BYLINE: BONEHEAD — MARKETING MUSINGS
Jimmy Dorsey Orchestra to play at GSC September 27

The GSC student body and faculty will have the opportunity to enjoy the talents of the Jimmy Dorsey Orchestra conducted by Jimmy Dorsey himself. The orchestra is composed of five saxophone soloists, a rhythm section, and piano, bass, drums, and guitar. Jimmy Dorsey is the leader and arranger of the group as well as one of the soloists.

The orchestra is well known for the recent feature in the film "Swing, Swing, Swing." The group has been together since 1940 and it is hoped they will continue to tour for many years to come.

The concert will be held in the River Road Auditorium at 8 p.m. on September 27 and admission will be $1.00. The concert is part of the college's year-round music program and is sponsored by the GSC Student Council.

We welcome the Jimmy Dorsey Orchestra to our city and community. We hope you will join us in enjoying the music provided by this outstanding group.
