Gymnasts clinic to be held at Ga. Southern

The Bullock Herald

Savannah, Georgia, Thursday, May 24, 1961

With the high school year-end season in full swing, many of the students are looking for a way to relax after a hectic school year. One such way is to participate in a gymnastics clinic.

The clinic will be held.

Congratulations to the Graduation Class of Southeast Bulloch High

Our community is exceedingly proud of you, the 1961 graduates of Southeast Bulloch High School. You have worked hard, you have done a fine job. You have reached the first milestone on your way to success! And now on behalf of all in our community we wish you every success that life offers. Congratulations!

Shell reveals how to increase your mileage up to 30 extra miles per tankful

Here are some tips from Shell's experts on how to get maximum mileage out of your car. If you practice these good driving habits—and if you use today's Super Shell, with 5 ingredients for top performance—you may well save a pretty penny on gasoline bills.

1. Drive with a steady engine:
   - Keep your engine warm.
   - Avoid idling.

2. Check the coolant level:
   - An insufficient coolant level can cause overheating and reduced efficiency.

3. Use a good grade of gasoline:
   - Shell is recommended for its anti-detonation qualities.

4. Keep your tires properly inflated:
   - Under-inflated tires can increase rolling resistance.

5. Avoid hard starting:
   - A smooth, steady acceleration is more fuel-efficient than a hard start.

6. Check the air filter:
   - A dirty air filter can reduce engine efficiency.

7. Use a high-grade transmission fluid:
   - Shell's transmission fluid is formulated for longer life and better performance.

By following these tips, you can increase your car's mileage by up to 30 extra miles per tankful.
Editorials

Congratulations to all 1961 graduates

This year's毕业 has brought us news of the fullness of the calendar in Bulloch County. Statesboro High School, Brooklet High School, and Statesboro Junior High School have all graduated their classes.

What of our new Post Office?

What of our new Post Office? We have been asked about it by several people. We are told the question came in from Bulloch County. We are told the new Post Office will be located on South Main Street. We are told the new Post Office will have its own parking lot. We are told the new Post Office will be open every day of the week.

But why? What's the reason? We asked the question of the Postmaster, who said the reason is to serve the community better. He said the new Post Office will have more space to accommodate the growing number of customers. He said the new Post Office will have better facilities to handle the increasing volume of mail.

We welcome our new neighbors, and we wish them success in their new venture.
