RATHER HAVE POLES?

Do you rather have poles?

If so, you're not alone. We are

In the rather large group who

Would prefer the old-time

Benches not plowed under

by modernity.

And we're not alone in our

Remembrance of the past.

Rex Parker, Vice President of the

Bulloch County Historical Society

And I imagine that many

Of our younger friends

Would prefer some of the

Meaningful things in life to the

Less substantive.

We are not alone in our

Desire to remain.

But we are alone in our

Demand for better things.

And we are alone in our

Concern for the present.

We must work to

Preserve the past.

And we must work to

Preserve the present.

And we must work to

Preserve the future.

Tales Out of School

By Sandy McCullough

This week we

Talk about the

Importance of

Education.

We all know

That education

Is important.

But we must

Remember that

Education is not

Just for

Young people.

It is also for

Old people.

And it is for

People of all ages.

We must

Recognize the

Value of

Education.

And we must

Support the

Schools.

It is the

Responsibility of

Parents to

Support the

Schools.

And it is the

Responsibility of

Teachers to

Teach.

And it is the

Responsibility of

Students to

Learn.

It is the

Responsibility of

All of us to

Support Education.
