In this week's session of the Statesboro Chamber of Commerce, members were treated to a speech on the subject of "Newspaper Features" by Mr. W. H. Jones, Director of News Media, Atlanta, Ga.

Mr. Jones was assisted by Mrs. Mabel S. H. Jones, Mrs. Mabel S. H. Jones, and Mrs. Mabel S. H. Jones, who are all members of the paper's staff.

The session was held at the Chamber of Commerce building and was attended by a large number of members.

Mrs. Jones said that the purpose of newspaper features is to inform the public about events and activities in the community and to provide entertainment. She also discussed the importance of good writing and editing.

The session was well received by the audience, and many members expressed interest in learning more about newspaper features.

Mr. Jones also gave a demonstration on how to write a feature article, and many members were able to apply what they had learned to their own writing.

The session ended with a question and answer session, in which members were able to ask questions and get answers to their questions.

The next session of the Statesboro Chamber of Commerce will be held on Monday, July 15, 1957, at the Chamber of Commerce building. The topic of the session will be "Newspaper Advertising."
The Editor's Uneasy Chair

A day or two after a review of the Board of Education's new building site selection process, the Board, recognizing an error in the initial decision, rescinded its earlier decision.

This week's Meditation

In the Rev. Paul T. Bragg's address during the Sunday services at First Baptist Church, he stressed the importance of prayer in our daily lives.

Thru the F's of Virginia Russell

“F is for Ford, and in the automotive industry, the Ford Motor Company stands as a symbol of innovation and excellence.”

Now...It Seems to Me...

From the Herald staff's perspective, the recent developments in the community have been quite encouraging.

No phone call is too small.

Back in 1958 when our Tobacco Market here was born, it did not just happen.

Many, many hours and days and weeks and months of hard work went into the business of establishing the market here. Hard work by the Chamber of Commerce, the officials of the City of Statesboro and the officials of Bulloch County went into the foundation for the present Tobacco Market in Statesboro.

As the Market grew it continued getting the support of the Chamber of Commerce and the City and County officials.

The marvelous thing is that this Market has continued to grow and flourish.
