Poem

There are many things
that only God knows,
He can tell who comes
and he can tell who goes.
God is someone who
knows what's right,
He gave us the gift of light.
If you open your eyes you will see,
God brought us together
both you and me.
God created both you and I,
And he will meet us in the sky.
God is someone we must all love,
And there is truly no one above.
