Help fill an Empty Stocking at Christmas

We like the idea that teachers and students at Meriwether County High School have the chance to be anonymous benefactors this year. The idea is that students will " anonymously" give to children in the county who are in need, and it is a very nice thing to do. We like the idea that teachers and students who are in need of help will have the opportunity to get something that will mean a lot to them.

The Editor's Uneasy Chair

We are pleased to see that our feature story on the Pinesville Church last month has been so well received. We hope that people will continue to support our local churches and organizations.

This Week's Meditation

By the Rev. C.T. Tucker

It seems to me that the world is full of contradictions. People say one thing and do another. We need to be aware of this and try to understand it.

It Seems to Me...

One thing that bothers me is the way people treat each other. It seems like there is a lot of friction and misunderstanding.
