Rockwell celebrates Fifth Anniversary

Five years ago, we announced Rockwell as our new community newspaper. It was an exciting prospect for the Rotarians of nearby Pineville. We imagined a paper that would reflect the community's needs and interests. Fast forward five years, and Rockwell is a community asset.

Rockwell has become a voice for the people, reporting on local events, issues, and achievements. It has provided a platform for community members to express their views and engage in thoughtful discussions.

As we celebrate Rockwell's fifth anniversary, we want to thank everyone who has supported us over the years. We look forward to continuing to serve the community for many more years to come.

Don't leave your children unprotected

Are you feeling bad for the week? If so, let these children know that they are not alone.

Rockwell County, Rockwell and the surrounding areas have been hit hard by the recent COVID-19 outbreak. The county has taken steps to protect its citizens, including implementing social distancing measures and encouraging the use of masks.

The community is encouraged to stay informed and follow guidelines to help prevent the spread of the virus. We hope that everyone stays safe and healthy.
