An Apology to F. C. Parker, Jr.:

As a result of a joint meeting of the Citizens' Party and the People's Party Saturday, Nov. 20, we—who represent some of the people—apologize to you, Mr. Parker, for the things we have done without your approval and/or knowledge. We apologize for our POLITICAL INEXPERIENCE. We have never been in politics before.

We apologize: Our polls show that you will win this election by only a 10 to 1 majority. Our poll shows that the people in the City Limits want a change.

We did not know that most of the City Council was originally appointed by Mr. Bowen, and not elected by the people.

We did not know that two members of the Council threatened and promised to resign when you are elected. We did not know that City vehicles, automobiles, equipment, etc. were serviced by one gasoline supplier who, rather than taking turns (which would be about every seventh turn) took every other turn. We did not know that fuel oil was not stocked for City trash and for operating City tractors, and that TIRES, BATTERIES, ACCESSORIES, etc. were all purchased from one councilman. American custom dictates equal opportunity for all. After eight years the people want a change, and we have six suitable, non-political personalities for this vacancy.

We did not know that the City buys its fertilizer for its flowers, plants, and parks from only one man. We have six suitable, non-political personalities for this vacancy.

We did not know that Mr. Bowen refused to grant any City Charities, nor did we know that Mr. Bowen charged the local hospital some $200 per month for City water and City sewage.

We apologize to the school teachers for not working harder, but we did not know that Mr. Bowen fought the school modernization issue of three years ago. Why? We apologize to the National Guard. We did not know that Mr. Bowen blocked all efforts to build an armory—FOR EIGHT YEARS. We did not know that now because it is election time, he approves the building and has had three men working on repairs for the past three weeks. We did not know that this was a political issue. Will these men be working there after the election FRIDAY?

We apologize to members of City Council. We did not know that it was possible for fines and monies collected by the City to be lost or unaccounted for.

Again we apologize to you, Mr. Parker. We did not know that the W. A. Bowen Construction Co., Courtland Street, has the final bid on all industrial projects, buildings, repairs, painting, and improvements—and that an architect is not allowed to inspect the work. We thought that all merchants, wholesalers, carpenters, painters, and plumbers all had an equal chance in these money-making projects. Is that the reason for Mr. Bowen's efforts to control the Bulloch County Development Commission?

Ignoring what we were in politics, we should have known that the W. A. Bowen Supply Co. could supply the City with its gas pipes, water pipes, sewer pipes, nails, lumber, paint, and all the profit-making materials that go into the development of industries and subdivisions. We felt that merchants and people of the community had an equal opportunity to share in these profits.

We, representing some of the people, pledge our members to make a change this Friday, December 2, and ELECT you, MR. F. C. PARKER, JR., OUR MAYOR.

AFTER THE PEOPLE SEE THE FACTS, IT'S POSSIBLE THAT YOU WILL WIN THIS ELECTION BY 20 TO 1

Elect F. C. Parker, Jr. Your Mayor Friday

Mrs. A. (Bill) Bowen
Statesboro, Georgia

TO THE VOTERS OF STATESBORO:

Thank you from the bottom of my heart for the demonstration of confidence in me which you expressed at the polls on December 1.

I am deeply grateful for the people of Statesboro who show by their vote that they do not condemn the type campaigns which was waged against me. The vicious charges hurled against me, and against the Council, are simply not true; but were manufactured for lack of any constructive issues on which to base a campaign.

On behalf of the City Council and myself, I would like to express our appreciation for your endorsement of our program of progress which has brought Statesboro to a position second to none in the southeast, and to pledge to you our continued efforts to keep Statesboro on the move forward. I thank you.

Sincerely,

W. A. BOWEN

Let's take a look at registration requirements 

Now that the county's primary election is over, the courts and police are concerned about how to register citizens without violating state laws. It's important to keep in mind that everyone has the right to vote and to be registered. Let us look at the facts, and ask these questions, How many people are registered to vote? Why are there so many people registered in the county? If the answers to these questions are not right, what should be done to correct them? 

Let us now examine registration requirements. There are certain requirements that are necessary for registration. For example, to register to vote, a person must be at least 18 years old, a U.S. citizen, and a resident of the county for at least 30 days. 

There are also several requirements that are not necessary for registration. For example, a person does not need to be a resident of the county for at least 30 days, or to be a U.S. citizen, in order to register to vote. 

In conclusion, it is important to ensure that registration requirements are fair and just for all citizens. Let us work together to make sure that everyone has the right to vote and to be registered.
