The editor's uneasy chair

Dear Editor,

We wish to express our concern about the increasing spread of pneumonia in Bullock County. We are aware of reports of pneumonia in neighboring counties, and we believe it is only a matter of time before it reaches us. We urge all citizens to take steps to prevent the spread of pneumonia, such as washing their hands frequently and avoiding close contact with people who are sick.

Sincerely,

AA helps those who come seeking help

By El. John Money

ASSOCIATION OF AMERICAN

I received a call from a man who was seeking help for a loved one with alcoholism. He was not sure where to turn for assistance, so I directed him to the AA meeting in our area. It was a good decision, as the man was able to find the support he needed and is now working to overcome his addiction.
