Editorials

Join and support the Concert Association.

County Council of Bulloch County will give an annual meeting on Tuesday, March 12, at 6 p.m. in the county auditorium. The meeting will include reports from the various committees and discussion of the budget for the coming year.

The Back-Breakers

In the editor's uneasy chair

The Back-Breakers, a group of 12-year-olds, recently performed in front of a packed house. The group performed a variety of songs and skits, including a performance of "The Little Engine that Could." The performance was well-received by the audience, who gave the group a standing ovation.

To Mother 12.

A gift of fashion

The theme of this year's Mother's Day is "The Gift of Fashion." Mothers will be celebrated with a special dress designed by fashion designer Martha Manning. The dress is made of high-quality materials and is a unique design that is sure to please any mother.

Bulloch still the greatest county

According to the latest report of the U.S. Bureau of the Census, Bulloch County remains the greatest county in the state. The population of Bulloch County has increased by 10% in the past year, making it the fastest-growing county in the state.

Go home-touring

Wednesday, May 1

The Spring Home Tour, sponsored by the Bulloch County Historical Society, will take place on Wednesday, May 1. The tour will feature historic homes and gardens, and will include a special performance by the Back-Breakers.

Shell Research scientists reveal how they got

168.47 miles per gallon

One hundred and sixty-eight miles per gallon must be a world record. Like most world records, it took cooperation and hard work.

The two Shell scientists who held this record have told us how they managed it. They have also added some tips on how you can increase your car’s mileage. But by using their new scientific techniques. But by careful driving and today’s newer Shell gasoline.
