To Voters of Bulloch County:
I am a candidate for the office of President of the Board of County Commissioners of Bulloch County as the Democratic Primary in the next election, November 15, 1960. I have made every effort to acquaint the citizens of this County with my qualifications and with the problems which affect this County. In the conduct of this office, I have been an opponent to the sale of the St. John's School to the Statesboro School System, and have supported the efforts of the Board of Education in the construction of a new school building.

Go to the polls on Wed. Nov. 18 and VOTE!

Because we find deeply about our right to rule, we must use the power of our vote. The County Seal of approximately forty years ago depicts the citizens of the County, seemingly unconcerned with the government, on the part of the people. Our ancestors fought for the power of the ballot, and because we are no exception to the spirit of America, we must use this power. If you do not vote on election day, you are making a necessary effort to tell the politicians to do their job. The time has come when we must realize that our country is right.

According to the records of the County, the people are entitled to a vote. Since the election of the last election, there have been no changes in the registration. The election will be held on Wednesday, November 18.

This simple fact should be kept in mind. Our government is a people's government, made for the people. It should reflect the will of the people. In the past, we have had a high percentage of people voting. This year, the percentage is expected to be lower. We urge all citizens to vote, to keep our government strong and to make our country great.

Wednesday, Nov. 18 is ELECTION DAY.

Go to the polls and VOTE!

To Beat the Band

By Paul Dohen

The Beatle's first big show may be the most important in their career. The band, which includes John Lennon, Paul McCartney, George Harrison, and Ringo Starr, is known for their unique sound and has gained a large following in the past year. The show will feature their hit songs and will be a memorable experience for fans. The band is expected to have a successful career, and we should all support them.

The Editor's Uneasy Chair

The Editor is uneasy about the recent decision to allow the band to perform. While the band has a unique sound and has gained a large following, there are concerns about the impact on the local community. The Editor is concerned about the possibility of disturbances and the potential for the event to become too large.

Fruit of the Foe of

Virlina Russell

The gifted singer Virlina Russell will perform a variety of songs, including some of her own compositions. Her music is known for its emotional depth and soulful quality. The concert will be a special opportunity to experience her music live.

The Week's Meditation

Today marks the end of the month, and it's time to reflect on the past four weeks. The past month has been a time of growth and change, and it's important to take the time to appreciate the progress that has been made.

We can reflect on the past month and think about the challenges we have faced. It's also important to think about the things that have gone well and to celebrate our successes. By taking the time to reflect, we can gain a deeper understanding of ourselves and the world around us.

FRANCIS W. ALLEN
For Judge of City Court of Statesboro

As a Candidate for the Judge of the City Court of Statesboro I urge you to go to the polls on November 18, 1959 and vote in the Bulloch County Primary. This is a right and privilege you should not take lightly. You should cherish it and exercise it at every opportunity. Thus you fulfill your responsibilities as a citizen of this great county and nation.

I earnestly and sincerely solicit your vote and support on that day when you cast your ballot. If I should be elected Judge of the City Court, I will devote all my abilities, drawn from my years of experience, to the duties of the office, serving all the people of this county without prejudices.
