Ernest Vandiver is our choice for governor

Every week we publish a list of candidates running for public office.

Of course we all realize that the actions of certain candidates bear on the future of our country and our state.

The fact is, the voters and all their allies must vote to make the selection.

As the voters, we have a duty to make the best decision possible.

The most important decision is which candidate we will support.

Ernest Vandiver is our choice for governor.

**The Editor's Uneasy Chair**

With a Chas. This week's news story includes the story of a candidate.

The candidate is currently facing a difficult decision.

He has been asked to choose between two options.

The first option is to support a less experienced candidate.

The second option is to support a more experienced candidate.

The candidate is unsure which option to choose.

He is considering all the factors.

The decision is important for the future of the state.

The candidate must make the right choice.
