Broiler Growers:

$1 may get you $10 when you use feeds containing PRO-STREPSM

Dual-action antibiotic helps you market more meat...in less time!

That's right! With ProStrepsM you can get over 7% more production from your birds, dramatically increasing your profits!

COSTS LESS – ProStrepsM can save you from 3 to 8 dollars per ton of feed over single, broad-spectrum antibiotics. It's not only cheaper, but you get more money from your birds!

By using ProStrepsM, you can increase your production and profits without affecting the quality of the meat you're growing.

So, why wait? Start using ProStrepsM today and watch your profits grow! For more information, contact your local feed dealer or Georgia Power Company.
