To the Voters of Bulloch County:

I wish to take this opportunity to say thanks again for your loyal support of me in the Bulloch County Primary and for allowing me to try for the office of sheriff without opposition.

Henceforth, this has meant that no further campaign or race has been necessary. A vote for me will mean that you are notifying what you did in the County Primary already held.

Your endorsement of me was your approval of the manner in which I have conducted the office of sheriff for the past term. I have always assured you that I would continue to conduct myself in this office as I have been, serving the fine county of which we are all citizens.

Now, as your Democratic Nominee, nominated without opposition, I urge you to go to the polls on November 8th and vote for me as your sheriff and uphold the traditional system by which Bulloch County has always abided.

Sincerely,

Harold Howell
