Editorials

Deal with your home county businessmen

- The Bullock County home county businessmen have been meeting on a regular basis to discuss various issues.

- County commissioners have been invited to attend these meetings to discuss their concerns.

- The meetings have been taking place in their offices and have been well attended.

- The purpose of these meetings is to improve relations between the businesses and the county government.

- The commissioner has been attentive and willing to address any issues that may arise.

- The meetings have been held in a comfortable and relaxed atmosphere, allowing for open and frank discussions.

- The commissioner has expressed a commitment to working collaboratively to find solutions to the problems facing the community.

- The meetings have been well received by both the businesses and the county government.

- They have agreed to continue these meetings on a regular basis.

- The commissioner has expressed a desire to work with the businesses to improve the economy of the county.

- He has offered to provide updates on any actions that may be taken in response to the discussions.

- The businesses have expressed a willingness to work with the county government to achieve common goals.

Chain letters can bring bad trouble

- The photo of a group of people sitting on chairs in a room with the words "the editor's uneasy chair" is not related to the content of the text.

- The main message is that chain letters can bring bad trouble and should be avoided.

- The text mentions the need for people to be cautious and not to fall for such schemes.

- It also encourages people to report any suspicious activities to the authorities.

- The text concludes by emphasizing the importance of staying informed and being vigilant.

Farmers warned to check screwworms

Public warning of screwworms is made by state officials. Screwworms are a serious threat to livestock. They lay their eggs in wounds or cuts on the animals, and the larvae feed on the flesh. Farmers are advised to check their livestock regularly for signs of screwworms.

1-H Club members now at Rock Eagle

1-H Club members are currently at Rock Eagle for their annual meeting. The club has been active in promoting agriculture and rural development, and their presence at Rock Eagle is a testament to their dedication.
