This Week's
Meditation
by Ernest Williams

It seems to me...

AA helps those who come seeking help

by the editor

By the Editor

We recognize our Future Homemakers

New of the Week

We are very pleased to hear that our

Bulloch County

Junior Chamber of Commerce has

brought its new members together

for a special dinner at its annual

all inclusive group.

This week the group had the

privilege of welcoming

District Jaycee pick right man

Their next meeting will be on

April 12 at 7:30 p.m.

We hope to see you there.

Wear a poppy on

Pea Poppy Day, April 29

April 29 is "Open a Poppy" Day

Remember that this

is the time to honor

the fallen in every way

possible.

Circa and Cones and

hereafter is an annual

event.

The poppy, a national

symbol for the

memory of those

who gave their lives in

the war, is

worn on your coat and

shoulder.

I hope you will wear

your poppy on April 29.

It is a reminder of

the sacrifice of

the men and women

who served in

the armed forces.

The Balboch Herald

is pleased to announce that

the Poppy Day

committee has

organized a

special event.

This year's event

will take place

on April 29 at 7:30 p.m.

at the

Goddard High School

auditorium.

The event will feature

a variety of entertainment,

including music and

dancing.

We encourage you to

come out and support this

wonderful cause.

The next meeting of the

Bulloch County

Junior Chamber of Commerce

will be on April 12 at

7:30 p.m.

at the

Goddard High School

auditorium.

We hope to see you there.

Here are some tips for preparing your garden for the upcoming season:

- **Fertilizer Choice:** Use a balanced fertilizer to ensure your plants receive the necessary nutrients.
- **Soil Preparation:** Amend your soil with compost or mulch to improve drainage and organic matter content.
- **Irrigation:** Install an efficient irrigation system to save water and keep your plants hydrated.
- **Mulching:** Apply a layer of mulch around your plants to help retain moisture and suppress weeds.
- ** Pest Control:** Keep an eye out for pests and use organic methods to control them.

These tips will help you prepare your garden for a successful season. Happy planting!

BULLETIN:

Super Shell with 9 ingredients now contains 1 quick-start component; 1 fast warm-up ingredient; 1 mileage booster; 1 anti-knock mix; 2 octane boosters; 1 gum preventive; 1 anti-icer and new improved TCP—to give your car top performance.

Read the facts about today's Super Shell. You'll learn why each of the nine ingredients is essential if you want top performance from today's engines.

1. A quick-start component—Super Shell's heating element is the answer to starting your car in sub-zero weather. No need to run the car in order to get it going.
2. A fast warm-up ingredient—Super Shell's warm-up ingredient reduces the need to run the motor faster than normal. You need less fuel and lower oil consumption too.
3. A mileage booster—Super Shell's new mileage booster is a significant improvement over the old shell. It reduces fuel consumption another 5%.
5. Octane boosters—Super Shell's octane boosters increase octane ratings and speed.
