Georgia sheriffs deserve approval for action

If the all male members of the Georgia State Sheriffs', Association, on the strength of their influence, have been able to keep the Georgia State Sheriffs' Association out of the political arena, the Georgia Sheriffs' Association, Inc., a political body, will have shown that its existence is not a threat to the state's political life. This is a win for the Georgia Sheriffs' Association, Inc., and for the state of Georgia.
