MINKOWITZ (RECORD STORE)

To The Tobacco Growers Of This Section.

GREETINGS TO YOU AT THE 1938 TOBACCO SAMPLING TIME. WE ARE NOT QUALIFIED TO TALK ABOUT THE OTHER BUSINESSES, BUT THESE IS NOT A CROP YEAR.

It is understood you are attended by Rockwell and Statesboro, but it is also understood that you are not allowed to discuss this kind of question. But we have been informed that the crop is on and will be ready for harvest in the near future. We have been told that the tobacco is good, that it will produce a good crop and that it is not too hard. This is a well settled fact.

We want you to know that we will make all arrangements necessary for this crop to be harvested here in Statesboro. Visit us every year we will.
