Here's why your Fire Insurance costs have been increased

Fire insurance rates are based primarily on the fire risk on your property. This is known as the hazard risk. What the insurance rate is depends on the insurance policy you purchase. If you make changes to your property, such as adding a garage or new building, the insurance rate may increase.

GREETINGS
to you at the 1948 summer swimming time. We add our wel¬
come to that of the other businessmen and citizens of this com¬
nunity.
It is people like you who attract thousands to Statesboro and
Bulloch County. It is people like you who are dedicated to the pro¬
motion that hard work deserves the best return to the market
place. We hope all Statesboro know that producing tobacco,
the producing of cotton, gas, peanuts, pecans, cotton, peanuts
and all the other items on our list, is hard work.
We want you to know that you will find a welcome at Rockwell
Here in Statesboro. Visit us as often as you will.
