Rockwell vice president outlines employer-employee policy in Statesboro division

EDITOR'S NOTE: In a speech made at the Statesboro Rotary Club on Monday of this week in the Statesboro High School auditorium, Frank I. Rockwell, vice president of Rockwell Standard Corporation, outlined the basic tenets of policy in the company's present and future co-operation with the employees. The two men are working together to help ensure a future for the employees and the company. They are not only working together but also working towards a future for the employees and the company.

This Week's Meditation

We cannot help but feel that the future of the company is indeed a bright one. We are confident that the policies outlined by Mr. Rockwell will lead to a better and more stable future for the employees and the company.

ATTENTION—Livestock Growers

WHY DOES PARKER'S STOCKYARD GET YOU MORE MONEY FOR YOUR LIVESTOCK?

1. MORE AND BETTER BUYERS.

2. BETTER GRADING by Tyrell Minick and Milledge Smith.

3. MORE PEOPLE WANT THEIR WORTH.

4. MORE AND BETTER STOCKYARD (with concrete floors cleaned and disinfected every week) so you can't carry germs from hogs home to feed out.

Mr. Parker, remember when I say out of the livestock picture for two years under certain circumstances I go back to within two years, think and act yourself. If bought anything over the price for your livestock and considered them 300 or more hogs equal to my grade, one or more of the hogs will select you. Parker's Stockyard is the most important thing you can do to get the best prices for your livestock.

So if you cannot sell your livestock every Saturday at Parker's Stockyard 20% additional to the price you got in the Statesboro market, you will not get the best price for your livestock. Parker's Stockyard makes your livestock prices.
