'Uncle Bobby' is gone

"Uncle Bobby" is gone. Three hundred of the best white Missouri people who followed "Uncle Bobby" in the 1930s and 1940s were laid to rest on Tuesday in Rolla. They are among the first to be buried in the state's new cemetery near the Missouri State Penitentiary.

We feel so sorry, he's special. I can't lose him.

We have sensed the important change in the climate of the state by the time this was written. We are more aware of the problem of the condition of the state, and so the problem of the condition of the state is perceived in a more proper manner. This is the basis of our present position.

Good going!

This is not my column, but I understand you are going to do it. We have heard a lot of complaints about the state, and so we are more aware of the problem.
