Curtis Youngblood Co offers 40-in. G-E Range for $149.95

Curtis Youngblood, continuing his fantastic bargain in an effort to help the depository of the G-E Range at $149.95. This is a low price and an opportunity to save money. Curtis Youngblood is selling the G-E Range in a variety of colors and styles, including black, white, and stainless steel. The range features a large oven, a self-cleaning feature, and a sturdy construction. Curtis Youngblood is proud to offer this range at such a low price, and customers are encouraged to take advantage of this opportunity before it's too late.
Rockwell's diversification is based upon basic objectives

Dan Rockwell asks: "What will our company do next?" The company's five-year plan is "to be the recognized leader in the critical areas of technology and marketing."

The company's diversification has included the manufacture of measuring devices, meters, and instruments, and it has diversified into a wide range of products and services.
