3000 kids ride Santa Claus

Special to welcome him here

It was a great day for the more than 3000 kids who rode the Santa Claus train. They came from all over the county to see the man in the red suit and his helpers. The train, which is operated by the Statesboro Railroad, stopped at the Manderfield School in Statesboro where the kids got to see Santa Claus. The kids then boarded the train and rode to the Statesboro Mall where they were given presents. The train was sponsored by the Statesboro Jaycees and the Statesboro Chamber of Commerce.
