WASHINGTON, D.C. (AP) — More than 15 million dollars worth of merchandise was stolen from a warehouse in the nation's capital, police said Thursday.

The theft, which occurred early this morning at the warehouse located at 1234 Main Street, involved the theft of a large quantity of electronics.

The suspects are described as two men, both wearing dark clothing. The men were seen entering the warehouse, and were last seen leaving with the stolen goods.

Police are appealing for information to help identify the suspects.

The investigation is ongoing, and anyone with information is urged to contact the police.
