The Easter Story as told by Luke

As told by Luke
Chapter 22:1-23:56

NEW TESTAMENT: THE EASTER STORY

The story of Easter is one of the most significant events in the Christian faith. It is the day when Jesus Christ rose from the dead, bringing hope, salvation, and new life to all who believe in Him.

In Luke's account of Easter, he tells of the events leading up to Jesus' resurrection. He describes how the disciples were present at the Last Supper, where Jesus predicted His betrayal and death. The story then moves to the Garden of Gethsemani, where Jesus was betrayed by Judas Iscariot and arrested by the Roman soldiers. Despite the tribulations, Jesus remained true to His mission and fulfilled the prophecy of the Messiah.

After His arrest, Jesus was taken to the temple and then to Pilate. He was found guilty of blasphemy and sentenced to death. He was crucified on the cross, and His followers watched in awe as He died.

On the third day, the disciples gathered near the empty tomb, wondering what would happen next. Suddenly, the door opened, and angels appeared. With amazement, they realized that Jesus had risen from the dead.

Jesus appeared to His disciples, comforting and reassuring them that He was indeed alive. He instructed them to go and tell the world of His resurrection, and this is the story that continues to inspire and guide Christians today.

The story of Easter is a celebration of victory over death and the promise of eternal life. It is a reminder that, through faith in Jesus Christ, we can have peace and everlasting joy in this life and the life to come.
