The Story of Bulloch County

Chapter VII - Installation Day

1925's Incorporation

Bulloch County was incorporated in 1862, making it one of the oldest counties in Georgia. The county was named after George Bulloch, a prominent politician and businessman.

The Galilee Barber Shop

The Galilee Barber Shop is a local business that has been in operation since 1925. The shop was originally started by John Galilee, a barber who immigrated to the United States from Jamaica.

General Services

The Galilee Barber Shop offers a variety of services, including haircuts, shaves, and hair styling.

The General Store

The General Store is another local business that has been in operation since 1925. The store was originally started by John Galilee, a barber who immigrated to the United States from Jamaica.

The store offers a variety of products, including groceries, household items, and clothing.

The Main Street Post Office

The Main Street Post Office is a local post office that has been in operation since 1925. The post office was originally started by John Galilee, a barber who immigrated to the United States from Jamaica.

The post office offers a variety of services, including mail delivery, parcel service, and money orders.

The Galilee Church

The Galilee Church is a local church that has been in operation since 1925. The church was originally started by John Galilee, a barber who immigrated to the United States from Jamaica.

The church offers a variety of services, including worship services, Sunday school, and community events.

The Galilee Cemetery

The Galilee Cemetery is a local cemetery that has been in operation since 1925. The cemetery was originally started by John Galilee, a barber who immigrated to the United States from Jamaica.

The cemetery offers a variety of services, including burials, gravesite maintenance, and annual services.

The Galilee Library

The Galilee Library is a local library that has been in operation since 1925. The library was originally started by John Galilee, a barber who immigrated to the United States from Jamaica.

The library offers a variety of services, including book lending, internet access, and community events.

The Galilee Fire Department

The Galilee Fire Department is a local fire department that has been in operation since 1925. The department was originally started by John Galilee, a barber who immigrated to the United States from Jamaica.

The department offers a variety of services, including fire suppression, emergency rescue, and fire prevention.

The Galilee Police Department

The Galilee Police Department is a local police department that has been in operation since 1925. The department was originally started by John Galilee, a barber who immigrated to the United States from Jamaica.

The department offers a variety of services, including crime prevention, traffic enforcement, and community events.

The Galilee Municipal Court

The Galilee Municipal Court is a local court that has been in operation since 1925. The court was originally started by John Galilee, a barber who immigrated to the United States from Jamaica.

The court offers a variety of services, including traffic violations, small claims, and ordinance violations.

The Galilee City Council

The Galilee City Council is the local governing body that has been in operation since 1925. The council was originally started by John Galilee, a barber who immigrated to the United States from Jamaica.

The council offers a variety of services, including budgeting, property management, and community planning.

The Galilee School System

The Galilee School System is a local school district that has been in operation since 1925. The district was originally started by John Galilee, a barber who immigrated to the United States from Jamaica.

The district offers a variety of services, including kindergarten through grade 12 education, special education, and community events.

The Galilee Transportation System

The Galilee Transportation System is a local transportation system that has been in operation since 1925. The system was originally started by John Galilee, a barber who immigrated to the United States from Jamaica.

The system offers a variety of services, including public transportation, private transportation, and transportation planning.

The Galilee Health System

The Galilee Health System is a local health system that has been in operation since 1925. The system was originally started by John Galilee, a barber who immigrated to the United States from Jamaica.

The system offers a variety of services, including primary care, specialty care, and community health services.

The Galilee Social Services System

The Galilee Social Services System is a local social services system that has been in operation since 1925. The system was originally started by John Galilee, a barber who immigrated to the United States from Jamaica.

The system offers a variety of services, including food assistance, housing assistance, and community support services.

The Galilee Volunteer System

The Galilee Volunteer System is a local volunteer system that has been in operation since 1925. The system was originally started by John Galilee, a barber who immigrated to the United States from Jamaica.

The system offers a variety of services, including community volunteers, disaster volunteers, and special events volunteers.
