Let’s fill the People’s Blood Bank May 5

The volunteer citizens who head the Bullock County Blood Bank have received the word. The People’s Blood Bank is in “tough shape.”

So on Monday, May 5, it is time to give up generously, considering the needs of those who are not fortunate enough to be able to contribute to this program.

And the easiest way to do that is to give $5 to the Peoples’ Blood Bank. The Blood Bank has been established for the benefit of our citizens. It’s a worthwhile program that all of us should support.

It’s a time when we should all give generously.
