**28 SHS band members attend Savannah clinic**

On Tuesday and Wednesday of last week, twenty-eight members of the Statesboro Blue Devil Band went to Savannah to participate in the annual District One High School Band Clinic which was held at the Savannah High School.

Each year, the outstanding members from all the high school bands in this district are gathered together into two bands which rehearse and present a concert. This year, again, District One was fortunate in having Col. Harold Bachman, director emeritus of the bands at the University of Florida, as clinician for the "A" band, a group of nearly one hundred players. Mr. Neil Edwards, director at Lyons High School, was director of the "B" band, an ensemble of about eighty-five.

Those students selected for the clinic bands from Statesboro High School were: "A" Band: Jimmy Casson, Shirley McCorkle, Jessica Lane, Mahaley Tankersley, Carole Donaldson, Olivia Akins, Johnny Meyers, Gary White, Frank Proctor, Jimmy Hodges, Rufus Cone, Hugh Burke, Eddie Lane, and Dale Raney.

"B" Band: Charles Black, Bob Park, John Wallace, Charlotte Lane, Rose Ann Scott, Charles McBride, Ann Holloway, Bob Pound, Patsy Campbell, Bing Phillips, Owen Zetterower, Ernie Campbell, Mary Alice Chaney and Allison Mikell.

## Scouts observing Birthday here this week

Statesboro Scouts and Cub Scouts are celebrating the forty-ninth birthday of Scouting and the thirtieth birthday of Cub Scouting this month.

This week, February 7 through 13, is Boy Scout Week and to emphasize this fact Scouts and Cub Scouts will be seen in uniform throughout the week.

A display of handicraft made by Cub Scouts of Statesboro, Pack 340, has been arranged in the window of Curry Insurance Agency on Courtland Street.

Items shown include bird feeders, key racks, log seats, and plaques and can be seen throughout Boy Scout Week.

Scout Night will be observed by the First Baptist Church of Statesboro on Sunday night, February 15, at the regular worship service hour. The First Baptist Church is the sponsor of Pack 340 and all Scouts and Cub Scouts of Pack 340 will attend this special service in uniform.

The annual Blue and Gold Banquet will climax the month's celebration with Cubs and their parents attending. Pack 340 will hold its banquet at the Sally Zetterower School, 7 p. m. on Tuesday, February 24. Tickets for the banquet are one dollar each and should be secured from Dan Mothers as soon as possible.

JULIAN B. HODGES, new city clerk of the City of Statesboro, is shown here being administered the oath of office by Mr. Joe G. Watson, Mayor.

## Julian B. Hodges is new City Clerk

Mayor W. A. Bowen announced this week the appointment of Julian B. Hodges as City Clerk of the City of Statesboro, to succeed Joe G. Watson, who will continue to serve as city treasurer.

Mr. Watson has served as clerk and treasurer of the City of Statesboro since 1941. Mayor Bowen was high in his praise of Mr. Watson's services to the city over the past seventeen years. He said that Mr. Watson has requested, since the duties of both clerk and treasurer have become increasingly heavy, that the mayor and council appoint a new city clerk, so that he might devote more time to the handling of the financial records of the city.

Mayor Bowen commented that the mayor and council were very pleased with the personnel and management of the city of Statesboro under the supervision of Mr. Watson.

Mr. Hodges, a native of Bulloch County, is the son of the late Mr. and Mrs. W. C. Hodges. He is married to the former Sara Reid Bowen of Bulloch County, and they have two children, Carol and Bird. He has been employed by the Darby Lumber Company for the past twenty years.

## \$3,000,000 worth of construction underway in Statesboro community

Three million dollars worth of construction is underway in Statesboro a recent survey reveals. Included are commercial buildings, churches, educational buildings, and dwellings.

Two new buildings on the campus of Georgia Teachers College to cost \$1,220,000 are partially completed. These are the student center dining hall building and a classroom building. The contract for an Arts-Industrial Arts Building at Georgia Teachers College is expected to be let in the early summer.

There is approximately \$800,000 worth of church construction in the city. The new Pittman Park Methodist Church in the southern section of the city is practically completed and the student center dining hall building and a classroom building. The contract for an Arts-Industrial Arts Building at Georgia Teachers College is expected to be let in the early summer.

A former coach and eight of the best athletes in the history of Georgia Teachers College became charter members of the G.T.C. Hall of Fame at special ceremonies held in the GTC Gym Saturday night, February 7, as part of the school's annual Homecoming.

B. L. (Crock) Smith of Savannah who coached the Professors in the 1930's, and Chester Webb, the college's only basketball All-American player, were among the inductees at the ceremonies. Others to make the list are Hollis Powell, Frank (Sonny) Clements, Wade (Scotty) Perkins and Harold (Bo) Warren.

The City of Statesboro has completed the first part of a one and one quarter million dollar water system and sewerage improvement program. The first work completed was a water tank and water main extension project costing \$200,000. Work began this week on a \$250,000 trunk sewer project and bids for a disposal plant costing \$350,000 will be received in February.

Commercial buildings under construction in Statesboro include a filling station and retail store on South Main Street, both being built by Olan Stubbs, a filling station and a garage building being constructed by F. C. Parker Sr. on Northside Drive, an office building for the Statesboro Production Credit Association on North College Street. These buildings amount to approximately \$115,000.

Among the additions, remodelings and renovations are 20 additional units at the Crossroads Motel, the remodeling of H. Minkovitz and Sons Department Store, renovations at the Statesboro Buggy and Wagon Co. These additions and renovations will cost \$245,000.

Though there are always a number of dwellings under construction in Statesboro at present there are actually in the process of being built.

## Absent at \$40 a day

We sort of felt that \$30 per day was pretty good pay for our representatives in the Georgia General Assembly, even with inflation with us.

Then when our representatives raised their pay to \$40 per day, while on an "economy hayride," we felt uneasy about the sincerity of their objectives.

When it was reported that on Friday of last week attendance in the House was so poor that Speaker George Smith had to lecture members on absenteeism we became concerned. Three times that day he tried to rouse up enough representatives for the 103-vote minimum required for enacting general bills. Ninety was the most he could muster.

It is only fair that our elected representatives should devote their full time to the business of state for which their constituents elected them.

So, it seems to us that those representatives who fail to attend legislative sessions are letting the people down. We have the right to expect them to be present when the House or Senate leadership schedules a normal business day.

And in the light of our paying them \$40 per day we have the perfect right to demand that they report for work every day of the session, except in instances which are legitimate reasons for being absent.

And in fairness to our Bulloch County representatives, though they were not present that Friday, they both have real and legitimate reasons for not being present. We add this to let our people know that our representatives are keenly aware of their responsibilities.

## A fine Homecoming

The people of Statesboro love a parade. And the parade put on by the students of Georgia Teachers College to celebrate their 1959 Homecoming was one to enjoy.

It takes a lot of time, effort, and ingenuity to make up floats pretty enough to put in a parade. And the ones in the parade last Saturday were deserving of praise.

And when beauty is added to a parade there is additional interest and the 1959 Homecoming parade had beauty to spare. "Miss GTC of 1959" was a "living doll" as one observer put it.

The annual Homecoming events at our college are something the community looks forward to as well as the "old grads."

And this year's Homecoming had something new. The announcement of the GTC Hall of Fame touched a responsive chord in the hearts of the sports fans.

And to make the Homecoming weekend perfect the Professors defeated Jacksonville University 98 to 92 in a thriller which required four over-times to determine the winner.

It was a fine weekend for GTC and Statesboro.

## God's will

All Bulloch County joins Mr. and Mrs. Josh Smith in their grief at the death of their little daughter, Barbara June.

It was when Barbara June was only three years old that the citizens of Bulloch County opened their hearts and purses and raised

funds to help send her to Johns Hopkins for her first operation.

And when the word went out recently that another operation was necessary members of the Farm Bureau in Georgia helped underwrite the expenses of the operation and contributed blood. And the hearts she won included members of the Maryland Farm Bureau and members of the Coast Guard in Baltimore who also contributed blood for the little 12-year-old girl from Bulloch County.

But all the skill of the doctors, all the love manifested by her family and all the devotion of her wonderful friends were not enough.

There is left only the deep satisfaction that it was God's will of which there is no understanding by the finite minds of men.

## The cost of crime

This is National Crime Prevention Week. Does that mean anything to you? Or is it just another week?

It may be just another week but the facts revealed by Charles W. Brown, special agent in charge of the FBI's Savannah office make it a week to give us reason to shudder.

Nearly 2,800,000 major crimes were committed in the U. S. during 1957, and the 1958 figure not yet released, is expected to be even higher.

An average of 7,500 of these crimes—murders, manslaughter, robberies, burglaries, larcenies, assaults and auto thefts—were committed each day, or 320 each hour.

There was approximately one major crime for every 61 citizens. The 1957 total was more than twice the 1956 total of 1,685,000. In 1946 there was a major crime every 18.7 seconds. Ten years later there was one every 11.3 seconds.

The nation's crime bill for 1957 was \$20,000,000. The figure for 1958 will probably exceed \$22,000,000.

For every dollar given to churches, \$12 went to defray the expenses of maintaining courts, police forces, prisons and federal law enforcement agencies as well as to pay for damages and losses resulting from crimes.

For every dollar spent on education in 1957, \$1.29 went to cover the cost of lawlessness.

The average crime bill share per family was \$467.

And here's what should make us angry—the average share per person in the cost of crime was \$119—that means you and us.

Think National Crime Prevention Week means something?

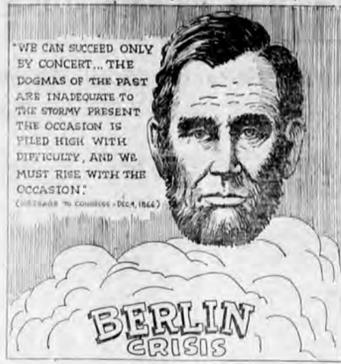

It had better or our crime problem is going to get worse.

**Happy birthday!**  
This is the big week for Boy Scouts and Explorer Scouts, for it was forty-nine years ago that this great boy's organization was organized and came into being.

Statesboro Scouts, Cubs and Explorers are participating in the great celebration of their birthday. Events have been going on the first part of this week and will continue through this weekend.

We say "congratulations" to these boys on their birthday.

## This Week's Meditation

By The Rev. L. E. Houston Jr.

"YOU SHOULD NOT HAVE GROWN UP" The hands of the clock told me it was 1:45 Sunday afternoon, so I regretfully removed myself from the bed. It was time to leave the house and go to the First Baptist Church for tabulation of the community religious census. My Sunday afternoon rest period had amounted to only twenty minutes, and I wasn't the happiest man alive.

AS I DRESSED, I attempted to console my elder daughter, who was squirming under the restriction of nap-time. I finally said to her: "Deborah, Daddy wishes he could stay in bed for a two-hour nap." Her rapid-fire answer was: "Daddy, you should never have grown up!"

To be perfectly honest with reader, the wisdom of children these days is downright disturbing. This is true, of course, because children have the uncanny insight and the forthrightness to see and describe a situation just as it is. Too often, adulthood has taught us the art of closing our eyes to truth.

CONSIDER this matter of growing up. There is much more involved in this process than mere physical development. With few exceptions, all of us arrive at physical maturity in a normal manner. However, in other areas of personality development, it is not quite so simple. When a person fails to develop in his emotional life, for instance, we call it emotional immaturity. It is this condition

which most often signals the failure of a person to grow up. A young bride sat in my study several years ago distressed with the fact that her handsome, happy-go-lucky husband had no conception of his responsibility as a provider. He purchased a new car every six months over her protest; he thought nothing of losing a hundred dollars in a poker game; he never distributed him that he was behind with the house rent. He had simply refused to grow up!

THE PROCESS of maturity is never an easy one. This is because a child or youth has been sheltered by parents from those things which their young minds could not comprehend. But, there comes a time, when childhood ideas and thinking have to give way to a more mature understanding of life and its purpose.

Immaturity, or the failure to grow up, is never more clearly seen than in the area of spiritual living. St. Paul recognized this when he wrote in substance to an early Christian church: "You are but babes in Christ... you must be fed on the milk of the word... you are not yet ready for the strong meat of the Gospel."

In this space-conscious age, ever increasing also a social revolution, it is high time that we who profess to love God begin to mature so that we might be nourished on the Gospel of Christ, and thereby add the Christian love to the affairs of our needy world.

So completely did the lay leaders in our communities, interested in recreation and leisure, believe in the possibility that any such action would be taken by the Legislature that many of them, vitally interested in the commission, failed to take any action to help save it.

MR. VANDIVER told me personally, in a conference held in his office, that this commission certainly should be corrected if such a statement was made. Mr. Trotter has made no comment even though in a personal letter to him I respectfully requested that he make the record clear on this charge.

Still unanswered is the question, Why? To say simply that the commission was abolished in the name of economy is not enough. I do not believe that any service being requested by communities all over this state and costing only \$56,000 could be abolished in the name of economy.

We have been told confidentially that a source in the Capitol placed the Commission

## The Editor's Uneasy Chair

YOU CAN DREAM, can't you? While observing the Georgia Teachers College Homecoming parade last Saturday afternoon we overheard two men talking. One was young-to-middle-aged. The other was middle-aged, that is, he was on the shady side of fifty. The beautiful float on which "Miss GTC for 1959" was riding was passing by.

The young to middle-aged man: "Boy, she's a living doll!" The middle-aged man: "She sure is, and I was born thirty years too soon."

FASHION NOTE for the men: The next suit you buy may have a vest. We picked this little item out of the newspapers recently. It's been a long time since a vest was considered a part of your suit. Well, there was the Ivy League boys who wore fancy vests, but that was for color and not considered as part of their suit. But the trend is back to the vest made of the same material as the rest of the suit. That puts that old suit you own, with the vest, right back in style.

And while in this little business men's fashion, have you noticed that men's nightshirts are coming back. And Barney Averitt proves that derbies are coming back. Now we're looking for the detachable collars, suspenders, spats and walking sticks to come back.

OVER THE PROTESTS of thousands of Georgia citizens the Georgia Legislature has voted to abolish one of the finest agencies of government ever created in this state. At the direction of new administration legislative leaders have carried through to passage the House Bill 12 which will forever appear as a ghost hovering over any accomplishments which may be made by the Legislature.

NEXT TO WINNING one of those "paid-vacation-for-two with a thousand dollar wardrobe" contests is having a husband who has been invited to a meeting in Florida in February.

We confess that making arrangements for leaving becomes so tedious at times that we had almost rather stay at home. Yet, once we are on the road the irksome details become trivial.

A call had been made the first of the week to the preacher in the family to know if he still wanted his grandsons for a visit. Yes, of course, he was eagerly looking forward to her visit. In fact, he had cleaned up for her several days before. So, our first stop was the Manse a hundred miles across the state.

long time has been secretary of the Commission on Finance. Mary Lou has been a circle leader nearly every year since joining Glenn. She has served as a WSCS vice president and held several couple's club offices.

The Sewells are frequently visitors to Statesboro, and recognition of their worth to their church comes as no surprise to those who know and love them.

RECENTLY WE published the announcement of the birth of twins, a boy and a girl, to Mr. and Mrs. A. J. Dotson. We commented on the announcement saying that it was believed to be the second set of boy-girl twins to be born in Bulloch County since the birth of Mr. and Mrs. A. B. McDougall of Statesboro.

Now comes word that Bobby and Betty, twins of Mr. and Mrs. P. Brown, were born in Bulloch County. They celebrated their birthday on February 3. Mrs. Brown is the former Miss Catherine Rowe, the daughter of Mr. and Mrs. T. W. Rowe. So the Dotson's twins make the third set of boy-girl twins since the McDougall twins came along with another set.

## STATESBORO BOY TOOK PART IN INAUGURAL OF GOVERNOR HOLLINGS

A. Sidney Dodd Jr., sophomore at University of S. C., was selected as one of ten aide de camps of the Air Force who assisted in producing 900 prominent visitors at the inaugural ceremonies for Gov. Hollings.

Sidney was at home recently for the weekend having as his guests, Miss Ferrell Baker Barrette, of Winston-Salem, N. C., Miss Claire Odum and W. H. Scoggins.

HOUSES STRETCH AND TABLES GROW LONGER FOR FAMILY GUESTS

Dr. and Mrs. Hunter Robertson had as guests recently, her sister and her husband, Mr. and Mrs. A. E. Decker of Louisville, Ky. Joining them on Sunday were Mr. and Mrs. S. S. Sims of Wadley and her brothers and families, Mr. and Mrs. W. R. Mills and son, Bobby, Mr. and Mrs. James Mills and children, Jimmy and Mary Jane of Wadley, Dr. Robertson's father, Marshall Robertson and sister, Miss Carrie Robertson of Brooklet.

VALENTINE BALL The Elk's Auxiliary is sponsoring a Valentine Sweetheart Ball, February 14, from 8 until 12 p. m. at the Elk's Lodge for all Elk members.

Tickets for the dinner-dance will be six dollars per couple. Reservations are limited to 40 couples. Music will be furnished by The Rhythm Makers. Make your reservations now! Contact Mrs. Robert Westrick, Mrs. Leslie White, Mrs. Joe Franklin and Mrs. Ernest Olson for tickets.

Mrs. Erastus Akins and Mrs. Lawson Holloway were co-hostesses Tuesday, January 27, to the Town and Country Garden Club at Mrs. Akins' lovely home. Seasonal decorations were used.

Mrs. Dan Lingo presided at the brief business session. The ladies were happy to have with them, Mrs. Percy Bland of Statesboro who made an inspiring and interesting talk on camellias. Details regarding when to plant, how to plant, and information regarding the kind of plants that are best adapted to the soil were heartily received, as busy fingers were making notes. The lecture was illustrated by movie slides. Mrs. Bland also pointed out the advantages of federating with the State Garden Clubs.

Mrs. E. N. Brown, president of the Pineland Garden Club, was a very welcome guest. The hostesses served strawberry short cake, topped with whipped cream, coffee and nuts. Other attending were Mrs. Carl Nessmith, Mrs. Carlos Branson, Mrs. Homer Cason, Mrs. Cluise Smith, Mrs. Grady Spence, Mrs. Doris Cason, Mrs. Bub Lanier, Mrs. Sam Brannen and Mrs. L. P. Joyner.

There is no bitterness involved in the decision to end the work of the commission, insofar as the members themselves are concerned. The feeling rather is one of despair in knowing that the fine work already undertaken has been destroyed.

The people in Wrens, in Fort Valley, in Sylvester, in College Park, in Hinesville, in Jesup, in Savannah Beach, in Springfield, and in a score of other communities are held holding the banners. Plans have been made in these communities and help is being given by the community in knowledge. Now the work has been halted. It will be hard to tell them that no help is available.

Perhaps the legislative leaders who voted to kill the commission, in its cradle, will be able to give these communities the guidance which they seek. Let us hope that they will be able to do so.

XI SIGMA CHAPTER OF BETA SIGMA PHI Mrs. Lamar Trappell was hostess to the Xi Sigma Chapter of Beta Sigma Phi Monday evening, January 26, at her lovely home near the country club.

Lovely wafers were used effectively in the decoration. The guests were served devil's food cake and coffee.

The vice president, Mrs. Velma Rose, presided at the meeting. Plans were made for a Valentine social.

Mrs. Rose, also in charge of the program developed the topic: "Early Theater in America," in a most interesting manner.

they were the same age. Tallahassee is the only part of Florida in which we feel we'd ever want to live. It is more like our native North Georgia with slight red, clay hills. We hit a time when the camellias were perfectly beautiful. We saw Killam Gardens and felt like we were walking in paradise. We went to a Camellia show and saw a big house full of beautiful blossoms.

The meetings to which the husband had been invited were closed to wives and other hindrances so we enjoyed a tea given for the "disappointed" wives. It was also good to feel like an "unrushed lady of leisure."

WE COULDN'T forget altogether what we do at home so we spent one day at the University School observing another fifth grade from work One can always learn from such a day, and it is also good to find that our own schools aren't so bad.

We drove away feeling a little sad because we see our friends too little but also feeling very warm inside because we have such good friends who actually act like they are happy we came.

With my spare As ours will make You'll for sure.

MRS. GODFREY, A RAINY DAY HOSTESS

Here's what one mother did on rainy day, Thursday, January 29. Mrs. Godfrey, of the corner of Tillman Street and Vista Circle, called in company for her son, Conrad, who is 19 months old. The oldest guest was three years old. Little tables and chairs were ready for them in the large kitchen, warm and cozy. Bits marked the luncheon consisted of a lemonade cocktail, a main dish, hot dogs, buns and baked beans with ice cream for dessert.

ANNOUNCEMENT

The Statesboro Primitive Baptist Church Circle will meet Monday afternoon at 3:30 p. m. February 16, in the church annex. All members are urged to attend. Hostesses: Mrs. Dedrick Waters and Mrs. J. G. Tillman.

PERSONALS

D. W. Lee, who works in the machine shop, left for the Army this week. He will report to Fort Jackson, S. C., this week. Mr. and Mrs. Fred Lockett of RFD 1, were visited by their daughter, Mrs. Lawrence Kletter, and Mr. Kletter of Miami, Fla. Wilma Miller who works in the machine shop, visited her son, Private Billy Miller, at Fort Jackson, S. C., on Sunday, February 1.

CLEM RATH AND WALT BARRY TAKE CUB SCOUTS TO FORT PULASKI

Clem Rath and Walt Barry, cub masters of the cub pack sponsored by the Men's Club of St. Matthews Church, led their pack of Cub Scouts on a trip to Fort Pulaski, below Savannah near Tybee Beach, recently. Those making the trip were Cub Scouts Mark Sak, Andrew Farkas, Dave Rain, Walt Barry Jr., Bruce Barry, Jackie Wood, and Donnie Vestal. The pack committee is made up of Walt Barry, Steve Bullock, Clem Rath, Jack Savage, and Don Vestal.

TWO MEN ADDED

Announcement was made this week by Personnel that Frank S. Williams has been added to the machine shop and Carlton Atkins to the gas meters.

ROCKWELL'S BASKETBALL PLAYERS HIGH SCORERS IN MEN'S CITY LEAGUE

### What shape is your land?

By E. T. MULLIS

Mr. Farmer, Mr. Landowner—In making your inventory at this season of the year what about the condition of your land? Do you have a Soil and Capability map of your farm? Are you putting all of your land to its best use? Are your fields becoming more productive to resist erosion from the rains, winds, and storms that are sure to come? Are you getting the most out of your woodland? What pasture grasses are best adapted to your different soils? Does any of your land need drainage for increased production? Do you have a suitable site for a farm pond?

### Sunny thoughts can go with cloudy weather if one puts one's mind to it

By Mrs. W. H. Morris

The few days of sunshine, after the past week of cloudy and rainy weather, was a welcome sight for many, especially the ones who were feeling a bit under the weather, and shut-in. Today the cloudy weather is with us again, but if we have sunny thoughts, we can brighten our spirits, rain or shine. Let's try.

**WHY SUFFER FROM TOO MUCH TOGETHERNESS**

**ANOTHER PROBLEM YOU'LL HAVE IN ALMOST EVERY NEW CAR BUT MERCURY.** Six passengers...hah! Ride a while in most new cars and you'll come out laughing...bitterly... maybe hysterically. Then ride in a Mercury. The center hump (bigger than ever on other cars) is actually cut in half. Doors are 6" wider. There's 9" more knee room, more head, hip and shoulder room. This, sir and madam, is a real 6-passenger car. Comfortable, roomy, and a beauty in the bargain. Come see it, soon.

## Bulloch County is pictured as one of Georgia's best counties

Statesboro Rotarians got a good look at Bulloch County through the eyes of W. A. (Bill) Sutton, head of the Agricultural Extension Service, College of Agriculture at the University of Georgia in Athens, as he talked to them at their Monday noon meeting at Mrs. Bryant's kitchen.

Mr. Sutton was the guest speaker at the club's annual Rural-Urban Day when members invited their former friends to be their guests.

Mr. Sutton paid a high compliment to the farmers of this county when he said, "I should like to point out that when a man joins the ranks of outstanding farmers in Bulloch County he also becomes an outstanding farmer in Georgia and in the nation... for Bulloch County has the highest average yield of cotton in the state and its top farmers rank with the best in the country."

He pointed out that Bulloch ranks first in the number of hogs sold, fifth in the sale of cattle, and sixth in the production of tobacco, and "most important of all, it ranks with the best in fine peanuts."

He reported that the county has nine farmers who qualified for the Bale and a Half Cotton Club in 1958, whose average was 815 pounds per acre compared to the estimated county average of 500 pounds per acre. There are five farmers in the county whose average in peanuts was 2,144 pounds per acre, and who made the Top Per Acre Peanut Club. This is more than double the county average for 1957 of 993 pounds per acre. Five farmers are members of the 1958 Hundred Bushel Corn Club.

He gave Rotarians something to think about when he projected the possibilities if all cotton, peanut and corn growers did as well as these top producers.

He explained that the high yield of these farmers was due to good crop management and adhered to farm practices as developed by the experiment stations in the state.

He stressed the value of the county 4-H Club program as carried out by the volunteer workers under the direction of the Extension Service. "Our youth is by far the most important element in our lives and plans for a better tomorrow," he said.

## Girl Scouts Home fund at \$1000; needs \$3000

Donations for the Girl Scout building project continued to pour into the organization this week.

At latest count the fund had reached the \$1,000 mark. The building, which will be located in the park area on land donated by Mrs. F. W. Darby, will be known as Darby House by the more than 150 Girl Scouts who will know it as their "Home."

It is estimated that construction will cost approximately \$3,000. Statesboro Moose Lodge members gave the fund a big boost this week with a check for one hundred dollars. Earlier the Edgewood Civic Club had earmarked one hundred dollars to help furnish the building.

Recreation Board Treasurer Osborne Banks, announced that private individuals had given some two hundred dollars for the building and that all persons interested in the scouting program are asked to help pay the fund well over the top. Since no door to door campaign is being considered, Banks stated, the project will depend upon the voluntary help of those interested in the scouting program for its success.
