# 'Miss Statesboro' to be named Oct. 29

The Statesboro Junior Chamber of Commerce announces today that plans are well under way for the holding of the Miss Statesboro Pageant on October 29, 1960, at the W. S. Hamner Building at Georgia Southern College.

Trophies have been ordered for the occasion and will be awarded to the following winners: Miss Statesboro, Miss Talent, Miss Bathing Suit, Miss Evening Gown, and Miss Congeniality. Miss Congeniality will be selected exclusively by the contestants. It has been pointed out that according to the rules as set forth by the Miss America Pageant, that twice as many points are given to the talent aspect of the pageant as any other single item.

The pageant will be held in conformity with the Miss America and Miss Georgia roles and the Miss America programs have already been ordered. The judges have already been selected and their names will be announced later.

WILLIE E. SMITH ABOARD AIRCRAFT CARRIER USS CORAL SEA

Willie E. Smith, boatswain's mate third class, USN, son of Mr. and Mrs. Samuel E. Smith of Route 6, Statesboro, Ga., departed Alameda, Calif., Sept. 16, aboard the attack aircraft carrier USS Coral Sea to join the seventh fleet in the Western Pacific.

During the far Eastern cruise the carrier is scheduled to visit ports in Japan, the Philippines, Okinawa and Hawaii.

JUNIOR WOMAN'S CLUB TO MEET THURSDAY AFTERNOON AT 3:30

The Statesboro Junior Woman's Club will meet at the Recreation Center on Fair Road this afternoon (Thursday) at 3:30 o'clock. The program will be on "Rescue Breathing" and will be presented by Fred Lindsey of the American Red Cross.

Planning in advance for fire emergencies could save about 85 percent of the lives lost annually in home fires—and these fires take about 6,000 lives each year, according to Willis E. Huston, Extension engineer.

# Federal funds for new Armory to be released this fiscal year

Mayor W. A. Bowen has announced that federal funds for the proposed new Statesboro National Guard Armory will be included in the new money released by the Bureau of the Budget to the Department of Defense.

"A high authority in the Defense Department has assured me that federal funds for the Statesboro Armory will be released by the Bureau of the Budget during this fiscal year," he said.

The Mayor said that the total cost of the Armory is expected to be around \$240,000 with the Federal government putting up half of this amount. The rest of the cost will be furnished by state and local funds which the City of Statesboro and Bulloch County already have available and earmarked for the Armory.

Mayor Bowen recalled that Georgia's Adjutant General, George J. Hearn, had assured local officials that as soon as the federal funds are provided, the state will put up its share of the money.

On receiving the new information about the availability of federal funds, Mayor Bowen immediately wrote Governor Ernest Vandiver that the City of Statesboro and Bulloch County had their share of the money ready and that he was most anxious for the state of Georgia to expedite the payment of its share as soon as the federal funds were released.

# Tourist industry is 'big industry' here

The impact of the tourist industry on Statesboro and Bulloch County was revealed in figures released this week by Mr. Albert Gibson, executive secretary of the Statesboro and Bulloch County Chamber of Commerce, furnished him by Mr. Charles Bryant and Mr. Ralph White. Mr. Bryant is a member of the board of directors of the Chamber of Commerce and is chairman of the tourist committee.

Working over a period of six weeks, Mr. Bryant and Mrs. White carefully checked with every business along U. S. 301, U. S. 80 and U. S. 25 which is in direct contact with tourists using these highways. The figures are not estimates but are from the books of those cooperating in the survey.

The figures reveal that there is a total of \$5,797,000 invested in tourist facilities in Statesboro including seventy-three hotels, motor courts, hotels, restaurants and service stations. There are 450 motel units, 103 hotel rooms, ten restaurants (including three barbecue units) and service stations.

The total gross income of these tourist facilities is \$6,607,300 a year.

Five hundred and fourteen citizens of this community are employed in the tourist industry with a weekly payroll of \$24,520, to average \$42.00 per week per individual. There are 234 male employees and 280 female employees. These figures do not include salaries or drawing accounts of the owners.

"This weekly income of \$21,520 is spent right here in Statesboro," Mr. Gibson pointed out. "It buys a lot of clothes, a lot of furniture, a lot of many things," he added.

These figures, carefully compiled, indicate that the tourist industry touches nearly every segment of the local economy. Mr. Gibson pointed out, "It is one of the community's most important industries," he said.

"Statesboro has a good reputation with tourists who use these federal highways and it is desirable that we continue to do that good will by the citizens."

The state highway department figures show that an average of 6,600 automobiles pass through Statesboro every twenty-four hours.

# First Baptists begin revival on October 23

The Fall Revival at the First Baptist Church, Statesboro, will begin Sunday, October 23, with Dr. James T. Burrell of Bainbridge, Georgia as guest preacher, and Bernard Morris of Statesboro as song leader.

Services will be held twice daily through Friday, October 28, at the regular hours on Sunday and at 7:30 a.m. and 7:30 p.m. during the week.

Dr. Burrell is in his eighth year as pastor of the First Baptist Church of Bainbridge. He is a graduate of Mercer University and the Southern Baptist Theological Seminary, Louisville, Kentucky. Prior to his Bainbridge pastorate he served as pastor of the First Baptist Church of Forsyth, Georgia. He is a member of the Georgia Baptist Executive Committee and has held a number of other denominational positions.

Bernard Morris is a native of Statesboro and received his education at Georgia Southern and the University of Georgia where he was a member of the Glee Club. He is in business with his father locally and has served as Director of Music at the First Baptist Church for the past year and a half.

The week day services will be broadcast over the local radio station WWSN. The morning services during the week will be for only 30 minutes each morning beginning at 7:30 and concluding at 8:00. The church nursery will be open for the Sunday services and for the night services throughout the week.

All members and friends of the First Baptist Church are hereby extended a cordial invitation to attend these services.

# Local Bar to honor the late B. H. Ramsey

Members of the local bar association will pay tribute to the late B. H. Ramsey in special memorial exercises following the convening of the October term of the Bulloch Superior Court on Monday morning, October 24 at 10 o'clock.

Members of Mr. Ramsey's family will be special guests of the association. Their friends are invited to be present at the ceremony.

The memorial will be held in the county courthouse.

# Statesboro assets to attract industry

Recently an Industrial Workshop was held in Statesboro sponsored by the Statesboro and Bulloch County Chamber of Commerce. Led by two experts in industrial development problems, a study was made of the assets and liabilities which the city and county possess which might be considered by industry seeking a new site for expansion.

The city is now completing a one and one-half million dollar water-sewer expansion and improvement program including a new water tank and new sewage disposal plant. The water supply is one of the finest in the southeast with the water tested regularly by the state department of state. It is bacteria free and chlorinated. The program is financed by revenue certificates, constituting no general obligation against the municipality.

Constructed in 1955, the city has a fine natural gas system which is financed by revenue certificates with no general obligation against the municipality.

(Note—Next week we will continue looking at the assets Statesboro has to offer industry seeking a site here).

# Senior Woman's Club to meet this afternoon

The October meeting of the Statesboro Woman's Club will be held at the Recreation Center on Fair Road on Thursday afternoon, October 20, the program will be on "Togetherness — Learning in Realms of Books," the program theme will be highlighted by Miss Isabel Sorries, regional librarian, who will discuss the library service of the Statesboro Regional Library.

The Education Committee, Mrs. J. Robert Smith, chairman, regional librarian, who will discuss the library service of the Statesboro Regional Library. Hostesses will be the public affairs committee, Mrs. L. M. Durden, chairman.

# Membership of Chamber of Commerce is 228

The Chamber of Commerce reports nine additional checks have been received since Thursday, last week. This brings the total for the year to 228. All prospective members are urged to send in their checks immediately, as this figure is still short of the number of members needed for the completion of our program during the 1960-61 year.

Members sending in their checks are: Aldred's Downtown Court, Blackburn Service Stations, Shuman's Trading Center, J. C. Blackburn Co., and J. L. Hodges Department Store, Grimes Jewelry Co., D. R. DeLoach, Hendrix Self Service Grocery, and The Bulloch Times.

A supper was served and the supper committee was assisted by members of the Future Homemakers of America girls of SEBH.

Approximately 850 people attended the show.

# An Editorial

There's more to the November 8 General Election than voting for candidates who were nominated in the Democratic Primaries.

There will be nineteen Constitutional Amendments which citizens will be called upon to express approval or disapproval.

The chances are slim that you will take time while standing in the voting booth on November 8 to read and study each of these nineteen Constitutional Amendments before voting for or against each one.

We believe that it is in the interest of our community and Georgia at large to focus attention now on Amendment Number Ten which will read like this on the ballot: "This is an Amendment: . . . to provide that the Commissioner of Agriculture shall be ex officio a member of the Board of Regents of the University of Georgia."

If approved this will mean that the Commissioner of Agriculture will automatically become a member of the Board of Regents, and the Board will then consist of sixteen members.

This means that "a political office" will be given a place on our Board of Regents, since the amendment specifies that "the Commissioner of Agriculture shall be ex officio a member of the Board of Regents of the University of Georgia." There is no assurance given in the amendment to the people of Georgia that we'll always have a Commissioner of Agriculture to measure up to the stature of the present Commissioner.

It would be disastrous to ratify this amendment, thus providing state politicians with a tool with which to begin the process of undermining the effectiveness of the Board.

This means much to us here in Statesboro and Bulloch County, as well as to all the state of Georgia.

The record of the present fifteen-member board has been excellent. To introduce a sixteenth member whose membership is based upon the uncertainties of politics would breed confusion and weaken the very agency upon whose future our higher education system rests so heavily.

This is our carefully considered position. We hope it is yours.

We do urge you to think carefully on it before you vote on it November 8.

# Everett Williams to head Girl Scout campaign

Area Girl Scout officials today announced that F. Everett Williams of Statesboro would head the annual Girl Scout Fund Drive for Bulloch County. Mr. Williams is a lifelong resident of Bulloch County, a former Chairman of the County Board of Education, and now serves on the Board of Regents of the University System and is Chairman of the Statesboro Recreation Board.

Mr. Williams is active in all programs affecting the young people of Bulloch County and scout officials were high in praise of his consent to serve as Chairman of the Drive.

Mr. Herman Bray, Cashier of the Sea Island Bank in Statesboro has been named by Mr. Williams to act as Treasurer of the fund campaign.

"I'm sure that the people in Statesboro and Bulloch County want very much to continue the very fine work being done in our area for our girl scouts," Mr. Williams stated. He praised the work being done in the Council by the volunteer workers and expressed hope that in the near future other areas in the county could be reached which do not now have a girl scout program.

In Statesboro more than 200 girls are active in the scouting program under the supervision of some 25 volunteer leaders.

# Revival begins at Immanuel Baptist Church

Revival services will begin on Sunday, October 23 and continue through Sunday, October 30, at the Immanuel Baptist Church, Brooklet.

# Curtis Youngblood Co. opens new store

Mr. and Mrs. Curtis Youngblood have opened their new store in Statesboro. The new store is located at the intersection of North Main Street and Walnut Street.

The new furniture and appliance store is said to be "South-east Georgia's finest furniture and appliance center." Located in the Simmons Shopping Center it faces north on the parking area 150 feet and extends along North Walnut Street 100 feet.

The modern building was built by Boy and Hall of Savannah, Ed Echles of Statesboro was the architect.

A canopy of unique design, over the sidewalk features the front and side of the building. Glass walk features the north front and the east side of the building.

Mr. Youngblood states that a series of gifts will be given away on October 29, November 5 and November 12. "All you

Mrs. Mathews and Mrs. Barnes have afternoon bridge

Mrs. E. L. Barnes and Mrs. C. B. Mathews were joint hostesses recently at a lovely afternoon bridge party in the banquet room at Mrs. Bryant's kitchen.

The table on the platform held a beautiful arrangement of white and yellow mums and yellow pom poms.

Before the bridge games the tables were very attractive with lace paper mats and floral tea napkins. Chicken salad and wafers, salted nuts, mints and punch were served.

Mrs. Harry Smith received a double deck of cards for club high, and Mrs. Mary Kate Evans won cards for visitor's high. For club low Mrs. Arthur Turner's prize was hand lotion. Visitor's low, hand lotion, went to Mrs. Pat Brannen. Mrs. Alfred Dorman won a fish basket for cut.

Guests were invited for twelve tables.

**K of P to hold Ladies Nite on October 28**

Statesboro Lodge No. 97, Knights of Pythias, will hold their annual "Ladies Nite" Friday night, October 28th, in the Cafeteria of the Sallee Zetterow or Elementary School. PTA members will prepare and serve the dinner. Hon. A. O. Overman, Grand Vice Chancellor, of the Georgia Grand Lodge of Knights of Pythias, will be guest speaker. Other parts of program is incomplete.

Statesboro Lodge was organized in 1897. The first Lodge of the Order was founded in Washington, D. C. on February 19, 1864. After being told of its teaching, President Lincoln said: "The purpose of your organization is most wonderful. If we could but bring its spirit to all our citizenry, what a wonderful thing it would be. It breathes the spirit of Friendship, Charity and Benevolence. It is one of the best agencies for the uplifting of the government and honoring the flag, for re-uniting of our brethren of the North and of the South, for teaching the people to love one another, and portraying the sanctity of the home and loved ones. I suggest that these great principles be perpetuated and that you go to the Congress of the United States and ask for a charter, and so organize on a great scale throughout this nation, and disseminate this wonderful work that you have so nobly started. I will do all in my power to assist you in this application and with your work."

**BABY TANTES**

Mr. and Mrs. J. Edgar Tuton of Brunswick, Georgia, announce the birth of a son, Wendell Tracy Tuton, on October 12 at the Glyn Memorial Hospital. Mrs. Tuton will be remembered as Miss Betty Jean McCall, formerly of Statesboro.

Color can make a small room seem larger when the color is quiet and cool. Gay and intense colors in large areas can make a room seem smaller. Miss Ava Rodgers, home furnishings and art specialist for the Georgia Agricultural Extension Service, says these principles should be kept in mind in decorating a house.

## Two special features planned for Fall Festival Oct. 27 - 29

Two very interesting meetings for the people of Bulloch County have been scheduled for the Georgia Theater in Statesboro. The first, an interesting demonstration showing how and farmers can make more money raising the proper breed of hogs, is set for 10:30 a.m. on Thursday, October 27, 1960.

The second meeting will be a color slide presentation of actual Soil Conservation practices that are in effect in our county. They include ponds, terraces, waterways, drainage ditches, woodland conservation, mulch farming, wildlife, pastures and other projects. You will want to see how your friends and neighbors have used Soil and Water conservation to increase the earning power of their farms. This meeting will be held at 10:30 a.m. on Friday morning, October 28, 1960.

The meetings are being held as a part of the three day Fall Festival of Values being sponsored by the Merchants Committee of the Statesboro and Bulloch County Chamber of Commerce. All citizens of Bulloch and surrounding counties are cordially invited to be our guests at the Georgia Theater on these two mornings.

## Bulloch County students win four awards

Awards went to four students from Bulloch County, two from Chatham and two from Effingham at a four-county awards banquet held Friday night at Gray's High School for outstanding members of Future Farmers, Future Homemakers and 4-H Club members.

The 4-H winners of the divisions in which they won are as follows: Mary Alice Belcher of Bulloch County, junior division; Millard Martin of Bulloch County, junior boys division; Future Homemakers division; Carol Grier of Bulloch County, junior division; Future Farmers winners; Raymond Waters of Bulloch County, senior division. Other winners were: Sandra Strobbeln of Chatham County, Billy Ingram of Effingham County, Caroline DeLoach of Effingham County and Marvin Strickland of Chatham County.

Trophies in the form of foot-high Olympic-type plaques were presented to the winners by First District Congressman-nominate Elliott Hagin. The speaker was George P. Donaldson, president of Abraham Baldwin College in Tifton.

Eight of the Western Shopping Center stores which sponsored the banquet will have small displays in their stores today and next week of project activities carried out by the trophy winners.

Among the approximately 220 persons attending the banquet were homemaker and agricultural teachers, home demonstration and county agents, outstanding FFA, FHA and 4-H Club members, Principal Donald M. Gray of Groves High School, Supr. D. Leon McGowan of the Chatham school system and Tap Bennett, agricultural director for the Central of Georgia and one of a very few people who have received honorary awards from both FFA and FHA state organizations.

Those attending from Bulloch County were Mr. W. C. Hodges, Mr. J. H. Wyatt, Mr. and Mrs. J. D. Sharpe, Mr. and Mrs. Hudson Godbee, Mr. and Mrs. M. P. Martin Jr., Mr. and Mrs. Robbie Belcher, Miss Henrietta Hall, Mr. and Mrs. Margan Waters, Mrs. J. E. McCall, Mr. and Mrs. Fred Bradford, Miss Tiana Pall, Mrs. E. W. Williams, Mr. John Sponcer, Mr. and Mrs. Roy Powell, Mr. and Mrs. Jones Peebles, Mr. and Mrs. W. E. Gear and Miss Judith Webb.

### Special classes for adults are offered

A special effort is being made in Bulloch County to begin classes in adult education designed to teach adults to read and write, who were deprived of this opportunity in earlier years.

This course is being offered for the purpose of teaching the basic reading and writing skills so that from this point forward he can teach himself with little or no assistance.

The Bulloch County Board of Education is extremely anxious to be of assistance to anyone who needs further aid in learning to read or write, which is so badly needed in the business world of today.

Employers are urged to give information on the name and address of any employee who needs this assistance. All who are interested in attending classes in reading and writing please contact the director of adult education program, Bulloch County, Miss Maude White, Statesboro, Ga., or call at 4-2323 after 3:00 o'clock p.m.

The Bulloch County Department of Education is now offering a math class in adult education for those interested in general math, advanced math, and or drafting and drawing. If you are interested in math please contact the Director of the Adult Education Program, Bulloch County, Miss Maude White, or call her at PO 4-2323 after 3:00 p.m.

It is necessary to have a minimum number of 15 students for the class to be organized.

We can not protect our children from problems. What we must do is to prepare them to meet and solve problems adequately, says Miss Audrey Morgan, head of the Extension family life department.

## Survey Report is complete picture of Bulloch schools

EDITOR'S NOTE - This week we begin the presentation of the "Survey Report" made on the school system of Bulloch County. The presentation will include the report on the description, the financial ability of the county to operate public schools, the custodial and maintenance program, instruction, and finally the recommendations made for the Bulloch County school system. We suggest that you clip this out and save it for future reference so that when the series is finished you will have the complete Survey Report for close study.

On invitation by the Bulloch County Board of Education for assistance in making a school plan, pupil transportation and instruction program survey, the committee composed of the people listed below met on May 30th and 31st.

Mr. L. H. Cook, Special Agent Teacher; Mr. Sidney A. Jenkins, Superintendent, Screven County Schools; Dr. Joseph Williams, Dean of Men, University of Georgia; and the following people from the State Department of Education: Mr. J. M. Baker, District Supervisor, Vocational Education; Mr. H. V. Bullock, Consultant, Division of Instruction; Mr. T. C. Chambers, School Building Maintenance Consultant; Mr. Alfred L. Davis, Chief, School Plant Services; Mr. T. DePorr, Assistant Director, Division of Administration; Mr. John Maddox, Coordinator and Mr. W. E. Thoms, Coordinator, Pupil Transportation.

Prior to the visit by the committee, Superintendent H. Womack had prepared data for the committee to use in making the study. Information about the facilities at each school, trends in enrollment and attendance, and bonding status was prepared for each member of the committee.

The committee was divided into four groups and visits were made to each school center to observe conditions and to see the needs for additional facilities.

After the visits, the groups met and discussed the facilities at each school center and filled out Form No. 10 showing the number of teachers employed, the grades taught, the enrollment, average daily attendance, number of standard instructional units, the student capacity of the standard units, additional units needed and additional available units.

The standards adopted by the State Board of Education for allocation of instructional units was used to determine the number of units earned at each school center, based on the average daily attendance.

The committee commends Superintendent Womack for the excellent way the data was prepared for use by the committee and the assistance given to the committee during the study. There is real evidence that administration has a genuine desire to provide the very best educational program possible with the resources available.

The committee appreciated the opportunity to meet with the Board of Education and other interested citizens and discuss the report at the conclusion of the study.

**BROOKLET ELEMENTARY SCHOOL**  
This school is located on a nine acre site within the city limits of Statesboro. The building is of brick construction and is approximately 35 years old. It needs a good renovation to make it a good teaching facility. There is an enrollment of only 107, with an ADA of 102. Five teachers, including the principal, are teaching grades 1-7. The building contains an office, a small kitchen and lunchroom and seven instructional rooms.

A frame building, in need of considerable repair, housing the gymnasium is located on the site.

**SOUTHEAST BULLOCH HIGH SCHOOL**  
This school is located in the southeastern part of Bulloch County near Brooklet. The building is five years old and is situated on a 25 acre site. The plant contains 22 instructional units, providing adequate space for grades eight through 12. The average daily attendance is 289. The building is an excellent facility.

**STATESBORO HIGH SCHOOL**  
This school is located on a five acre site in the city of Statesboro. The school plant includes a 21 standard instructional unit brick building, a brick gymnasium, and a temporary wooden building. The main building is 38 years old. The school staff numbers 25 and the program includes grades eight through 12. The building is structurally sound but ill suited for a modern comprehensive high school. Seven of the instructional units are substandard in size. The average daily attendance for the seventh month of the school year 1959-60 was 556.

**STILSON ELEMENTARY SCHOOL**  
This school is located on a nine acre site that is partly landscaped. The building, about 35 years old but in good repair, there are eight standard size classrooms, an instructional library, five storage rooms. Adjacent buildings on this campus house a gymnasium, a community center and a shop. The gymnasium is used for play activities and is in fair condition except for a leak in the roof and broken windows. The greatest need is for desks in the seventh grade room. The ADA for the seventh month of the school year 1959-60 was 142.

**WILLIAM JAMES SCHOOL**  
This combination facility for elementary and high school students is situated on a one acre site within the city limits of Statesboro. It was constructed in 1954.

Forty-nine teachers are employed for grades 1-12, serving an ADA of 1,238.

Lanier Jewelers, Sears, Roebuck & Co., Jones the Florist, Flanders Tire Service, Bulloch Stockyard, and J. Clyde Mitchell.

Georgia farmers paid hired labor \$60.8 million in 1959, reports Stephen J. Brannen, head of the Georgia Extension Service economics department.

## Versatile Dean of Women Finds Job New Experience

By MARY CHARLIE DURDEN

One of the new and interesting personalities on the GSC campus this year is Mrs. Carolyn Currie Gettys, Dean of Women. She is replacing Miss Erma Morgan who has accepted a position as director of guidance and testing for the Toconoco city schools.

Mrs. Gettys comes to Georgia Southern from Cordele where she began social work in 1948 in Crisp County schools. During her 14 years there she taught girls' physical education in addition to her work as a visiting teacher in addition to her work in the district.

Through diligent work, she developed a visiting teacher program which was primarily an attendance program. This plan included working with students and parents of students who were emotionally disturbed.

A native of Mt. Vernon and a graduate of Brewton-Parker High School, Mrs. Gettys attended Limestone (S.C.) College for a year and three years at Schley County High School prior to entering the Cordele system.

This summer Mrs. Gettys received her master's degree in social work from Florida State University. As part of her training she interned as a student social worker at the Mental Health Clinic at Tallahassee.

A very versatile person, Mrs. Gettys is interested in all sports, fishing and music. She only takes a few minutes around town to see what an understanding, good-humored, friendly and competent person we have in this important position.

Mrs. Gettys says her main objective as Dean of Women is to provide the leadership and backing of any program which will aid both men and women students to obtain their maximum best.

## Enrollment at GSC soars to 1,262 for an all-time record

The fall quarter undergraduate enrollment at Georgia Southern College rocketed to 1,262 students this year, an increase of 17.5 per cent over the previous fall record of 1074 for 1959.

The official enrollment figures, released Wednesday, October 5, are as follows:

U'grad.	men	women	tl.
Freshmen	199	212	411
Sophomores	133	137	270
Juniors	167	148	315
Seniors	137	129	266
	636	626	1262

Special Programs: (Sat. evening, in-terminals) 42 99 141  
Grand total 678 725 1403

The undergraduate men outnumber the women 636 to 626, however the complete totals reveal that the women outnumber the men 725 to 678.

The freshman class of 411 is the largest while the seniors total 266, the juniors, 315 and the sophomores, 270.

There are 840 students in the dormitories, 420 in each of the men and women's dormitories. Forty-three students are living in off campus housing. Three hundred and seventy-nine students are day students.

## Masquers Will Present 'Twelfth Night' Nov. 21-22

The fall quarter production of the Masquers, the GSC drama society, "Twelfth Night" or "What You Will" will be given Monday and Tuesday, November 21 and 22.

Mr. Robert Overstreet, director, said of the play, "This Shakespeare's most charming, mellow, gentle, kind and beautiful play. He added that it is a treatise on love at all levels, taking in love through every avenue from sophistication to comedy.

The cast of 18 is as follows: Jims Fields, Claxton, as Orsino; Curtis Anderson, Orlin, as Antonio; Bill Kasta, Jacksonville, as Valentine; Stacy Wells, Hinesville, as Curio and the Priest; and Claude Arvin, Palmetto, as Sir Toby.

Also included are: Ronald Nesbitt, Atlanta, as Sir Andrew; Jimmy Ray Johnson, Stillmore, as Malvolvo; Frank Chew, Barrow, as Festing; Sammie Jones, Westgate, as Chira; Dreuna Scaly, Griffin, as Maria; Drena Smith, Colorado Springs, Colorado, as Maria; and Jack Daniels, Waynesboro, as the Officer.

The parts of Sebastian and Fabian have not been cast as yet.

Rehearsals are now being held at 7:30 p.m., every night.

## First Baptists hold revival

Revival services will be held in the First Baptist Church of Statesboro the week of October 23-28, with Dr. James T. Burrell, pastor of the First Baptist Church, Bulloch, Georgia, as guest preacher.

The song leader for the meetings will be Bernard B. Morris, director of music for the local church.

There will be two services daily, at the regular times on Sundays and at 7:30 a.m. and 7:30 p.m. during the week.

Additional details about plans for the week will be given next week, according to the pastor of the church, Rev. J. Robert Smith.

More answers on nematodes given

By ROY POWELL, County Agent

**NEMATODE QUESTIONS**

During the past two weeks, answers to frequent questions about nematodes have been given in this column. Most of the questions so far have been general. This week, however, we take up questions on how to control nematodes.

As you may know, agricultural scientists estimate that nematodes take about 1/10 of everything you grow unless they are controlled. So, answers to the following questions may help you make money.

Q: Are there optimum for collecting samples for sending to laboratories to be checked for nematodes?

A: Yes. Generally during the active growing period of the crop nematodes can be found and collected better from soil and root samples. Under normal laboratory assay methods root-knot nematodes are difficult to locate during the dormant periods or winter months.

Q: How can a person determine if a nematode problem exists?

A: The soil and plant roots can be analyzed for the presence of parasitic nematodes. Also, a person can treat a small part of the land to see if economic responses are obtained.

Q: Can nematodes be effectively and economically controlled?

A: Yes. Chemicals, known as nematicides are now on the market which will effectively control nematodes. Other measures which will reduce populations are flooding, sanitation, crop rotation, fallowing, selection of planting stock, etc.

Q: How do you apply the various materials that will control nematodes?

A: Depending on the crop, soil type and nematodes to be controlled, the materials can be applied various ways. The granular forms can be mixed with fertilizer and applied at, or prior to, planting times or they can be applied around certain plants after they are established.

Q: How much does it cost per acre to control nematodes?

A: No. Although the present nematodes killed may approach 100 per cent, a total kill is almost impossible to obtain. This is due to nematodes escaping in clods of soil, in plant roots, etc. The unkillable nematodes are capable of reproducing rapidly

in the absence of competition and, therefore, pose a potential threat to succeeding crops.

Q: Should soil always be treated for plant parasitic nematodes?

A: No. If a doubt exists, the person can have his soil checked (during the growing season) or he could treat a portion of the land to see if a beneficial response is obtained. Also, if a low cash value crop is involved, soil treatment is usually not economical.

Q: Are there chemicals the only means of controlling nematodes?

A: No. In certain cases where low cash value crops are grown and/or land is plentiful, crop rotation, fallowing, and flooding can be used to reduce the population of plant parasitic nematodes. Certain other measures will help, such as sanitation and selection of planting stock.

SHS Criterion editors attend Seminar

The Criterion Editors attended the Mercer Yearbook Seminar at the Mercer University in Macon, Georgia, Friday, September 23.

The five editors to attend were: Paula Banks, Editor; Fran Landman, Class Editor; Harriet Hollenbeck, Sports Editor; Martha Faye Hodges, Feature Editor; Darlene Youmans, School-Life Editor. Reverend Auston Youmans accompanied the girls.

The Seminar was divided into three divisions: Dr. William H. Taft, University of Missouri, whose topic was "What makes an All-American Yearbook" included such material as objectives, themes, planning, and what to include in your yearbook.

"Organization of Material-Photography" was the subject of Mr. Bob Lynch, Yearbook Consultant. Copy sheets, ideas for posing, picture quality, cropping, and planning the dummy (a miniature yearbook) were explained.

Mr. Fred Koger, Art Consultant, pointed out the principles of good layouts, double-page spread, artwork, new ideas for different section layouts in his presentation.

Georgia farmers spend 97 percent more money to get a dollar of sales than they did ten years ago, reports Stephen J. Branen, head of the Extension economics department.

MR. AND MRS. JAMES E. BATCH

Miss Prosser and Mr. Batch are married here

The First Baptist Church was the scene Sunday, October 9, of the wedding of Miss Myra Alice Prosser, daughter of Mr. and Mrs. Russ Lee Prosser, and James Earl Batch, son of Mr. and Mrs. Richard M. Batch of Oak Ridge, Tennessee.

The Reverend J. Robert Smith, pastor of the church, officiated at the ceremony. The altar of the church had a background of palms centered with a massive arrangement of white gladioli and white chrysanthemums, illuminated by tree candelabra holding numerous lighted cathedral tapers. The bride and groom knelt at a white satin prie-dieu. The pews were marked with white satin bows and mums.

Preceding the ceremony, Mrs. E. L. Barnes, organist, entertained with a selection of wedding music. Mr. Bernard Morris, soloist, sang "I Love Perfect Love" by Barnsley as the couple knelt at the altar.

Mr. Richard M. Batch, served his son as best man. Those serving as usher-groomsmen were Mr. Marvin Prosser, of Bremen, and Mr. J. Mooney Prosser, of Statesboro, brothers of a bride, and Mr. Wayne Hillis and Mr. Mick Magulias, of Savannah.

Mrs. Robert F. Whitaker, of Fernandina, Fla. served as her sister's matron of honor. Bridesmaids were Miss Beverly Joyner, Statesboro and Miss Norma Rushing, Register.

They were lovely in models of emerald green and royal iridescent silk gowns with crushed bodice, a modified scoop neck in front tapering to a slight point in the back with the self fabric forming a beautiful crushed collar, and a very full skirt. They wore matching bandeaus with nose length veils and emerald satin shoes. Their bouquets were fashioned of shades of bronze chrysanthemums with matching ribbons.

Myra Lou and Melanie Carey, daughters of Mr. and Mrs. Joe Carey of Lexington, Ga. nieces of the bride, served as flower girls. They wore emerald green dresses and bandeaus and carried yellow and white baskets.

Following the ceremony Mr. and Mrs. Prosser entertained at a reception in the social hall of the church.

The bride's book was kept by Mrs. Bill Green of Atlanta. As the guests arrived they were greeted by Mrs. Jim Spiers who presented them to the receiving line composed of the bride and groom, their parents, and the bridal attendants.

The bride's table, arranged by Mrs. Ralph Tyson, was covered with an imported linen cloth, centered with a beautiful embossed tiered wedding cake. On each end were three branched candelabra holding burning

white candles with white chrysanthemums and carnations cascading from the branches. The punch tables were overlaid with moss green taffeta covers centered with floral arrangements.

Mrs. T. W. Rowse and Mrs. L. E. Flake cut and served the wedding cake. Assisting in serving punch, cake, salted nuts and mints, were Mrs. J. D. Fletcher, Mrs. W. W. Jones, Miss Mary Ann DeLoach, Miss Judy Williams, Miss Lorraine Nabers, Miss Gail Raley, Gwendia and Kay Hendricks. Mrs. Charlie Nesmith stood at the door as the guests departed and invited them to the home. Presiding in the gift room at home were Mrs. Otis Hollingsworth and Mrs. Lebrun Deal. For traveling Mrs. Batch wore a street length olive green sheath dress with satin piping at sleeve neck and green satin belt, worn with brown accessories. Her corsage was the white orchid lifted from her bouquet.

After a short wedding trip the couple will make their home in Oak Ridge, Tennessee.

**REHEARSAL DINNER**

Mr. and Mrs. Richard M. Batch, patron of the rehearsal dinner, entertained the Prosser-Batch bridal party at a rehearsal dinner on Saturday, October 8, at Mrs. Bryants Kitchen on Saturday.

The guests were seated at a U-shaped table decorated with mixed arrangements of gladioli, carnations and chrysanthemums. A delicious four course dinner was served to the twenty-six guests who places were marked with silver wedding ring placards.

Miss Prosser wore a white lace and chiffon dress. She presented her attendants sterling silver heart-shaped necklaces. Mr. Batch presented his attendants pearl tie pins, and the ring bearer received a sterling silver identification bracelet.

**LUNCHEON**

Mrs. Mooney Prosser, Mrs. Marvin Prosser, Mrs. Joe Carey and Mrs. Bob Whitaker entertained Miss Myra Alice Prosser with a luncheon on Saturday, October 8, at Mrs. Bryants Kitchen. An arrangement of yellow dahlias centered the table and smaller arrangements were used along the table.

A pretty luncheon plate was served. Bridal place cards marked the places for Miss Prosser, Mrs. R. L. Prosser, Mother of the bride, Mrs. R. M. Batch, Mother of the groom, Mrs. Ralph Tyson, Mrs. Bill Green, Miss Norma Rushing, Mrs. Beverly Joyner, Miss Judy Williams, Miss Lorraine Nabers, Miss Myra Lou Carey, Miss Melanie Carey and the hostesses. Their gift to Miss Prosser was a luncheon cloth.

Miss Prosser wore a sheath dress of royal blue with matching accessories.

Mrs. Mitchell is hostess to Novelty Club

On Friday night, October 14, Mrs. Burton Mitchell entertained the Novelty Club at her home on South College Street. Roses, pot plants and African violets decorated the living room, and a lovely arrangement of lavender dahlias centered the table in the dining room.

Mrs. Mitchell served assorted sandwiches, chocolate pound cake and coffee.

Novelty games were enjoyed. Those winning prizes were Mrs. Mary DeLoach, Mrs. C. P. Claxton, Mrs. W. E. Helmsly, Mrs. H. M. Teets and Mrs. O. M. Lanier.

Others present were Mrs. C. M. Martin, Mrs. Henry Lanier, Mrs. W. T. Coleman, and a visitor, Mrs. Ivy Miller.

Mrs. O. M. Lanier was presented a lovely pair of ear buds for her long tenure of office as president and news reporter of the Novelty Club.

**WE GO PLACES**

Mrs. W. H. Blitch Sr. left Monday, on a bus for Houston, Texas, where she will visit her daughter, Mrs. James Minter (Charlotte) and Mr. Minter. Mr. Minter is attached to the Coast Guard.

Mrs. R. L. Winburn Sr. traveled by car to California with a friend of hers, Mrs. Francis Wood. Mrs. Winburn is visiting her son and family, Mr. and Mrs. Bob Winburn Jr. and their three children who live in Fresno, California.

HAROLD HOWELL  
Statesboro, Georgia

October 19, 1960

To the Voters of  
Bulloch County:

I wish to take this opportunity to say thanks again for your loyal support of me in the Bulloch County Primary and for allowing me to run for the office of sheriff without opposition.

Heretofore, this has meant that no further campaign or race has been necessary. A vote for me will mean that you are ratifying what you did in the County Primary already held.

Your endorsement of me was your approval of the manner in which I have conducted the office of Sheriff for the past term. I have already assured you that I shall continue to conduct myself in this office in keeping with the fine county of which we are all citizens.

Now, as your Democratic Nominee, nominated without opposition, I urge you to go to the polls on November 8 and vote for me as your sheriff and uphold the traditional system by which Bulloch County has always abided.

Sincerely,

HAROLD HOWELL,  
Sheriff, Bulloch County

SEBY Yellow Jackets  
open '60-61 season

Southeast Bulloch Yellow Jackets, runner up to Telfair County in region 2B, will open up the 1960-61 campaign on November 15 at the home of the Jackets.

Billy Clifton, Jimmy Rushing, Carl Bragg and Donald Fordham, all starters on last year's team, will not be on hand for the opening fracas with the Bill Brown coached Fortals five.

The Jackets have won ten and lost only three in series that dates back to 1955-56. Coach Roebuck has one starter returning from last year's team that won twenty-seven and lost three, this was probably the best team in the history of the school, but don't count us out completely with fine prospects in Wayman, Shuman, Jerry Lanier, Neely Scott, Barney Fordham, Calvin Shuman, Carroll Denmark, Buddy Anderson, Larry Thompson.

"We have some fine prospects up from our B team including Clisby Fordham, Scotty Anderson, Thomas Rogers and Larry Lee," Coach Roebuck said.

The girls have been working hard and will have perhaps the best team in the history of the school, Mary Lanier, Ann Atkins, and Patricia Lassater make up our forwards, but the guards position is still open. Other members of the team are: Maureen Guillette, Patricia Martin, Kay Harville, Betty Ridgion, Fay Baker, Marilyn Cannady, Linda Sherrod, Nicki Ansley, Gae Groover, Beth Aycock, and Lanette Shuman.

YOUNG LOVE is portrayed by Randy Sparks and Venita Stevenson in Paramount's teenage thrill show, "The Big Night," which starts at the Georgia Theatre today (Thursday) and will be at the Georgia Thursday, October 21.

CLOTHING CAN BURN Clothing can burn, causing death or disfigurement. With children especially, watch out for frilly, loose-fitting garments and sheer, fuzzy fabrics. They can catch fire easily and burn in a flash. Train everyone in the family to be doubly careful when near open flames, heaters, stoves and fireplaces, urges Willis E. Huston, Extension engineer.

Members of the First District Division of the Georgia Association of Licensed Practical Nurses Inc., met in the conference room of the Bulloch County Hospital on Monday evening, October 3.

Dr. Paul talked on "The Newer Drugs." Some of the drugs he discussed have been on the market only a few months, some not yet available in this section. "The purpose of the new drugs," Dr. Paul said, "is to treat the patient quickly, effectively and economically."

He classified the new drugs as anti-biotic, histamine, analgesic, combination drugs, diuretics, tranquilizers and stimulants.

Future Homemakers at SEB meet in homemaking lab

By MRS. JOHN A. ROBERTSON The monthly meeting of the Future Homemakers of America at Southeast Bulloch High School was held on October 12, 1960 in the Homemaking Lab. Carol Godbee, Delores Williams, Patsy Posa, Jane Lanier, Sherry Lanier, Janelle Rushing, Penny Trappell, Nancy McCall, Janet Stump, Anne Savage, Jacquita Jones, Nikki Ansley, Cheryl Hughes, Kay Hendrix, and Mrs. J. H. Hinton, teacher of Homemaking at Southeast Bulloch High School.

The minutes were read and approved and the treasurer's report was given.

Delores Williams gave a report of Council meeting held at the Chatham County Council at Tybee. Three officers attended. They were Carol Godbee, Janelle Rushing, and Delores Williams. Mrs. Hinton and Miss Pahl accompanied the group.

The district meeting to be held in November was announced by the president and plans were made to attend.

Carol Godbee then introduced the new student teacher in our Homemaking department, Miss Pahl, of GSCW.

Penny Trappell gave the devotion, which was followed by a prayer by Delores Williams. Kay Hendrix, Brenda Anderson, Jane Lanier, and Carol Godbee participated in a program on dress work.

Annette Mitchell and Cheryl Hughes led the group in some songs and games.

Refreshments were served and yearbooks were issued.

The hospital committee consisted of the following girls: Pat Turner, Linda Horton, Ann Atkins, Mary Ellen Lanier, Joan Adams, Sandra McDonald, Jacquita Jones, Lanette Shuman, and Helen Belcher and Lou Ann Trappell.

The Future Homemakers of Southeast Bulloch have started work on their School and Community Projects in an energetic manner. These projects are a requirement for being an Honor Roll member, which the club has always been.

Wednesday night, October 12th, the following club members assisted the supper committee in serving over seven

hundred guests at the Annual FFA Hog Show sponsored by the Farm Bureau chapters and business people of the community. Annette Mitchell, Carol Godbee, Delores Williams, Patsy Posa, Jane Lanier, Sherry Lanier, Janelle Rushing, Penny Trappell, Nancy McCall, Janet Stump, Anne Savage, Jacquita Jones, Nikki Ansley, Cheryl Hughes, Kay Hendrix, and Mrs. J. # Constitutional Amendments

**CONSTITUTIONAL AMENDMENT NO. 12**  
Resolution Act No. 144  
Senate Resolution No. 89

**A RESOLUTION**  
A Resolution proposing to the qualified voters of Georgia an amendment to Article VII, Section II of the 1945 Constitution of Georgia, authorizing levy of a maximum of \$1.00 on the sale of every marriage license in Georgia for the purpose of paying pensions and other benefits and costs under an Ordinaries Retirement System of Georgia, to provide for the collection of such levy, to provide for the disbursement by such system or agents or officials designated by the Legislature for the submission of this amendment, ratification or rejection, and for other purposes.

Be it resolved by the General Assembly of Georgia as follows: Section 1. Article VII, Section II of the 1945 Constitution of Georgia is hereby amended by adding at the end thereof a new Paragraph, to be known as Paragraph VI, which shall read as follows:

"VI. The State, through the General Assembly, may levy a maximum of \$1.00 on the sale of every marriage license in Georgia for the purpose of paying pensions and other benefits and costs under an Ordinaries Retirement System of Georgia. Said levy may be collected by such Ordinaries pension system or agents or officials designated by the Legislature and disbursed by said system by authority of the General Assembly for the purposes herein authorized.

Section 2. When the above proposed amendments to the Constitution shall have been agreed to by two-thirds of the members elected to each of the two branches of the General Assembly, and the same has been entered on their journals with the "Ayes" and "Nays" taken thereon, such proposed amendment shall be published and submitted as provided in Article XIII, Section 1, Paragraph of 1945, as amended.

The ballot submitting the above proposed amendment shall have written or printed thereon the following:

"For ratification of amendment to Article VII, Section II of the 1945 Constitution of Georgia, so as to authorize the levy of a maximum of \$1.00 on the sale of every marriage license in Georgia for the purpose of paying pensions and other benefits and costs under an Ordinaries Retirement System of Georgia.

"Against ratification of amendment to Article VII, Section II of the 1945 Constitution of Georgia, so as to authorize the levy of a maximum of \$1.00 on the sale of every marriage license in Georgia for the purpose of paying pensions and other benefits and costs under an Ordinaries Retirement System of Georgia.

All persons desiring to vote in favor of adopting the proposed amendment shall vote for ratification of the amendment, and all persons desiring to vote against the adoption of the proposed amendment shall vote against ratification.

If such amendment shall be ratified as provided in said Paragraph of the Constitution, it shall become a part of the Constitution of this State. The returns of the election shall be made in like manner as returns for elections for members of the General Assembly, and it shall be the duty of the Secretary of State to ascertain the result and certify to the result to the Governor, who shall issue his proclamation thereon.

House Resolution No. 273-600

**A RESOLUTION**  
Proposing an amendment to the Constitution so as to provide for repayment of medical loans and scholarships by services at the Milledgeville State Hospital, and for other purposes.

BE IT RESOLVED BY THE GENERAL ASSEMBLY OF GEORGIA:

**SECTION 1**  
Article VII, Section I, Paragraph II of the Constitution, as amended by an amendment ratified at the general election in 1952 and found in Georgia Laws 1951, Page 961, is hereby amended by striking from the eighth paragraph of that portion of Paragraph II added by the 1951 amendment the following:

"One-fifth of the loan or scholarship, together with interest thereon, shall be credited to the applicant for each year of practicing his profession in a community of 5000 population or less, according to 1950 census, or at Milledgeville State Hospital, and no annual interest on the scholarship loan shall be paid during such practice or service."

"All persons desiring to vote in favor of adopting the proposed amendment shall vote for ratification of the amendment, and all persons desiring to vote against the adoption of the proposed amendment shall vote against ratification.

If such amendment shall be ratified as provided in said Paragraph of the Constitution, it shall become a part of the Constitution of this State. ceed \$5,000.00, same to be paid at such time and in such manner as may be determined by the board. The loans and scholarships herein provided shall not exceed the sums herein stated, but they may be prorated in such manner as to pay to the medical school to which any applicant is admitted such funds as are required by that school, and the balance to be paid direct to the applicant; all of which shall be under such terms and conditions as may be provided under rules and regulations of the board. The said loans or scholarships to be granted to each applicant shall be based upon the condition that the full amount thereof shall be repaid to the State of Georgia in cash in full with 4% interest from the date of each payment by the State on such loan or scholarship, same to be payable annually, the first annual payment to be due on or before one year from the date the applicant completes his internship, or same may be repaid to the State of Georgia in services to be rendered by the applicant by practicing his profession at some place within the State of Georgia to be approved by the board. One-fifth of the loan or scholarship, together with interest thereon, shall be credited to the applicant for each year of practicing his profession in a community of 5000 population or less, according to 1950 or any future census, or at Milledgeville State Hospital, and no annual interest on the scholarship loan shall be paid during such practice or service. After the third full year of practice or services within this State as herein provided, but not before, the said applicant shall be privileged, entirely at the discretion of the board hereafter created, to pay off the balance of the scholarship loan, together with interest thereon, and upon such payment shall be relieved from further obligations under his contract for loan or scholarship."

When the above proposed amendment to the Constitution shall have been agreed to by two-thirds of the members elected to each of the two branches of the General Assembly, and the same has been entered on their journals with the "Ayes" and "Nays" taken thereon, such proposed amendment shall be published and submitted as provided in Article XIII, Section 1, Paragraph of 1945, as amended.

## 2 MPH students compete for Chicago trip

Gary Franklin and Denny Rushing recently represented Marvin Pittman high school in Louisville, Georgia, in competing for an all-expense trip to attend the Second National Youth Conference on the "Atom" in Chicago, October 20-22.

The student from each of the seven divisions of the state making the highest score on the examination will be given the trip as a guest of the Georgia Power Company. The purpose of the conference is to present an authoritative picture of future applications of the peaceful atom to a group of the nation's students.

Gary is the son of Mr. and Mrs. Elmer Frank, and Denny is the son of Mr. and Mrs. Gordon Kushing.

They were accompanied by their parents and a group of other students from their respective schools.

The trip will include a visit to the University of Chicago, where they will attend lectures and participate in various activities.

The trip is being sponsored by the Georgia Power Company, which is interested in promoting the peaceful uses of atomic energy.

The trip is being given to the students as a reward for their high scores on the examination.

## Let's say thanks for our tourist industry

This week on our front page we focus attention on the findings of the Tourist Committee of the Statesboro and Bulloch County Chamber of Commerce.

Because we found them amazing we believe that they are worthy of your study.

Most citizens have let themselves think that money spent by tourists in our community has little or no impact upon its economy. The general conception being that only the motels, the hotels, the restaurants and service stations benefit from the tourist industry. Oh, they conceded that a little bit of it might be trickling into the cash registers of the department stores or drug stores or other places of business in our community.

Now comes a report which puts an entirely new light upon what

adds up to be one of our biggest "industries"—the tourist industry.

Seventy-three hotels, motel and motor courts, with a total of 450 units and 103 rooms, ten restaurants, together with service stations, all employing a total of 514 employees with a weekly payroll of \$21,520—and these figures do not include what the owners draw for their work. And an investment of \$5,797,000 and a gross income of \$6,607,300.

Do a little hard thinking on these figures and then let there be concerted and enthusiastic support of what our community does to encourage and promote our great tourist industry.

Let's all get together and say thanks for U.S. 301, U.S. 80, and U.S. 25, as well as Georgia 67, Georgia 26, and Georgia 73.

## Jaycees are just for getting out the vote

Members of the Statesboro Junior Chamber of Commerce are extending their "Get-Out-the-Vote" campaign to include the General Election on November 8 and the City Election on December 2.

The officers, the directors and the members of this young business-man's organization believe that it is the duty of every citizen who is qualified to go to the polls on election days and exercise his and her right to vote.

While urging citizens to vote these Jaycees make it perfectly plain that their "Get-Out-the-Vote" activities are exactly that. They do not endorse nor support any individual candidate for any public office. On this position they stand firmly. Their sole objective is to see that as many voters as can get to the polls on election days to vote.

They care not for whom you vote—they just want you to vote.

We commend these young businessmen for their interest in promoting greater numbers of voters to go to the polls. It's a worthy objective and one not to be taken lightly for it represents an awareness of their responsibilities as citizens of the community in which they live.

It matters not to the Jaycees for whom you vote—but they do say vote on November 8 and December 2.

## Join you Chamber of Commerce today

The Statesboro and Bulloch County Chamber of Commerce is taking steps to protect the businessman and citizens who live in Statesboro from the nuisance created by the seemingly unlimited number of solicitations by all sorts and kinds of people and organizations.

This is one of the dividends which comes from becoming a member of the Chamber of Commerce.

Have you mailed in your membership fee? If not, do so today.

## Read The Ads And Save

By LAWRENCE E. HOUSTON JR.

A NEW YORK newspaper sometime ago ran this ad: "Wanted: Housekeeper for family of four. Every modern convenience in the home. Good salary. Must be a Christian—A CHEERFUL CHRISTIAN, IF POSSIBLE."

We are often forgetful that laughter is God's soothing touch on a fevered world. As an archer unstrings his bow so that it will not lose its vibrancy, so a sense of humor keeps the tensions from building up to strongly in one's life.

IN THE FIRST CONGRESS, a member introduced a resolution limiting the Federal Army to three thousand men. George Washington then arose to suggest an amendment which provided that no enemy should invade the United States with more than two thousand soldiers. What better antidote for the tensions of a tired and distraught world than laughter and a sense of humor?

The ability to laugh at one's self is a mark of maturity. Early in a marriage the husband practiced the habit of breaking a plate every time he became angry with his wife. Soon his wife was breaking plates with him. They ended up laughing at each other and themselves and the tensions eased. Laughter helps destroy self-pity, pride, and pomposity.

IT IS NOT easy to laugh at one's self. It is a mark of maturity.

Then there was the question on Senior Girl Scouts.

The boys answered the pollster with a long wolf whistle! That doesn't need much explaining. Everyone expressed high approval.

It's Senior Scout service to the community that "gets them."

Well, there's our poll, and it proves one thing for sure... Girl Scouts deserves your support. See that they get it.

Give generously when you are called upon for funds to build the future of our Girl Scouts.

### HONOR THE PAST SERVE THE FUTURE

WORKING! That is, most of the time he is working. Dr. E. M. Jellinek and Mark Keller of the Yale University School of Alcohol Studies say there are about four and one-half million alcoholics in the United States. Of these, two

million are employed in industry. The average alcoholic employee misses eighteen days from work each year. Individually they may not lose too much in wages. But, collectively they cost U. S. industry a cool billion dollars!

THE ACTUAL LOSS is no doubt greater because of reduced efficiency even though the alcoholic is present for duty. It has been said that a man with a hangover is half a man. To bring these figures a little closer home, Mr. Employer, six per cent of the people who work for you are alcoholics. Double that figure and you have the number of "worse-than-drinkers."

Leaders in industry such as Consolidated Edison, DuPont, Eastman Kodak and Allis-Chalmers recognize the magnitude of the alcohol problem and the astronomical losses as a result of alcoholism. Dr. John Norris, Medical Director of the Eastman Kodak Company, has this to say: "The executive who says he has no problem of alcohol in his plant doesn't know what he is talking about."

PROBABLY THE MOST effective measure which can be utilized to detect alcoholism within an organization is a careful study of attendance records. Any individual with a record of absences after weekends, holidays or paydays, or periodic absences of several days with no clear out reasons, should be considered as a possible problem drinker.

Industry has also recognized alcoholism as a disease throughout the country many companies have encouraged the establishment of Alcoholics Anonymous Groups within the organization.

Here is more on the U. S. Weather Station at Brooklet, which will be of interest to the old-timers.

The cooperative weather station was established at Brooklet in August 1907, and there has been no break in the record since that time. Stations were operated earlier in Bulloch County, first at Brag and then at Statesboro, and the Brooklet record has commonly been considered a continuation of these records; however, due to the distance of several miles between the different locations, the records are not likely to be entirely compatible. The Brag station was six miles east of Statesboro and the present location is nine miles southeast of Statesboro.

THE BROOKLET WEATHER station has had only one location since its establishment in 1907. It is located at the home of Mr. Will Cromley, the weather observer, about one and one-half miles west-northwest of the Brooklet Post Office. Because the station was moved from Statesboro, it, unfortunately, was carried as Statesboro in the published records through December, 1924. The name was officially changed to Brooklet in January 1925, and, since July 1947, it had been known as Brooklet IW.

Only one family and two observers have served at the Brooklet station during its history of more than fifty years. Mr. J. C. Cromley was the first to serve, from the establishment of the station in August, 1907, through August 1910. In September, 1910, Mr. Will Cromley began what was to become one of the truly outstanding records of service among Weather Bureau Cooperative Weather Observers.

After fifty years of continuous service, Mr. Cromley still maintains a keen interest in the weather and continues to do an excellent job as observer.

"Your move."

IN RECENT WEEKS millions of American have become more conscious of the problems concerned in providing adequate defense for our civilian population. With the Russian Dictator in the United States, shouting his threats and intimidation of the American way of life, we have a new or different feeling concerning the threat of war.

When the millions of Americans saw pictures of the tremendous fireball of the hydrogen test explosion in "Operation Ivy," measuring more than three miles in diameter, many wondered how people in any large city could survive an explosion.

Yet the H-Bomb, despite the wider range of its destructive force, will not destroy the earth.

THERE WILL always be much more of America undamaged, and many more millions of our people alive and eager to fight back and win, than there will be death and destruction.

Here are some of the facts we must learn to live with, in what our President has called "an age of peril."

Atomic and hydrogen bombs do exist as deliverable weapons of war. The Russians have the capacity to deliver these weapons.

Each plane can carry a bomb which carries more destruction than all the planes used in world war two.

Man's plans don't always work out the way he intends them. My plans called for the production of the fifth - graders' yearly chapel program. Instead, I completed an inspection tour of the hospital personnel from Room 322 in the Bulloch County Hospital, and from the halls leading to it. A tour of a day doesn't give a true picture so I spent five days, accomplishing this task.

FROM my bed I inspected the white - uniformed army, fighting to restore the patients' health. The routine is a psychological one. The day begins with ice water. Soon after, breakfast is served in bed by smiling, cheerful persons who probably have no problems and that yours are theirs and they will gladly listen to yours.

ONCE YOU HAVE breakfasted, even though it may have been only a cup of clear chicken broth and a glass of orange juice, you may lie down and restore your energy lost in this exertion. (If you don't rate more than that a diet, it isn't the hospital's fault.) Of course, he'll try to pass the buck to the patient's digestive system. )

than ourselves. We must all plan for adequate protection against atomic fallout.

No longer can any American avoid the responsibility for learning everything possible about personal and community survival. All 170 million Americans at home must accept an active part in civil defense preparedness. Organized civil defense is both a shield and a sword. It can reduce appreciably the loss of lives and property under enemy attack, help us get back on our feet faster, maintain our will to win.

A SOUND CIVIL DEFENSE, coupled with a strong military defense will also help to deter an enemy from starting a war by making his aggression unprofitable.

Here in Statesboro and Bulloch County many of our fine organizations are moving ahead with plans for taking a more active part in our civil defense program. Our women's organizations are taking the lead in many of these areas and it is well that they do so for it will fall their responsibility to know how to protect their homes and their children.

Your local program is hampered from lack of funds but every effort is being made to establish an adequate program and aid others less fortunate

THAWING FROZEN FOODS more frozen fruits and vegetables at one time than is actually needed, says Miss Nellie Thrash, food preservation specialist with the Georgia Agricultural Extension Service. Once food is thawed it spoils more rapidly than fresh food, she explains. To thaw foods, she advised placing the unopened package in a refrigerator for three to four hours, before an electric fan from one-half to one hour, or run cold water over the package.

When serving frozen fruits for dessert, open the package just when you are ready to serve and while there are still a few ice crystals in the fruit, advises Miss Nellie Thrash, Extension food preservation specialist.

The devotional, which consisted of the reading of two poems and the singing of "It is no Secret What God can do," was given by the fourth grades. During the business session Mr. Herman Bray presided. Minutes of last meeting read and approved. Membership Committee reported 332 members.

Mr. Preston, who piled up  
more popular votes than his op-  
ponent but lost the county unit  
votes in his recent bid for re-  
nomination, said:  
"I wish to express my sincere  
appreciation to the many thou-  
sands of friends and supporters  
who put their trust in me and  
made it possible for me to re-  
present the First District in  
Congress for the past 14 years.

"Without the untiring efforts  
of those who assisted me in my  
most recent, and past cam-  
paigns, such a long tenure as I  
enjoyed would not have been  
possible.

"I always endeavored to re-  
present the majority viewpoint  
of my District and to make de-  
cisions in the best interest of  
the nation on matters of Na-  
tional concern.

"My most gratifying experi-

## Dr. Bills to Address ASCD Fall Workshop

By ROBERTA HALPERN

Dr. Robert E. Bills, head of psychology at Auburn University, Auburn, Alabama, will deliver the keynote address at the First District Fall Workshop of the Georgia Association for Supervision and Curriculum Development to be held at GSC on Saturday, October 22.

Dr. Bills, state ASCD consultant for 1960-61, will speak at

the general session at the Marvin Pittman School on the subject, "Through the Looking Glass of Our Human Relations." Illustrations from his lecture are drawn from Lewis Carroll's "Through the Looking Glass."

**Monroe to Preside**

Mr. Shelby Monroe of the GSC education division, will preside at the general session.

Dr. Zach S. Henderson, president of GSC, Mr. J. A. Pafford, principal of the Marvin Pittman School and Lutan R. Wooten, president of the Georgia ASCD, will greet the group.

The conference theme is entitled, "Learner - Curriculum - Morale." The area workshop is only one of 10 being held in the GEA districts across the state.

Dr. Bills will endeavor to discover the participants' reactions to the workshop at the luncheon, which will be held in the Marvin Pittman cafeteria.

**Mathews Speaks for ASCD**

Dr. Walter B. Mathews, first district representative of ASCD and a member of the education division of GSC, stated, "We are extremely pleased to have such a distinguished personality as Dr. Bills serve as the state consultant this year and as the main speaker at our fall workshop."

Dr. Bills, a licensed clinical psychologist in Kentucky, has had teaching and administrative experience in public schools and universities in Kentucky, New York (Columbia University), Florida, Michigan and Alabama.

He is chairman of the Membership Committee, Division of Teaching of Psychology, American Psychological Association, and a member of the Research Commission of ASCD.

**Writes for Journals**

Dr. Bills is the author of many articles published in professional journals as Journal of Consulting Psychology, Journal of Personality, American School and University, The School Executive, Journal of School Research, and others.

Dr. Bills, working in research programs in education, has developed special instruments for use in the research he has conducted.

He was the keynote speaker at a summer Athens conference and helped to set the stage for the workshop.

Dr. Bills will also speak at a Supervising Teacher Conference to be held on Friday, October 21 at the Frank I. Williams Center.

## Know your schools

**EDITOR'S NOTE**—This is another in a series of articles entitled "KNOW YOUR SCHOOLS." It is in the form of questions asked by parents and teachers of Bulloch County and answered by members of the Bulloch County Education Association. We continue this week with a discussion of the county school bus and transportation program with Mr. Leffer Akins answering the questions.

Q. How is a school bus driver selected?

A. School bus drivers are generally selected by people of the community to be served, in most cases the Local Board of Trustees.

Q. What are the qualifications for a school bus driver?

A. They must be recommended by someone in the community where they live, and they must pass a complete physical eye and examination as required by the State Board of Education. They must be less than 59 years of age when they begin driving, and must retire at 65.

Q. How much does a school bus cost?

A. Prices vary according to what one buys, but a minimum cost for a rated 54 passenger bus is about \$4,300.00. A rated 48 passenger bus is about \$250 less.

Q. How long does a school bus last?

A. The States Board of Education recommends 5 years for a chassis and 10 years for a body. Bulloch County is having to use each chassis 7 years, and is buying 10 chassis each year, approximately. Most bodies we use 14 years. By putting a rebuilt body on a bus, the cost for each bus is reduced to about \$3,000.00.

Q. How much does the county pay for gas?

A. Bulloch County is now paying 11 and 83/100 cents per gallon for gas plus 6 1/2 cents per gallon State taxes. We are exempted from 4 cents per gallon Federal taxes. Thus our gas is 18 33/100 cents per gallon.

Q. How are school buses insured?

A. Because of the excessive cost, Bulloch County School do not carry collision insurance. They carry liability insurance of \$100,000.00 per bus and \$20,000.00 per person, and \$2000 per person medical expenses.

Q. What are the costs for operating school buses in our county?

A. On the old system of 66 buses in the county, the costs are as follows:

	White	Colored
Drivers		
Salary	\$37,826	\$24,935
Depreciation	22,528	8,844
Maintenance and Operation	39,244	31,583
Insurance	2,330	1,646
Totals	\$101,928	\$67,010

### Farmers finishing peanuts, work corn

By MRS. W. H. MORRIS

Farmers are now about finished with peanut picking, and cotton picking. Now, they are busy with gathering corn. There is a good corn crop made in this section of the County.

Folks who need to buy corn, can buy it cheaper than they sell their corn now, at the present price, will lose money. Shelled corn is selling for \$1.02 per bushel at Brooklet (it was selling for that last week) chances are, that within the next two months corn may get even cheaper.

Mr. and Mrs. James Morris and son, Gary, spent last Sunday in Savannah with her parents, Mr. and Mrs. Gary Jordan, and The James Hovers. They also visited Mrs. Anness Westberry and Mrs. Wanda Westberry on Sunday evening.

Mrs. Virginia Banks and three children of Savannah visited Mr. and Mrs. J. L. Morris and family last Sunday Mrs. J. L. Morris and family last Sunday evening.

**POWER COMPANY OWNER?** That's right, Miss Neal, third grade teacher in the Good-year Elementary School, Brunswick, is a shareholder of the Georgia Power Company. That makes her one of our bosses.

You'll find power company owners in nearly every occupation. In fact, 134,770 men and women are direct investors in the Georgia Power Company and its parent firm, The Southern Company.

Many more than this are indirect owners. For example, when banks and insurance companies accept your money, they must invest it wisely. Much of it goes into electric utility, bonds and stocks. Almost everyone in the nation has at least an indirect financial interest in electric company operation.

So, you see, electric power companies, such as the Georgia Power Company, serving just about everybody, are owned by just about everybody.

It's the American way of doing business—a way that has served our nation well.

## Progress Abounds On GSC Campus

by ROLAND PAGE  
Construction recently completed, now underway, and planned for the future, should enable GSC to accommodate a student body of 1800, according to President Zach S. Henderson. Enrollment is now 1,262.  
Dr. Henderson stated that the new girls' dormitory, which is now under construction, will house 160 girls. He said that the \$500,000 building is expected to be completed by the 1960-61 winter quarter.  
Another half-million dollar project to be completed by the winter quarter is the industrial arts building. The president said that this building will be composed of fully equipped shops offering courses in electronics, woodworking, mechanical drawing, sheet metal working and others.  
A third building now under construction is the Home Management House located behind the student center. This building will provide girls with practical experience in managing a home. He said that a capacity of eight girls will live in the house for a quarter, doing their own cooking, sewing and washing. He

# THE BULLOCH HERALD

Dedicated to The Progress of Statesboro and Bulloch County

MR. AND MRS. CHARLIE NESSMITH

## Charlie Nessmith is named 'Man of Year' for Soil work

In special ceremonies held at the Community House in Metter on Thursday night, October 20, Mr. Charlie Nessmith was named Bulloch County's "Man of the Year in Soil Conservation" for 1960.

Agriculture Phil Campbell was the guest speaker at the ceremony. This was the tenth annual awarding of the honor. It is sponsored by the bankers and soil supervisors of the Ogeechee River Soil Conservation District.

Bulloch County's "Man of the Year in Soil Conservation" for 1960 is a real dirt farmer. He has farmed all his life and would be completely lost in any other line of work.

He started farming in 1938 the year after he married. He farmed for two years standing near before buying his own place. In 1940 he purchased the old Dan Atkins place in the Pleasant Atkins place, and it was at this point that he began his Soil and Water Conservation program. He first had a completed Soil and Water Conservation plan made for his entire farm of 198 acres. The plan called for terraces with sodded waterways, a farm pond, pastures of coastal bermuda grass, and conservation crop rotations. In addition to proper woodland management.

Mr. Nessmith immediately began applying the plan to the land. Most of his 130 acres of cropland was good Tifton soil which was washing badly. He completely terraced all this land with conventional terraces. He planted 12 acres of coastal bermuda pasture and constructed a farm pond for livestock and fish. He planted two acres of Arlington Strain Sericea Lespedeza furnished by the Soil Conservation Service for trial and observation.

Bulloch County's "Man of the Year in Soil Conservation" for 1960, Charlie Nessmith, is a good farmer, a fine sportsman, and a loyal friend.

He is married to the former Miss Blanche Atkins and has one son - Charles Ricky. He takes an active part in community and church affairs, and is a good neighbor to all who know him.

When asked what he attributed most of his farming success to, he immediately gave credit to his fine wife, Blanche. He then added that the financial help of the FHA, the Production Credit Association, and the Banks helped make it all possible. To the Soil Conservation District and the Soil Conservation Service he attributed most of his better farming methods and the stability of his farming enterprise.

Then came parallel terraces which reduce the cost of all farming operations, and our man again requested assistance from the Ogeechee River Soil Conservation District to do this work. The Soil Conservation Service staked the terraces and waterways out and the Ogeechee River Soil Conservation District, operating a motor grader, leveled out the old terraces with 5 shaped and sodded waterways have been built in the past three years through this teamwork. These five waterways have been seeded to pensacola bahia grass. In addition to all this work, he completely rebuilt and deepened his old farm pond this year. And, in tune with the times, he tried his first match planted soybeans this year - about 20 acres and built new parallel terraces - a total of 6.3 miles of parallel terraces with 5 shaped and sodded waterways and enlarged the original home.

### Halloween Circus at Nevils school Friday night

There will be a Halloween Carnival at the Nevils Elementary School on Friday night, October 28, at 7:30 o'clock in the Gymnasium.

The theme of the evening program is "Our Circus." More than 200 children will participate in the activities. The witches, goblins, clowns and black cats will play their antics while the animal parade, carrying the ballet dancers, and the tight rope walker performs, and the ring-master keeps things in line.

There will be entertainment for all after the program, fish ponds for the little ones, candy store, side shows, sand-wiches, cold drinks, cakes and pies a plenty. No admission will be charged, but all are invited to visit the Halloween Booths. The public is cordially invited to attend.

The grand prize will consist of your house rent or mortgage payment for one month up to \$75, your food bill up to \$100, your telephone bill up to \$10, your light bill up to \$10, your water bill up to \$5, your heating bill up to \$10, your harbor and beauty parlor bill up to \$10, your movie bill up to \$10, your laundry and dry cleaning bill up to \$10, and your gasoline bill up to \$10.

The "Live Free in Bulloch County for a Month" is the grand prize to be given away at the climax of the city-wide promotion October 27-28 and 29. Second prize will be "Live Free in Bulloch County for One-half Month."

Another feature of the Fall Festival of Values is the Auto Show to be held in the Brannen Warehouse on South Zetzer Avenue from 2 p.m. to 8 p.m. when all the new cars dealers of the city will have on display their 1961 models. It is expected to be one of the highlights of the Festival. At 7:30 Thursday evening, October 27, the Auto Dealers will give away prizes. Booths will be made available where visitors may register. ## Fall Festival of Values opens in Statesboro for three days

Today is the Day! The Fall Festival of Values begins this morning and will continue for three big days through Saturday, October 29. All three days the participating merchants will be offering attractive savings on a large number of items. The three-day event is sponsored by the Merchants Division of the Statesboro and Bulloch County Chamber of Commerce.

The question, "How would it feel to live for free for a month?" is an intriguing one. The Merchants Division of the Statesboro and Bulloch County Chamber of Commerce will have the answer for some fortunate family in this area on Saturday afternoon, October 29, as the grand prize to be given away at the climax of the city-wide promotion October 27-28 and 29. Second prize will be "Live Free in Bulloch County for One-half Month."

Registration blanks for the prizes will be in each business participating in the Fall Festival of Values.

The big event opens with a special event for the farmers of the county when they will be guests at special demonstration at the Georgia Theatre Thursday morning, October 27. Then on Friday morning at 10 o'clock there will be another special meeting for the farmers at the Georgia Theatre.

Another feature of the Fall Festival of Values is the Auto Show to be held in the Brannen Warehouse on South Zetzer Avenue from 2 p.m. to 8 p.m. when all the new car dealers of the city will have on display their 1961 models. It is expected to be one of the highlights of the Festival. At 7:30 Thursday evening, October 27, the Auto Dealers will give away prizes. Booths will be made available where visitors may register. The winners do not have to be present to re-

ceive their awards. There will be music and an opportunity to see your favorite car and compare it with all the others. There will be plenty of people there to help you while at the show.

Another big feature of the three-day Festival will be the "Miss Statesboro" Parade which will include all the entrants in the Junior Chamber of Commerce "Miss Statesboro" Beauty Pageant to be held in the W. S. Hanner Building (new gym) at Georgia Southern College beginning at 8 o'clock.

The big Fall Festival of Values will have something for the children on Saturday morning when special events are being planned for them at the Recreation Center on Fair Road. They can have fun while their parents are shopping the stores down town to take advantage of the bargains to be offered during the Fall Festival of Values.

The drawing for the grand prize and the second prize will be Saturday on the courthouse square at 5 o'clock. There will be music on the square from 4 to 5 p.m.

Saturday night "Miss Statesboro" will be selected to compete in the "Miss Georgia" Pageant to be held in Columbus, Ga. to select a Georgia representative for the Miss America Pageant. The "Miss Statesboro" Beauty Pageant will be held in the W. S. Hanner Building (new gym) at Georgia Southern College beginning at 8 o'clock.

Registration for the Grand Prize may be made in forty-four places of business in Statesboro. In addition to those listed in the special edition of the Bulloch Herald last Friday you may also register at Curtis Youngblood Co., Franklin Restall Company, Sears Roebuck and Co., Men's and Boy's Store and Belk's.

### 70 citizens are Gallon Givers

With the announcement that the Regional Red Cross Bloodmobile is to be here on Monday, October 31, it was revealed that more than seventy citizens of Bulloch County are qualified for membership in the Bulloch County Chapter of the "Gallon Club." If there were a chapter in the county, that is, records reveal that one citizen has contributed more than three gallons of his blood to the Bloodmobile. Several have given more than two gallons and many are in the gallon givers.

Gallon givers cross many lines—they are professional people, business people, farmers, men and women.

Those who would become blood donors at the October 31 visit of the Bloodmobile are invited to be at the Recreation Center on Fair Road Monday afternoon between the hours of 1 and 3 o'clock.

"It's so easy to give blood, and there's a great satisfaction to becoming a blood donor," said one Gallon Giver.

### Lannie Simmons wins long trip

The Atlanta Regional office of the Studebaker-Packard Corporation announced in a telegram to Lannie F. Simmons, a local Studebaker dealer here in Statesboro, that he has won an all-expense paid trip to Hawaii for himself and his wife.

Mr. Simmons won the trip as a result of being the leading dealer in the southeast section of the United States in a recent sales contest.

Upon questioning Mr. Simmons about the trip, he stated "I'm not sure whether we will go or not... Mrs. Simmons was a little more definite... stating 'we'll go.'"

Mr. and Mrs. Simmons are scheduled to leave with other leading dealers sometime in January. This follows a recent trip for the two that Mr. Simmons won to the Caribbean.

Mr. Simmons, an auto dealer for approximately thirty years or more, started with Studebaker Corporation.
