Members of M.H.P. Junior Class make tour of historic Savannah

After weeks of careful planning, the seventh grade class club toured Savannah on Wednesday, November 28. The trip, a cooperative effort between the Junior Class and the Savannah School, was a unique opportunity for the students to explore the city's rich history.

Upon arriving in Savannah, the students were greeted by a historic site representative who provided an overview of the city's significance. The group then toured various landmarks, including the Chippewa Square Hotel, the Bonaventure Cemetery, and the Wormsloe Plantation.

The trip provided an educational experience for the students, allowing them to connect with the city's past and appreciate its contributions to American history. The students enjoyed the opportunity to learn about Savannah's rich heritage and were encouraged to continue their exploration of the city's culture and history.

Marvin Pittman enters one-act play contest

Four Marvin Pittman students are competing in the first annual "Tell A Story" play contest. "Tell A Story" is a unique event that seeks to encourage students to develop their storytelling skills and express their creativity.

The students are performing their one-act plays in local theaters and community centers, and the performances will be judged by a panel of professional actors and directors. The winning plays will have the opportunity to be performed at a local theater and may be selected for further production.

The contest aims to foster a love for storytelling and to provide a platform for students to showcase their talents. It is open to students of all ages and levels of experience, and the organizers hope to see a diverse range of stories and performances.

Mufflers Don't Longer

They Stand! At the front door of the house, a sign is placed reminding visitors that mufflers don't longer. The sign is a humorous and lighthearted way to encourage people to maintain the health of their vehicles.

The message serves as a gentle reminder to drivers to ensure their mufflers are in good working condition, as mufflers play a crucial role in the overall performance and longevity of a vehicle.

Bulloch County Buys More Bonds in 1958

Bulloch County recently purchased a new bond issue for $134,140. The bond issue will be used to fund various projects and improvements in the county, including road repairs, infrastructure upgrades, and community development initiatives.

The purchase follows a successful bond sale earlier this year, which raised $164,140. The county has a long history of utilizing bond financing to fund essential projects and infrastructure improvements, and continues to be a leader in the local economy.
