to personality: PONTIAC'S AMERICA'S NUMBER 1 ROAD CAR
