Give the handicapped an opportunity

We are in the midst of National
Handicapped Month, and on Octo-
ber 8, we will observe Columbus.
Day. We join with the United
Committee for the Handicap-
ted-Disabled to call attention to
the needs of the disabled. This
time, let us try to make this ef-
fort an effective one.

This is not "just another way"
to raise money. Surely, the ne-
eds of the handicapped should
be as good or better than the
needs of any other group in our
society. We should give our sup-
port to the National Federation
of the Handicapped, and we
should support the United Com-
mmittee for the Handicapped-
Disabled.

We must do more than say,
"Why, yes, I am sure it is a good
idea." We must do something.

We must do something about
the handicapped. We must give
them an opportunity to live.
